For the purpose of this Rule, at a minimum, a financial, personal or prejudicial interest shall be defined and determined pursuant to Rule 275.00.B. The other members of the Disciplinary Committee with guidance by the Department of Audits and Investigations shall determine whether any member has a financial, personal or prejudicial interest not addressed by Rule 275.00.B.

No member may serve on the Disciplinary Committee if he or she has participated in or been involved in adjudicating any other stage of the same proceeding.
264.02. DISCIPLINARY COMMITTEE: APPOINTMENT OF ALTERNATES.

No Member or Market Participant shall violate any order of the Disciplinary Committee after having been duly notified thereof. Nothing, however, herein contained shall in any way be construed as superseding the duties and authority that have been vested in the Board of Directors by the MGEX Rules and Regulations. For the purpose of this Rule, at a minimum, a financial, personal or prejudicial interest shall be defined and determined pursuant to Rule 275.00.B. The other members of the Hearing Committee with guidance by the Department of Audits and Investigations shall determine whether any member has financial, personal or prejudicial interest not addressed by Rule 275.00.B.

No member may serve on the Hearing Committee if he or she has participated in or been involved in adjudicating any other stage of the same proceeding.

265.02. HEARING COMMITTEE: APPOINTMENT OF ALTERNATES.

If the Hearing Committee shall determine that it is improper for any or all of its members to serve during the consideration of and action upon any particular matter, or if any or all of the regular members shall be unable to serve during such consideration and action, the Hearing Committee may request the President of the Corporation to appoint, and the President of the Corporation shall appoint, an alternate or alternates to sit throughout the consideration of and action upon such matter. If an alternate is substituting for a Member position, the alternate must be a Member of the Corporation who is not a member of the Board of Directors or the Disciplinary Committee. If an alternate is substituting for the individual who meets the qualifications of a Public Director, the alternate must also qualify as a Public Director. When so appointed, any alternate shall, with respect to the consideration of and action upon such particular matter, have all the powers and duties of the regular member for whom the alternate is acting; and such Hearing Committee, so constituted and consisting of such alternate or alternates and the remaining regular members of the Hearing Committee, if any, shall with respect to the consideration of and action upon such particular matter have all the duties and powers of the regular Hearing Committee. During the period that such Hearing Committee appointed with respect to a particular matter is functioning, the regular Hearing Committee and the regular members thereof shall continue to have all their usual powers and to perform all their usual duties concerning matters other than that before a Hearing Committee appointed with respect to a particular matter.

C. To direct the Department of Audits and Investigations to conduct such further investigation in respect to any such report as the Committee deems appropriate or advisable on a timely basis.

D. In hearings conducted by the Hearing Committee, on a finding by the Hearing Committee that there has been a violation, to assess a penalty against those found guilty. E. To report in writing to the Board of Directors in respect to all matters which result in public disciplinary action.

F. To summon any Member or Market Participant to appear before the Hearing Committee.

The findings and conclusions of the Hearing Committee, in respect to such matters, shall be final. There is no appeal to the Board of Directors or any other MGEX authority.

No member of the Hearing Committee shall publish, divulge or make known in any manner, except when reporting to the Board of Directors or to a committee concerned with such information, or when called upon to testify in any judicial or administrative proceeding, any facts regarding the business of any Person, or any other confidential information that may come to the knowledge of such Hearing Committee member in the member's official capacity.

272.00. CHIEF COMPLIANCE OFFICER.

The Exchange shall designate the individual to serve as the Chief Compliance Officer who shall report to the President and execute the duties and responsibilities required by CFTC Regulation 17 CFR Part 39, as amended.

273.00. CHIEF RISK OFFICER.

The Exchange shall designate the individual to serve as the Chief Risk Officer who shall
implement the risk management framework of the Exchange, make recommendations regarding the Exchange’s risk management functions, and execute any other duties or responsibilities required by CFTC Regulation 17 CFR Part 39, as amended.

275.00. CONFLICTS OF INTEREST.

A member of the Board of Directors and certain other committees at the Exchange must abstain from deliberating and voting on matters when there is a potential personal or financial conflict of interest. This Rule describes how and when the conflict of interest will be determined. Additional and broader conflicts of interest provisions apply to the Disciplinary Committee and the Hearing Committee. (See Rules 264.01 and 265.01.)

A. Definitions. For purposes of this Rule the following definitions shall apply:

1. The term “family relationship” of a person shall mean the person’s spouse, former spouse, parent, stepparent, child, stepchild, sibling, stepbrother, stepsister, grandparent, grandchild, uncle, aunt, nephew, niece, or in-law.

2. The term “governing board” shall mean the Board of Directors, Committees of the Board of Directors and Committees of the Corporation authorized to take action or to recommend the taking of action on behalf of the Exchange.

3. The term “member’s affiliated firm” shall mean a firm in which the member is an employee or a “principal,” as defined in CFTC Regulation 3.1(a).

4. The term “named party in interest” shall mean a person or entity that is identified by name as a primary subject of any material matter being considered by a governing board.

5. The term “significant action” shall mean any of the following types of actions or rule changes that are implemented without the Commission's prior approval:

   a. Any actions or rule changes which address an “emergency” as defined in CFTC Regulation 1.41(a)(4)(i) through (iv) and (vi) through (viii); and,

   b. Any changes in margin levels that are designed to respond to extraordinary market conditions such as an actual or attempted corner, squeeze, congestion or undue concentration of positions, or that otherwise are likely to have a substantial effect on prices in any contract traded at the Exchange; but shall not include any rule not submitted for prior CFTC approval because such rule is unrelated to the terms and conditions of any contract traded at the Exchange.

B. Named Party in Interest Conflict
1. Prohibition. No member of a governing board shall knowingly participate in such body’s deliberations or voting in any matter involving a named party in interest where such member: (a) is a named party in interest; (b) is an employer, employee or fellow employee of a named party in interest; (c) is associated with a named party in interest through a broker association; (d) has a family relationship with a named party in interest; or, (e) has any other significant, ongoing business relationship with a named party in interest, excluding relationships limited to executing futures or option transactions opposite each other or to clearing futures or options transactions through the same Clearing Member.

If the member’s only relationship with a named party in interest is through a broker association not established for the purpose of sharing profits and losses as described by Regulation 2065.00.A.3. then the prohibition shall not apply. Furthermore, if a named party in interest is one or part of a group of similar persons or entities that is the subject for general deliberation and voting, such as approval for regularity or membership, and there is no material issue of dispute involving a named party in interest, then the prohibition shall not apply.

2. Disclosure. Prior to consideration of any matter involving a named party in interest, each member of the deliberating body who does not choose to abstain from deliberations and voting shall disclose to the Department of Audits and Investigations whether such member has one of the relationships listed in paragraph B.1. of this Rule with a named party in interest.

3. Procedure and Determination. Exchange staff shall determine whether any member of the deliberating body is subject to a conflicts restriction under this paragraph B. Such determination shall be based upon a review of the following information:

a. information provided by the member pursuant to paragraph B.2. above, and

b. any other source of information that is held by and reasonably available to the Exchange.

