

Minneapolis Grain Exchange Spring Wheat "Regular" Elevators

In accordance with Regulation 2027.00. LOAD-OUT, STORAGE AND INSURANCE CHARGES: DELIVERY GRAIN, the following charges apply:

The maximum load-out charges on delivery grain, which is tendered in satisfaction of a Minneapolis Grain Exchange Futures Contract, shall be six cents (6¢) per bushel for wheat regardless of the date of the warehouse receipt. Effective September 1, 2009, the maximum load-out charges on delivery grain shall be eight cents (8¢) per bushel for wheat regardless of the date of the warehouse receipt.

The maximum storage charges on delivery grain, which is tendered in satisfaction of a Minneapolis Grain Exchange Futures Contract, shall be one hundred thirty-three one thousandths of a cent (\$.00133) per bushel per day for wheat regardless of the date of the warehouse receipt. Effective September 1, 2009, the maximum storage charges on delivery grain shall be one hundred sixty-five one thousandths of a cent (\$.00165) per bushel per day for wheat regardless of the date of the warehouse receipt.

Insurance charges shall be included within the maximum storage charges.
