

James D. Facente – Director, Business Development, Market Operations, Clearing & IT

Mr. Facente joined MGEX in 1994 and accepted the position of Director, Market Operations, Clearing & IT in 2005; he began directing the Business Development department in 2011. Mr. Facente manages the Market Operations, Clearing & IT departments in the day-to-day operations of the Exchange, ensuring orderly electronic trading and floor trading. Mr. Facente is also responsible for initiatives MGEX takes to improve the transparency of the marketplace. As Business Development Director, Mr. Facente plays an integral part in the Exchange's growth initiatives.