C. Financial Interest in a Significant Action Conflict

1. Prohibition. No member of a governing board shall participate in such body’s deliberations and voting on any significant action if such member knowingly has a direct and substantial financial interest in the result of the vote based upon either Exchange or non-Exchange positions that could reasonably be expected to be affected by the significant action under consideration, as determined pursuant to this Rule.
2. Disclosure. Prior to consideration of any significant action, each member of the deliberating body who does not choose to abstain from deliberations and voting shall disclose to the Department of Audits and Investigations position information that is known to such member, with respect to any particular month or months that are under consideration, and any other positions which the deliberating body reasonably expects could be affected by the significant action, as follows:

a. gross positions held at the Exchange in the member's personal accounts or "controlled accounts," as defined in CFTC Regulation 1.3(j);

b. gross positions held at the Exchange in proprietary accounts, as defined in CFTC Regulation 1.17(b)(3), at the member's affiliated firm;

e. any other types of positions, whether maintained at the Exchange or elsewhere, held in the member's personal accounts or the proprietary accounts of the member's affiliated firm, that reasonably could be affected by the significant action.

3. Procedure and Determination. Exchange staff shall determine whether any member of the deliberating body is subject to a conflicts restriction under this paragraph C. based upon a review of the most recent large trader reports and clearing records available to the Exchange, information provided by the member with respect to positions pursuant to paragraph C.2. of this Rule, and any other source of information that is held by and reasonably available to the Exchange, taking into consideration the exigency of the significant action being contemplated.

D. Deliberation Exemption.

1. Any member of a governing board who would otherwise be required to abstain from deliberations and voting pursuant to paragraph C. hereof may participate in deliberations, but not voting, if the deliberating body, after considering the factors specified below, determines that such participation would be consistent with the public interest; provided, however, that before reaching any such determination the deliberating body shall fully
consider the position information specified in paragraph C.2. and C.3. above, which is the basis for such member’s substantial financial interest in the significant action that is being contemplated.

2. In making its determination, the deliberating body shall consider;

   a. whether the member’s participation in deliberations is necessary to achieve a quorum; and

   b. whether the member has unique or special expertise, knowledge or experience in the matter being considered.

3. Voting Exemption. If at least one-half of the deliberating members cannot participate in voting consistent with this Rule, then every member who has been granted a deliberation exemption pursuant to this paragraph D. may participate in voting.

E. Documentation. The minutes of any meeting to which the conflicts determination procedures set forth in this Rule apply, shall reflect the following information:

1. the names of all members who attended the meeting in person or who otherwise were present by electronic means;

2. the name of any member who voluntarily recused himself or herself or was required to abstain from deliberations and/or voting on a matter and the reason for the refusal or abstention, if stated;

3. information on the position information that was reviewed for each member if applicable and available; and

4. the name of any member who participated in voting pursuant to paragraph D.3. of this Rule.

282.00. CLEARING HOUSE.

There shall be established a Clearing House of the Exchange, which shall supervise the clearing of Futures and Options Contracts initiated, accepted or executed under MGEX Rules and Regulations.

283.00. AUDITS AND INVESTIGATIONS.

There shall be established a department of the Exchange that conducts audits and investigations. Such department of the Exchange shall serve as an independent department and shall not include either Members or Persons whose interests conflict with their audit, investigation or enforcement duties.

The Exchange shall initiate and conduct investigations and audits at the direction of the CRO,
the Regulatory Oversight Committee and/or the appropriate committee. Such investigations shall be initiated promptly after receipt of a complaint or other indication of possible violation of the MGEX Rules and Regulations.

The Exchange has the authority to collect information and documents on both a routine and non-routine basis, including, but not limited to, the authority to examine books and records kept by any Member, Market Participant, nonmember approved as Regular or any other Person under investigation or from whom information or cooperation has been requested. Failure to comply with any request made by the Exchange for information and/or documents may subject the Member, Market Participant, nonmember approved as Regular or Person under investigation or from whom information or cooperation has been requested to disciplinary procedures of the Exchange or fines pursuant to the MGEX Rules and Regulations.

290.00. NONPUBLIC INFORMATION - IMPROPER USE OR DISCLOSURE.

For purposes of this Rule, "material" and "non-public information" shall be defined by CFTC Regulation 1.59(a).

In accordance with CFTC Regulation 1.59(c), no Exchange officer, member of the Board of Directors or member of any committee shall use or disclose, for any purpose other than the performance of such person's official duties, material, non-public information obtained as a result of such person's office or participation on the Board of Directors or any committee.

302.00. MEMBERSHIP: APPLICATION FOR.

Application for Membership shall be in writing and shall contain an agreement by the applicant that in consideration of being admitted to Membership the applicant will be bound by MGEX Rules and Regulations and all amendments and additions thereto, and that such agreement shall be binding on the applicant and its heirs, executors, administrators, successors, and assigns. Said application shall be in such form, and accompanied by such information and statements, as the Exchange shall prescribe. Such application shall be signed by the applicant.

Any Member claiming, under the provisions of MGEX Rules and Regulations, to have a lien against a Membership may file an objection against a transfer of such Membership, as provided below:

A. Such objection shall be in writing in the form prescribed by the Exchange and must be filed with the Exchange, together with a statement of the amount of the claim for lien against the Membership upon which such objection is based, within ten (10) consecutive days after notice of the request for transfer of such Membership has been posted on the Official Bulletin Board;

B. Failure to file an objection as provided in Section A. shall be deemed and held to constitute a waiver of the lien and the right to file the objection. A Membership subsequently transferred, and the ownership recorded shall be considered free and clear of all liens and claims for liens as if no objections were filed; no subsequent objection, complaint, claim or demand against the former Member shall constitute a lien or otherwise impair it in the hands of an innocent Record Owner;

C. At the expiration of said period of ten (10) consecutive days a copy of any objections that have been duly filed, together with a copy of the statement of the amount of the claims for liens upon which such objections were based, shall have been served upon the parties who requested the transfer of the Membership including the Record Owner and/or Record Holder;

D. If any objection has been duly filed, the Board of Directors shall hear all parties and determine the validity of the objection; and, if it is sustained, the request for transfer shall be denied until such time as the claim or claims upon which the objection was based have been settled.

Notice of the time, place and purpose of the meeting of the Board of Directors at which objections are to be acted upon shall be served on the party who has requested the transfer of the Membership, and on the Record Owner and/or Record Holder.

305.00. MEMBERSHIP TRANSFERRED IN VIOLATION OF RULES.

In case any Membership shall have been transferred without the approval of the Exchange, or in violation of any of the provisions of MGEX Rules and Regulations applicable to such Membership, such transfer shall be null and void.
310.00. MEMBERSHIP: RECORDING OF OWNERSHIP.

When the terms and conditions set forth below have been complied with and upon the order of the Board of Directors or a duly authorized officer of the Exchange, the Exchange shall record the ownership of a Membership upon the books of MGEX in the name of a Person:

A. The Person to be recorded as the Record Owner must be in Good Standing, must have paid the purchase price and be the sole and absolute Record Owner of such Membership.

