

MEMO

TO: Members, Clearing Members and Market Participants
FROM: James D. Facente, Director of Market Operations, Clearing & IT
DATE: March 11, 2010
SUBJECT: Afternoon Pre-Open for MGEX Commodity Options

Effective **Monday, March 29**, MGEX commodity options on the following futures will have an additional pre-open period on CME Globex:

- MGEX Hard Red Spring Wheat (HRSW)
- MGEX Hard Red Spring Wheat Index (HRSI)
- MGEX Hard Red Winter Wheat Index (HRWI)
- MGEX Soft Red Winter Wheat Index (SRWI)
- MGEX National Corn Index (NCI)
- MGEX National Soybean Index (NSI)

This afternoon pre-open period for options will be from 2:30 p.m. to 4:00 p.m. Monday through Friday.

The pre-open market state is a predetermined time before the trading session opens when customers can begin entering, modifying and canceling orders for the following trading day.
