

RICK ALEXANDER, MARKET STRATEGIST  
ZANER GROUP

5/2/2018

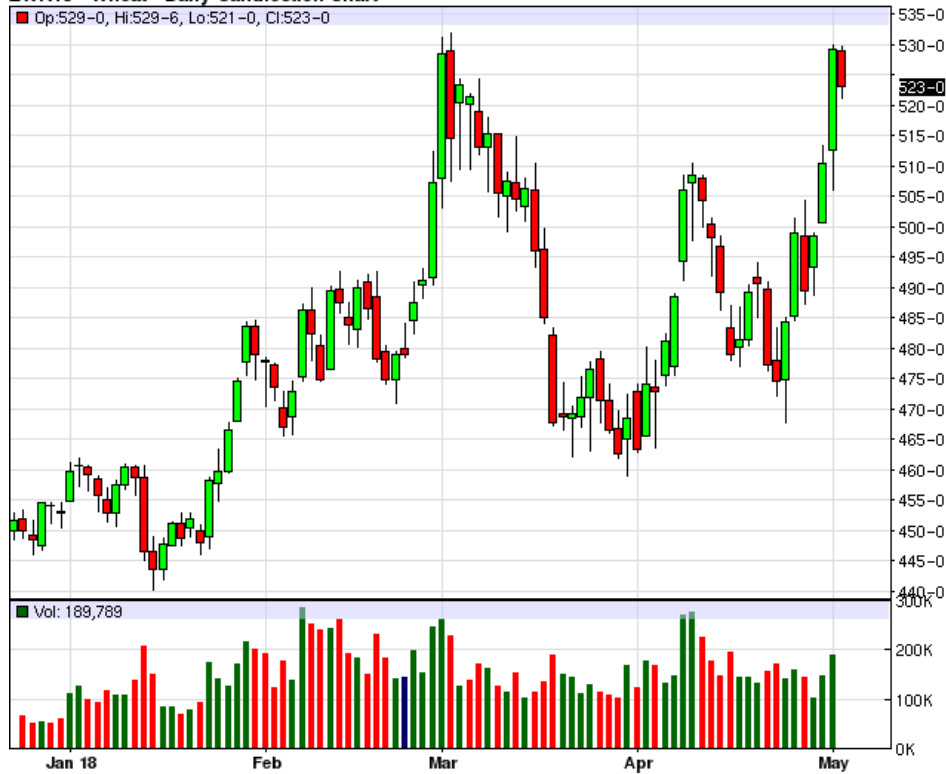

## I WAS OUT OF THE COUNTRY SINCE MY LAST REPORT SO NOW WE'LL BOTH SEE WHAT'S BEEN GOING ON!

Higher closes for Minneapolis, Kansas City and Chicago wheat along with soybeans, soybean meal, oats and corn while lower for rough rice and soybean oil. My mind and body are still eight hours ahead but I don't know today's closes are! WHAT I HAVE LEARNED THAT MOST OF YOU ALREADY KNOW IS THAT KANSAS IS VERY DRY ALONG WITH MAJOR PARTS OF SOUTH AMERICA WHERE THE CORN IS GROWN AND THAT A BARGE CRASHED INTO AN EXPORT FACILITY THAT HANDS 20 % OF ARGENTINA'S EXPORTS THAT WILL TAKE A YEAR TO REPAIR. All of that news pretty much explains the technical action shown on the charts below. The wheat complex has stormed higher since my last report with KC making its highest high and close early March while Chicago its best high since March 2nd and close since August 3rd 2017. This has given me BUY SIGNALS for KC and Chicago wheat but I'm holding off for Minneapolis with is now in a strong resistance area. Oats have rallied over the last week but still look weak and are now in some resistance. Also oats had its worst low on April 23rd in a year. Rice, on the other hand, made its highest high and close on April 25th since Sept. 17th giving me a BUY SIGNAL. Corn made its best high and close since June 2016 based on South America news. Meanwhile, meal has held up the bean complex by making a new CONTRACT HIGH AND CLOSE thanks to the Argentinian news. The beans remain basically stagnant which is actually good news while nothing seems to help oil which made its worst low and close since November 2015. BUY SIGNALS FOR KANSAS CITY AND CHICAGO WHEAT ALONG WITH CORN, ROUGH RICE, SOYBEANS AND SOYBEAN MEAL. SELL SIGNALS FOR MINNEAPIS WHEAT, OATS AND SOYBEAN OIL.