B. If the Person to be recorded as the Record Owner is an officer or employee of the Exchange, or if the officer or employee of the Exchange has a financial interest in an entity to be recorded as the Record Owner, such disclosure shall be made to the Board of Directors. In no instance may the officer or employee be recorded as the Record Holder of a Membership, or exercise the privileges of a Record Holder.

C. The recording of the ownership of a Membership must be duly executed with the Exchange immediately after purchase by the Person who or which is to be recorded as the Record Owner. The information needed to record the ownership shall be in such form and shall be accompanied by such facts and statements as the Exchange may require.

D. The Person who is to be recorded as the Record Owner must acknowledge that MGEX is not liable for any indebtedness the Person incurred in connection with obtaining such Membership and shall indemnify MGEX and hold it harmless against all claims, demands or actions of any sort and all costs or expenses incidental thereto.

E. All assessments against such Membership that are due and payable, together with interest on any delinquent portions thereof, must have been paid.

F. Notice of a request to record the ownership of a Membership must have been posted on the Official Bulletin Board for ten (10) consecutive days prior to the date of such recording.

G. If an objection to such recording has been duly filed, it must have been heard by the Board of Directors and dismissed or, if the claim upon which it was based has been sustained, the claim must have been satisfied before the ownership is recorded.

H. Neither the previous Record Holder nor Record Owner of such Membership, nor any entity to be listed as Record Owner, can be a party to any unsettled controversy before the Board of Arbitration, or any committee of the Board of Directors or of the Exchange, unless this provision shall have been specifically waived by the Board of Directors.

I. Seller of such Membership warrants that such Membership is free and clear of all liens and encumbrances.
310.01. REJECTION OF MEMBERSHIP STATUS.

Once a Membership is purchased, the Record Owner must apply, or designate an individual to apply, for Membership at the time of purchase or place the Membership in a current Record Holder’s name. If, for any reason, the application for Membership is rejected or the Record Owner is unable to place such Membership in a current Record Holder’s name within sixty (60) calendar days, the Exchange will instruct the Record Owner to sell the Membership in question on the open market. The Record Owner shall have sixty (60) calendar days in which to complete the sale of the Membership. In the event the Membership is not sold at the end of sixty (60) calendar days, the Record Owner must take the highest bid on file with the Membership Department. In accordance with MGEX Rule 301.00.F., the Exchange will not refund the application fee. The Record Owner shall be responsible for any assessments or dues levied against the Membership during the period in which the Record Owner owns the Membership. The Record Owner shall assume all risk of gain or loss from the resale of the Membership.

312.00. CERTIFICATES OF MEMBERSHIP.

Every Member shall be entitled to receive a Certificate of Membership upon request and it shall be evidence that the Member was, on the date of issue, entitled to the privileges of an MGEX Membership, but shall not be considered evidence concerning ownership of said Membership. The sole official evidence of ownership shall be the records of MGEX.

A. In order to request a Certificate of Membership, a written request, as prescribed by the Exchange, accompanied by a fee as determined by the Exchange, must be made by the Member or by his or its heirs, executors, administrators, successor, or assigns accompanied by an assignment or by other proper and appropriate instrument or evidence of transfer, conveying ownership of such Membership from the Member.

B. The Exchange may require an affidavit from the party requesting the Certificate of Membership asserting that the affiant is the sole and absolute Record Owner of the Membership.

323.00. RIGHTS OF MEMBERS, BOARD TO DETERMINE.

Any question or dispute as to the rights or privileges conferred on a Member by Membership, or as to the interpretation of MGEX Rules and Regulations, shall be decided by the Board of Directors at a meeting of which the Member concerned shall have had notice and an opportunity to be heard, and such decision shall be final and binding.

330.00. ASSESSMENTS, DELINQUENT.

Any assessment levied upon an MGEX Membership, which has not been paid in full thirty (30) days after the due date shall become delinquent. Interest at the highest legally permissible statutory rate may accrue and be charged on all delinquent assessments from the date upon which they become delinquent, until paid.

330.01. DELINQUENT ASSESSMENT: SUSPENSION OF MEMBER.

If any assessment or any part of an assessment levied upon an MGEX Membership has become delinquent, the Record Holder and/or Record Owner shall be suspended automatically until the delinquent part of such assessment, together with the accrued interest, where applicable, has been paid.
Notice of such suspension shall be posted forthwith on the Official Bulletin Board and shall be given to Members, and a copy shall be served on the Record Holder and/or Record Owner of the Membership involved.

330.02. **DELINQUENT ASSESSMENTS: REINSTATEMENT OF MEMBER.**

The payment in full of a delinquent assessment against a Membership together with the accrued interest, where applicable, shall cancel the suspension of the Record Holder and/or Record Owner of such Membership without the necessity of action by the Board of Directors; and such Member shall be reinstated to all of the rights, privileges and benefits of an MGEX Membership, and notice to that effect shall be posted on the Official Bulletin Board.

330.03. **ASSESSMENTS: LIABILITY FOR PAYMENT.**

The Record Owner shall be liable for duly levied assessments. The Record Owner may also be liable for the accrued interest, where applicable, on any portions of such assessment that have become delinquent, but the claims of MGEX for such payments shall not be enforced against such Record Owner until the provisions of MGEX Rules and Regulations relative to the sale of a Membership for the nonpayment of assessments have been complied with.

330.04. **ASSESSMENTS DELINQUENT FOR FORTY-FIVE (45) DAYS.**

If any assessment levied upon an MGEX Membership has been delinquent for forty-five (45) days, past the posted due date, it shall be reported by the Exchange to the Board of Directors at the first meeting of the Board thereafter, and the Board shall thereupon order such Membership sold by the Exchange, as provided in **Rule 337.00**. If a Record Owner allows an assessment or part of an assessment to be delinquent twice in a two-year (2) period, the Board of Directors may order the Membership sold after the assessment has been delinquent for thirty-one (31) days past the posted due date.

330.05. **ASSESSMENTS: OWNER OF MEMBERSHIP, DECEASED OR INCOMPETENT.**

If the Record Owner was deceased or incompetent on the date on which an assessment, becomes due and payable, and if such assessment becomes delinquent, the Board of Directors shall order such Membership to be sold by the Exchange, but it may delay such sale, at its discretion, until an executor, administrator or guardian has been appointed and shall have had reasonable opportunity to act.

335.00. **LIENS UPON MEMBERSHIPS.**

Any Member to whom or to which another Member is indebted in connection with or as a result of any trade, that is subject to or governed by MGEX Rules and Regulations may file a lien to secure the payment of such indebtedness. The lien may be filed upon all MGEX Memberships of which the debtor is the Record Owner.

336.00. **REQUEST FOR SALE OF A MEMBERSHIP TO SATISFY LIENS.**

Any Member claiming to have a lien against a Membership may, if the indebtedness or obligation upon which such claim is based has been due and payable for more than ninety (90) days, file a claim for such lien, together with a request that the Membership be sold for the satisfaction thereof.

Such claim, together with a statement of the amount thereof, shall be filed with the Exchange.
Such claim shall be heard and determined in accordance with the provisions of Rule 336.01. and, if it or any portion is determined to be valid, the Board of Directors shall order the Membership to be sold by the Exchange under the provisions of Rule 337.00.

