MGEX Announces Implied Pricing for NCI and NSI

Hello:

The Minneapolis Grain Exchange (MGEX) is pleased to announce that effective with tonight's trading session, **implied pricing will be added to the National Corn Index (NCI) and the National Soybean Index (NSI) futures contracts.** The newly added functionality will make it easier and more efficient for traders to execute spread trades among contract months within each contract.

With this change, **implied pricing is now available in ALL MGEX futures contracts** including the Hard Red Spring Wheat (HRS) futures, Hard Red Spring Wheat Index (HRSI), Hard Red Winter Wheat Index (HRWI), Soft Red Winter Wheat Index (SRWI), as well as the NCI and NSI futures contracts.

Questions regarding implied pricing should be directed to MGEX support at 1-866-255-6439 or 612-659-0554 or by [email](#). Support desk hours are 6 a.m. to 7 p.m. M-F and 5 p.m. to 7 p.m. on Sunday.

Learn more about all MGEX products by going to www.mgex.com/products.html, replying to this message or calling me at 612-321-7140.

Best Regards,