336.01. HEARING ON REQUEST FOR SALE OF A MEMBERSHIP TO SATISFY LIENS.

If a request for the sale of a Membership to satisfy liens has been filed as provided in Rule 336.00., there shall be a meeting of the Board of Directors after due notice thereof for the purpose of hearing such request and the claim upon which it is based, and any other claims for liens duly filed against such Membership, and determining if such claims, or any portions thereof, are valid.

Notice of the time, place and purpose of such meeting shall be served on the claimants and the Record Owner involved; given to Members; and posted on the Official Bulletin Board at least ten (10) days before such meeting.

Any other Member claiming to have a lien against such Membership must file such claim for lien prior to such meeting; and, failing to do so, will be deemed and held to have waived his or its rights to such lien.

At such meeting the Board of Directors shall examine all claims for liens against the Membership that have been duly filed and shall hear fully all claimants and the Record Owner, if they shall appear. The Board shall determine which claims are valid under the provisions of MGEX Rules and Regulations, and such determination shall be final and binding on all parties.

Such meetings of the Board of Directors may be adjourned from time to time at the discretion of the Board.

337.00. SALE OF A MEMBERSHIP BY THE EXCHANGE.

If the Board of Directors shall have ordered the sale of an MGEX Membership, a meeting of the Record Owners shall be called for such purpose after ten (10) days' due notice thereof. Such notice shall state the date, time, place and purpose of such meeting, and shall be given to Members; posted on the Official Bulletin Board; and served on the Record Owner of the Membership.

If the Membership is to be sold to satisfy delinquent assessments, the notice shall call attention to provisions of Rule 338.00. relative to filing of claims for liens.

At such meeting the Membership shall be sold to the highest bidder. When appropriate, the highest existing bid from a non-member shall be included in the auction.

The Board of Directors, pursuant to authority granted by Rule 361.00. may, at its discretion, cause a bid or bids to be made for the Membership in the name of MGEX; and, in the event that the Membership is being sold to satisfy delinquent assessments and if no other bids have been received, the Board shall cause a bid, at a figure as determined by the Board, to be so made.

If more than one Membership is to be sold at any one meeting of the Record Owners, the order in which such Memberships shall be offered for sale shall be determined by lot.

After such sale, the former Record Owner of such Membership shall be deemed to have forfeited and relinquished the rights, benefits and privileges conferred by such Membership, and all rights, title and interest in and to such Membership.
338.00. CLAIMS AGAINST A MEMBERSHIP TO BE SOLD TO SATISFY DELINQUENT ASSESSMENTS.

Any Member claiming under the provisions of MGEX Rules and Regulations to have a lien against a Membership that is to be sold by the Exchange to satisfy delinquent assessments, must file a claim for such lien with the Exchange, together with a statement of the amount thereof, prior to the meeting at which such Membership is to be sold; and, failing to do so, will be deemed and held to have waived his or its right to such lien.

If any claims for liens have been so filed, the Board of Directors shall hold a meeting as soon after such sale as is practicable to hear and determine which claims for liens are valid. Notice of the time, place and purpose of such meeting shall be served on the claimants, and on the Record Owner of the Membership.

339.00. STOPPING THE SALE OF A MEMBERSHIP.

If, at any time prior to the actual sale of a Membership, that part of the assessment, if any, upon such Membership that has been delinquent for forty-five (45) days, together with accrued interest shall have been paid; or if the liens to satisfy which the Membership was to be sold have been satisfied, the proceedings for the sale shall be stopped, and notice to that effect shall be given to Members and posted on the Official Bulletin Board.

340.00. MEMBERSHIP SOLD BY THE EXCHANGE: APPLICATION OF PROCEEDS.

When and if a Membership has been sold by the Exchange, whether to satisfy delinquent assessments or liens, the proceeds of such sale shall be applied as follows:

A. First: To the payment of unpaid assessments that have been levied against such Membership and that have become due and payable at the time of such sale, together with fines, accrued interest on any portions of such assessments that have become delinquent, and any fines assessed against the Record Owner and/or Record Holder or any other debts due to MGEX.

B. Any portion of the proceeds remaining, after the payments prescribed in Subsection A. have been made in full, shall be applied to the payment of liens, if any, which have been determined to be valid by the Board of Directors; and, if such proceeds will not pay all of such liens in full, they shall be applied pro rata to such liens;

C. After the payments prescribed in Subsections A. and B. have been made in full, any portion of such proceeds remaining shall revert to MGEX.

360.00. ORIGINAL MEMBERSHIPS: GENERAL ISSUANCE OF.

The number of MGEX Memberships may be increased and the Exchange has the right to sell original Memberships at a price to be determined by the Board of Directors. The person to whom such Membership is to be issued must comply with all the terms and conditions of MGEX Rules and Regulations concerning admission to Membership and recording the ownership of a Membership. The number of outstanding Memberships shall not exceed six hundred (600) unless an increase is approved by a vote of the Ownership.
361.00. PURCHASE AND RETIREMENT OF MEMBERSHIPS.

The Board of Directors is hereby authorized to offer to purchase and purchase MGEX Memberships, as available, at a price determined by the Board, whenever in its opinion the necessary funds are available and the best interests of MGEX will be advanced by such purchase.

363.00. APPLICATIONS AND REQUESTS, SUPPORT OF.

Persons who have signed the Application for Membership, Request to Transfer and Record the Ownership of a Membership form, Application for Cash Trading Privileges or Application of Clearing Privileges shall answer such questions and furnish such information pertinent to the consideration of and in support of such applications or requests and shall make such personal appearances as the Board of Directors or the Exchange may require.

364.00. WITNESSES, ATTENDANCE OF.

Every Member, upon whom or which a notice or citation, issued by an officer of the Exchange or by any duly constituted committee of the Exchange, has been duly served, shall appear and testify and produce his or its books, papers, records or other documents that are pertinent to the case in hearing, as required by such notice or citation; and, when testifying, shall answer any question that is proper and pertinent to the case in hearing. It is, however, hereby provided that no witness shall be required to answer any question if the answer would incriminate him.

365.00. VIOLATION OF AGREEMENTS: FRAUDULENT REPRESENTATION OR CONCEALMENT.

The making of any fraudulent representation or concealment in the Application for Membership form, a Request to Transfer and Record the Ownership of a Membership form, the Application for Cash Trading Privileges form, the Application for Clearing Privileges form, or in any information given or statements made in connection with any such applications or requests shall be deemed a violation of MGEX Rules and Regulations.

Any violation by any Member or Person, or any agreement made by such Member or on behalf of such Person, in connection with the Application for Membership form, a Request to Transfer and Record the Ownership of a Membership form, the Application for Cash Trading Privileges form, or the Application for Clearing Privileges form shall be deemed a violation of MGEX Rules and Regulations.

366.00. NOTICES REGARDING MEMBERSHIP, ETC.

Notice shall be given to Members, and posted upon the Official Bulletin Board, of all requests for transfer, suspension or expulsion of Members, or granting or cancellation of cash trading privileges or clearing privileges.

368.00. COMMODITY EXCHANGE ACT RULE.

A. In order to comply with the Act of Congress known as the Commodity Exchange Act, and the regulations of the Commodity Futures Trading Commission promulgated thereunder, it is hereby provided that all MGEX Rules and Regulations shall be construed with reference to, and shall be subject to and modified by, the provisions of said Act and regulations.
B. The Exchange and every Member and Person shall make and file such reports and keep such books, and records for such a period of time as may be required pursuant to authority set forth in the Commodity Exchange Act as amended, and regulations promulgated thereunder, including, but not limited to, the authority contained in subdivision (b) of Sec. 5 of said Act, and shall keep such books and records open to inspection by any duly authorized representative of the Commodity Futures Trading Commission or the United States Department of Justice.

C. Neither the Exchange, nor any Member or Person shall disseminate any false, misleading, or knowingly inaccurate reports concerning crop or market information or conditions that affect, or tend to affect, the price of any commodity.

D. No Member or Person shall manipulate, or attempt to manipulate, prices of commodities traded on this Exchange, nor corner, nor attempt to corner, any of such commodities.

E. Any Member or Person, who or which has been deprived of the privilege of trading in contract markets under subdivision (b) of Sec. 6 of the Commodity Exchange Act as amended, shall be refused all privileges of trading on this Exchange for such period of time as specified in the Order of the Commodity Futures Trading Commission against such Member or Person.

F. No Member or Person shall accept or execute an order from any Person who or which has been deprived of the privilege of trading in contract markets under subdivision (b) of Sec. 6 of the Commodity Exchange Act as amended.

369.00. DISSEMINATION OF INFORMATION.

Members and Market Participants shall be held to strict account for the reliability and accuracy of the statements and information which they disseminate.

Members and Market Participants must word or phrase all circulars, letters, Reports of Cash Sales, or other information so as to convey an accurate impression as to values of commodities in this market, and avoid conveying misinformation or erroneous implications as to such values. Specific values of cash commodities must not be reported in such a way as to create a false impression regarding values generally.

For example, giving a false impression regarding values such as sales of cash commodities of certain test weight, or having some particular characteristic or other factor that contributes to value, must not be reported in such a manner as to convey the impression that all commodities of the same kind and test weight, or having the same particular characteristic or factor, are of equal value.

Members and Market Participants, and their employees, must not directly or indirectly, by innuendo or otherwise, participate in the circulation of any rumors adversely affecting any Person. Only facts capable of substantiation may be reported.

370.00. LIMIT ON OWNERSHIP OF MEMBERSHIPS.

No Record Owner or related person of any Record Owner, as defined below, may own directly, indirectly, or through an affiliate (i.e., a Person that directly or indirectly through one or more
intermediaries controls, or is controlled by, or is under common control with such Record Owner), more than thirty-five percent (35%) of outstanding Memberships at any one time. The term "related person" used to indicate a relationship with any Record Owner means:

A. Any partner, director, officer, or other employee of such Record Owner;

B. Any corporation or organization (other than the corporation or a majority-owned subsidiary of the corporation) of which such Record Owner is an officer or partner, or is directly or indirectly, the beneficial owner of ten percent (10%) or more of any class of equity securities;

C. Any trust or other estate in which such Record Owner has a beneficial interest of ten percent (10%) or more or as to which such Record Owner serves as trustee or in a similar fiduciary capacity;

D. Any immediate family member (i.e., a spouse, children, stepchildren, parents, and siblings) of such Record Owner, or any immediate family member of such Record Owner’s spouse, in each case, who has the same home as such Record Owner;

E. Any immediate family member of the persons set forth in paragraph (A) of this Rule, or any immediate family member of such person’s spouse, in each case, who has the same home as such person;

F. Any employee of the Exchange, or any entity in which an employee of the Exchange has a financial interest.

371.00. MGEX DEFENSE EXPENSES.

Any Member or Market Participant who fails to prevail in a lawsuit or any other type of legal proceeding instituted by that Member against MGEX or any of its officers, directors, committee members, employees or agents must pay to MGEX all reasonable expenses, including attorney's fees, incurred by MGEX in the defense of such proceeding.

372.00. DELEGATION.

A Record Owner may lease the rights and privileges of Membership to an individual (Delegate) on the following conditions:

A. The Delegate shall be approved by the Exchange under the standards of Rules 300.00. and 301.00. The Delegate shall sign a written agreement to observe and be bound by MGEX Rules and Regulations and all amendments subsequently made thereto.

B. The Delegation Agreement and any amendment(s) thereto shall be in writing in such form as the Exchange may prescribe and a copy shall be filed with the Exchange. However, the Delegation Agreement shall automatically be nullified if there is a loss of any of the qualifications for entering a Delegation Agreement, such as sale of the Membership by the Record Owner or expulsion of the Record Owner or Delegate. In the event the Record Owner sells its Membership, the Delegate shall have thirty (30) days from the effective date of ownership change to enter into another Delegation Agreement and the transfer fee shall be waived.
C. The Record Owner shall remain liable for all assessments and dues.

D. A Record Owner who has delegated his/her Record Holder privileges shall not have physical access to the Exchange Room during the period the Membership has been leased, unless he/she is a Record Holder of another Membership, or registers as a visitor.

E. No Delegation Agreement shall have a term of less than ninety (90) days.

F. A Delegate is limited to trading for his/her own account. A Delegate may not act as a Broker under Regulation 2055.02.

G. The Delegate shall deposit with the Exchange an amount of money to be determined by the Exchange. The deposit is to be held for the term of the lease. The deposit shall be refunded at the end of the lease if the Delegate has no outstanding debts due to MGEX or lease payments due the Record Owner. Claims by MGEX shall be satisfied first with any surplus to be made available to the Record Owner to satisfy lease payments. (See Resolution 372.00.)

H. A Delegate shall pay an fee each month unless said Delegate trades a minimum number of MGEX Futures and/or Options contracts. The Board of Directors shall determine the fee to be paid and the minimum number of contracts to be traded. (See Resolution 372.00.)

I. Unless renegotiated, upon expiration or default of a Delegation Agreement, the Membership shall be transferred into the name of the Record Holder designated by the Record Owner. If the individual designated as Record Holder is not a current Record Holder, he/she will have to apply for Membership.

J. No Delegate or former Delegate shall enter into a Delegation Agreement or a renewal thereof if there are any unpaid debts due to MGEX or lease payments due the Record Owner until such debts have been satisfied or reviewed to the satisfaction of the Exchange.

K. No Delegate will be eligible to serve on the Board of Directors.

CHAPTER 4
ARBITRATION - CASH TRADES OR MEMBERS’ FUTURES (OPTIONS)

400.00. ARBITRATION POOL.

The Arbitration Pool shall consist of twenty (20) or more persons, all of whom shall be Members of the Corporation. The Chairman of the Corporation shall recommend persons to serve during his term of office. Only persons serving on the Arbitration Pool shall be eligible to serve on a Board of Arbitration. Upon appointment each person will complete the Arbitrator Profile Form (see Form 4-00.00) submitting the same to the Secretary of the Corporation.

401.00. BOARD OF ARBITRATION.

Following the filing of a complaint with the Secretary of the Corporation, the President or Secretary of the Corporation shall select five (5) persons from the Arbitration Pool, who shall hear and decide the dispute between the parties. The five (5) persons thus selected shall constitute the Board of Arbitration for that matter and shall have all the powers and duties as are set forth in these Rules. Each Board of Arbitration Member once appointed must submit to the Secretary of the Corporation an Impartiality Form (see Form 4-01.00).

401.01. CODE OF ETHICS.

All Arbitrators shall receive and be responsible for understanding and following the "Code of Ethics for Arbitrators in Commercial Disputes," as published by the American Bar Association/American Arbitration Association. This will be provided by the Exchange at the time of Arbitrator selection.

402.00. BOARD OF ARBITRATION: DUTIES AND POWERS.

All disputes that arise out of trades, contracts, agreements or other transactions that are governed by or made subject to the Charter, Rules, Regulations, customs or usages of the Corporation, shall be settled by arbitration before a Board of Arbitration unless the parties to such trades, contracts, agreement or other transactions expressly agree otherwise.

No Board of Arbitration shall have jurisdiction to hear and decide any disputes governed by Chapter 5.

Refusal by a Member or Market Participant to submit any such dispute to arbitration (upon demand by the opposite party) shall constitute a violation of the MGEX Rules and Regulations.

403.00. BOARD OF ARBITRATION: DISQUALIFICATION OF MEMBERS.

No person shall serve as a member of a Board of Arbitration when any dispute or difference in which he has a financial, personal or prejudicial interest or concern is before such Board for hearing and decision. For the purpose of this Rule, a financial interest shall include not only that of the member himself but also that of a partner, a dependent, a firm of which he is a copartner or employee or a corporation of which he is an officer, stockholder, director or employee. The other members of the particular Board of Arbitration involved shall determine whether any member has such financial, personal or prejudicial interest.

After selecting the arbitrators to hear a dispute or difference, the President or Secretary of the Corporation shall notify each party in writing of the names and company affiliations of the arbitrators who will hear said case. The Arbitrator Profile Form (see Form 4-00.00) and the Impartiality Form (See Form 4-01.00), will additionally be provided at this time. Upon receipt of such notice, either party to the case may challenge the appointment of a member for prejudicial or other causes within ten (10) business days of receipt of said notice. Upon the determination that such a challenge is valid, the President or Secretary shall replace such member in accordance with Rule 404.00, and shall inform both parties.
404.00. BOARD OF ARBITRATION: APPOINTMENT OF ALTERNATES.

If a Board of Arbitration determines that it is improper for certain of its members to serve during the hearing or decision of a dispute, or if any of its members shall be unable to serve during a hearing or decision, the President or Secretary of the Corporation, upon request of that Board of Arbitration or the parties to the dispute, shall appoint to the Board of Arbitration from the Arbitration Pool as many persons as are necessary to take the places of persons who may not or cannot serve on that particular Board of Arbitration. When so appointed, such persons shall have all the powers and duties of the members of the Board of Arbitration whom they replaced.

405.00. BOARD OF ARBITRATION: QUORUM.

Three (3) members of the Board of Arbitration appointed to hear and decide a particular dispute shall constitute a quorum for the transaction of business. The majority decision of a quorum shall constitute the decision of the Board of Arbitration in any matter. PROVIDED, however, that no dispute shall be heard before and decided by any Board of Arbitration upon which fewer than five (5) members are sitting, without the written consent of all parties to such dispute.

406.00. BOARD OF ARBITRATION: FAILURE OF MEMBER OF BOARD TO ATTEND MEETINGS.

Members of a Board of Arbitration that is appointed to hear and decide a particular dispute failing to attend any duly scheduled hearing of that Board of Arbitration shall be fined by the other members of that Board of Arbitration a sum of monies not to exceed two-hundred fifty dollars ($250.00), (for use by the Corporation) for each time that member fails to appear, unless an excuse satisfactory to the other members of the Board be made.

410.00. BOARD OF ARBITRATION: FORM OF COMPLAINT.

Any Person desiring to submit a dispute to a Board of Arbitration appointed pursuant to these Rules shall file a written Complaint, (see Form 4-10.00), or Petition for Joint Arbitration (see Form 4-10.01) made under oath and in duplicate, with the Exchange, the introductory part of which shall be substantially as in Form 4-10.00 or 4-10.01.

410.01. TIME OF COMPLAINT.

Such complaint or petition, as described in Rule 410.00, shall be filed within two (2) years after the date of the transaction from which the dispute arose.

411.00. BOARD OF ARBITRATION: SERVICE OF COMPLAINT.

A copy of the Complaint or Petition, referred to in Rule 410.00, shall be served on the Respondent as provided in Rule 218.02. In no event shall such service be delayed beyond five (5) business days from receipt thereof.

In the hearing on any dispute between a Member, Clearing Member, or an entity having trading privileges and another Member, Clearing Member, or entity having trading privileges, the Board of Arbitration shall not hear or consider any matters of dispute between the parties as offsets or counterclaims or otherwise unless such matters are directly connected with the matter set forth in the Complaint.

In the hearing on any dispute between a Member, Clearing Member, or an entity having trading privileges and a nonmember, the Board of Arbitration shall also hear and decide any matters of dispute between the parties proper to be considered by the Board as offsets or counterclaims or otherwise that have been submitted for arbitration in the Complaint or Answer, and evidence and testimony relative to such matters may be introduced before the Board.

A complaint or response filed by an attorney shall constitute notification of either party's intention to be represented by an attorney to the Secretary of the Corporation and parties to the arbitration. This notice of intention may be waived by the Board of Arbitration, but such waiver may result in a delay of the hearing date.

425.00. BOARD OF ARBITRATION: WITNESSES, CITATIONS.

A. The term "Claim or Grievance" shall mean any dispute that arises out of any transaction for the purchase or sale of any commodity for future delivery on or subject to the MGEX Rules and Regulations executed by or effected through any Member or Clearing Member or employee thereof, which dispute does not require for adjudication the presence of essential witnesses or third parties over whom the Corporation does not have jurisdiction and who are not otherwise available;

B. The terms "Customer" and "Customers" shall mean any Person with a Claim or Grievance against a Member, Clearing Member, or employee thereof; PROVIDED, however, that "Customer" and "Customers" do not include such Members or Clearing Members of the Corporation.

501.00. CUSTOMER CLAIMS ARBITRATION PANEL: DUTIES AND POWERS.

The Customer Claims Arbitration Panel shall have jurisdiction to hear and decide all Customer Claims and Grievances involving an amount in controversy and any counterclaim that is properly submitted to it pursuant to the provisions of Rule 512.00.

Refusal by a Member or Clearing Member to submit any such Claim or Grievance to arbitration (upon demand by any Customer) shall constitute a violation of the MGEX Rules and Regulations.

The Customer Claims Arbitration Panel shall decide any Claim or Grievance submitted to it in accordance with the facts disclosed by competent evidence and pursuant to the Charter, Rules Regulations, usages and customs of this Corporation. Ex parte contacts by any of the parties with members of any panel shall not be permitted.

501.01. CODE OF ETHICS.

All Arbitrators shall receive and be responsible for understanding and following the "Code of Ethics for Arbitrators in Commercial Disputes," as published by the American Bar Association/American Arbitration Association. This will be provided by the Exchange at the time of Arbitrator selection.

502.00. CUSTOMER CLAIMS ARBITRATION PANEL: COMPOSITION.

Except as provided in Rules 503.00. and 504.00., the Customer Claims Arbitration Panel shall consist of three (3) members, all of whom are Members of the Corporation, whose principal business activity is related to futures and options trading. A Customer Claims Arbitration Panel shall be appointed by the President or Secretary of the Corporation to hear each individual case submitted for arbitration pursuant to this Chapter. Each Customer Claims Arbitration Panel Member once appointed must submit to the Secretary of the Corporation an Impartiality Form (see Form 5-02.00.)
503.00. CUSTOMER CLAIMS ARBITRATION PANEL: ELECTION OF PUBLIC MEMBERS, NOTICE.

Upon receipt of a written Complaint as directed to the Secretary of the Corporation shall inform the Complainant in writing:

A. That he has a right to demand that the Panel be comprised of a majority of persons who are not Members, and who are not associated with any Members or Clearing Members or employees thereof, and who are not otherwise associated with the Corporation;

B. That such right must be exercised by written demand to be sent to the Secretary of the Corporation within ten (10) business days after the date upon which the Secretary’s notice is received by Complainant;

C. Of the nature and amount of any other fees or costs that may be assessed against him if a dispute is submitted for arbitration pursuant to this Chapter. The Complainant shall bear no additional costs for choosing a mixed panel, unless the arbitrators in a particular proceeding determine that the customer has acted in bad faith in initiating or conducting that proceeding.

Upon receipt of a demand for a panel comprised of a majority of public members, in accordance with this Rule, the Secretary of the Corporation shall select two (2) persons from the public who meet the qualifications of this Rule, and the Panel, which thereafter hears and decides the particular Claim or Grievance, shall be comprised of such persons, together with one (1) other member appointed by the President or Secretary of the Corporation as provided in Rule 502.00.; PROVIDED that no member may serve on any Customer Claims Arbitration Panel if he is disqualified from hearing or deciding the Claim or Grievance under the provisions of Rule 504.00.

504.00. ARBITRATION PANEL: DISQUALIFICATION OF MEMBERS.

No person shall serve as a member of the Customer Claims Arbitration Panel when any Claim or Grievance in which he has a financial, personal or prejudicial interest or concern is before such Panel for hearing and decision. For the purpose of this Rule, a financial interest shall include not only that of the member himself, but also that of a partner, a dependent, a firm of which he is a copartner or employee or a corporation of which he is an officer, stockholder, director or employee.

A copy of such Answer and/or Reply shall be served on the Complainant or Respondent, as the case may be, as soon as is practicable.

513.00. FAILURE OF RESPONDENT TO ANSWER.

If the Respondent fails to answer within the time provided and has not been granted further time, the Customer Claims Arbitration Panel shall, upon the filing of proof of the service of the Complaint on such Respondent, proceed to hear and decide the Complaint on the basis of the evidence and testimony available under the circumstances.

514.00. FORM OF ANSWERS.

At any time during the course of an arbitration, the arbitrators may, at the joint request of the parties involved, dismiss the proceeding and refer the parties to the remedies provided by law.

Arbitrators shall have the right to subpoena documents when necessary and may apply reasonable sanctions for noncompliance with such subpoena orders or any other reasonable requests or orders to provide documents.

The names of all witnesses shall be furnished to the Customer Claims Arbitration Panel and be made available to all parties through this forum.

518.00. PRE-HEARING MEETING.

The Customer Claims Arbitration Panel shall schedule a pre-hearing meeting to select a chairman from among its members, determine appropriate hearing dates and address any other issues deemed to be appropriate.

520.00. DATE OF HEARING.

A complaint or response filed by an attorney shall constitute notification of either party's intention to be represented by an attorney to the Secretary of the Corporation and parties to the arbitration. This notice of intention may be waived by the Arbitration Panel and may result in a delay of the hearing date.

525.00. WITNESSES, CITATIONS.

The Customer Claims Arbitration Panel may issue notices or citations requiring any Member or Clearing Member to appear before it and to answer any question that is proper and pertinent to the matter under arbitration and to submit to it for examination any of his or its books, papers, records or other documents that are pertinent to the matter under arbitration; PROVIDED, however, that no witness shall be required to answer any question if the answer would incriminate him. The Panel may exclude any evidence or testimony it deems incompetent, irrelevant or immaterial, and all findings must be based on competent evidence.

535.00. FEES AND COSTS, AWARDING OF.

The fees for each hearing brought before a Customer Claims Arbitration Panel shall be the amount that the Board of Directors of the Grain Exchange may, from time to time, determine by regulation.

The amount involved shall be based on the amount asked in the Complaint; and, in cases in which the payment of money is neither asked in the Complaint nor awarded, the fees shall be at the discretion of the Customer Claims Arbitration Panel, but in no case more than the maximum set by Regulation (see Regulation 2054.01.).

All fees referred to in Regulation 2054.01. shall be paid in advance to the Corporation in each case, and such fees shall be retained by the Corporation whether the case is heard or not. Fees are not to be applied against costs of hearing any case. Any costs assessed, pursuant to Regulation 503.00., Subsection C., and all additional costs that may be incurred in the hearing of any case before the Customer Claims Arbitration Panel, shall be assessed to either of the parties to the Claim or Grievance as may be decided by the Panel hearing the case and shall be included in its Award.

536.00. FAILURE TO PAY.

Failure to pay the full amount of the award and/or assessment of costs to the Exchange, as escrow agent, within thirty (30) days of notice of the award and/or assessment of costs, shall be deemed to be a failure to perform an Exchange contract in accordance with Exchange Rule 827.00.

FUTURES AND OPTIONS TRADING

700.00. FUTURES AND OPTIONS CONTRACTS: CLEARING OF.

All Futures and Option Contracts made in this market, including all "Scratch" trades, must be made in the name of and between Clearing Members, and all such contracts must be submitted to the Clearing House.

All such contracts that have been accepted for clearing shall be subject to the Rules and Regulations of the Minneapolis Grain Exchange and to the exercise of the powers reserved therein to the Minneapolis Grain Exchange.

701.00. CLEARING HOUSE: SUBSTITUTION OF.

In every case where Futures and Options Contracts have been accepted for clearing by the Clearing House, the Clearing House shall thereupon be substituted as Buyer to the Seller, and as Seller to the Buyer, and (except as provided in Rule 805.00.) shall have all the rights and be subject to all the liabilities under the contracts of the original Clearing Member parties with respect to such contracts.

702.00. CLEARING HOUSE: SUBSTITUTIONS FOR.

If Futures Contracts are not offset and a Clearing Member being a Seller tenders a Delivery Notice to the Clearing House and the Clearing House in good faith passes such notice to another Clearing Member who is a Buyer (all as provided in Chapter 8), the Clearing Member who tenders such notice shall be substituted in lieu of the Clearing House as Seller to such Buyer on the contracts.

703.00. CLEARING HOUSE: OFFSETS.

In case a Clearing Member buys and sells the same commodity for the same delivery, the Clearing House shall offset such contracts to the extent of their equality and the Clearing Member shall be deemed a Buyer from the Clearing House to the extent that his purchases exceed his sales, or a Seller to the Clearing House to the extent that his sales exceed his purchases.

704.00. GIVE-UPS.

A Market Participant must have prior permission from a Clearing Member to give-up the Clearing Member’s name for a trade executed. A Clearing Member whose name is so given up must enter the trade into the Clearing House in his name.

710.00. FUTURES CONTRACTS: COMMODITIES.

Unless prohibited by the Board of Directors, under authority granted by the Rules, contracts for future delivery in this market may be made in any commodity for which Contract Grades have been established by Rule and approved by the Commodity Futures Trading Commission.

PROVIDED, however, that when a new Contract Grade has been adopted, trading in contracts based on such new grade shall not begin until authorized by Rule or by the Board of Directors.
711.00. **FUTURES CONTRACTS: GRADES DELIVERABLE.**

All Futures Contracts made in this market shall call for the delivery of a Contract Grade, or other Deliverable Grade, of the commodity in accordance with the provisions of Rules 802.00. and 803.00.

712.00. **FUTURES AND OPTIONS CONTRACTS: QUANTITIES TRADED IN.**

All Futures and Options Contracts made in this market must be for such quantities of the commodity as specified in the contract as may, under the Rules, be delivered on such contracts. (See Rule 801.00.)

713.00. **FUTURES AND OPTIONS CONTRACTS: PRICE BASIS.**

A. Futures Contracts. The minimum fluctuation shall be one-quarter (1/4) cent, including spreads.

B. Options on Futures Contracts. The minimum fluctuation shall be one-eighth (1/8) cent, including spreads.

714.00. **FUTURES AND OPTIONS CONTRACTS: TIME AND PLACE FOR MAKING.**

Except in the case of non-competitive trades, all purchases and sales, and all offers to purchase or sell commodity Futures must be made electronically and all purchases and sales, and all offers to purchase or sell Hard Red Spring Wheat Options in this market must be made electronically or by open outcry in the Pit during the Hours of Trading.

Members and Market Participants are hereby prohibited from assembling in any place, public or private, other than in the Pit or designated area to form a market for the purpose of making purchases or sales or offers to purchase or sell commodity Futures or Options and any Member or Market Participant, who or which shall make or offer to make any such purchases or sales in the manner herein prohibited, shall be deemed to have violated this Rule 714.00.

715.00. **MONTHS TRADED IN.**

The months available for trading in Spring Wheat Futures and the number of months available for trade at one time shall be determined by the Board of Directors. See Regulation 2010.00.

715.01. **TRADING IN DELIVERY MONTH.**

No trades in Hard Red Spring Wheat futures contracts that are deliverable in the current month shall be made after the business day preceding the fifteenth (15th) calendar day of that month. Any futures contracts remaining open after the last day of trading must be:

A. settled by delivery no later than the seventh (7th) business day following the last trading day, or

B. liquidated pursuant to Regulation 2011.02.
717.00. OPTIONS CONTRACTS: ACCEPTANCE OF OFFERS.

All offers to purchase or sell commodity Futures or Options in this market shall be open for immediate acceptance by any Member (but only in the name of a Clearing Member), and such offers shall not be restricted to or specified for any particular Member as against any other Member.

An offer to buy or sell any commodity for future delivery shall be deemed an offer to buy or sell all or any part of the quantity specified in the offer and shall be subject to total or partial acceptance up to the total quantity bid for or offered.

718.00. "TRANSFER" OR "OFFICE" TRADES: DEFINITIONS.

"Transfer" trades and "Office" trades shall be limited to the following transactions:

A. Transactions made for the purpose of (1) transferring open Futures or Options Contracts from one account to another on the books of the same Clearing Member where no change in ownership is involved; or (2) transferring open Futures or Options Contracts from an account on the books of one Clearing Member to another Clearing Member where no change of ownership is involved; PROVIDED, however, that no such transfer shall be made after receipt from the Exchange of a delivery Notice on such contracts if such transfer is for the apparent purpose of avoiding delivery on such contract;

B. Transactions consisting of the exchange or transfer of Futures Contracts in connection with cash commodity transactions or transactions consisting of the exchange of Futures for cash commodities.

C. Transactions consisting of the exchange or transfer of Futures Contracts in connection with risk transactions or transactions consisting of the exchange of Futures for risks.

All records and memoranda pertaining to "Transfer" and "Office" trades shall be marked or identified by appropriate symbols or designations. All "Office" trades, where such trades remain on the books of one and the same Clearing Member and where no change in ownership is involved, may or may not be cleared at the discretion of the Clearing Member. All "Transfer" trades, which involve two Clearing Members in which no change of ownership is involved, shall be included and identified in daily reports to the Exchange. "Transfer" trades involving the transfer of a customer’s positions and related collateral from an account on the books of one Clearing Member to another Clearing Member shall not require the close-out and re-booking of the positions prior to the requested transfer; PROVIDED, the following conditions are met: (1) The customer instructed the carrying Clearing Member to make the transfer, and (2) the receiving Clearing Member has consented to the transfer.

718.01. OFFSETS AND TRANSFER TRADES.

Except by same day trade activity, existing futures positions in a delivery month may not be offset during the period beginning two (2) business days prior to the delivery month and continuing through the end of the delivery month. Clearing Members will be responsible for compliance with this requirement by their omnibus accounts. This prohibition also applies to transfer trades where no change in ownership is involved when the date of execution or exercise of the position being transferred is not the same as the transfer date. Such positions are required to be offset by trading.
If such positions are carried on the books of different Clearing Members, the receiving Clearing Member is responsible for compliance with this Rule.

**719.00. EXCHANGE OF FUTURES FOR, OR IN CONNECTION WITH, PHYSICAL AND RISK TRANSACTIONS.**

A. Exchange for Physical Transaction

An exchange of futures for, or in connection with, a physical ("EFP") consists of a cash commodity transaction and a futures transaction.

B. Exchange for Risk Transaction

An exchange of futures for, or in connection with, a risk (an over-the-counter (OTC) derivative or a swap agreement) ("EFR") consists of two separate, but related, transactions; a risk transaction and a futures transaction. At the time such transaction is effected, the buyer and the seller of the futures transaction must be the seller and the buyer of the risk transaction. The risk component shall involve the commodity underlying the futures contract (or any derivative, by-product or related product of such commodity). The quantity or economic value covered by the risk transaction must be approximately equivalent to or bear a relationship to the quantity or economic value covered by the futures contracts. The risk component of an EFR transaction must comply with Part 35 of Commission Regulations and the Commodity Exchange Act, as amended.

C. Each buyer and seller must satisfy the Department of Audits and Investigations, at its request, that the transaction is a bona fide EFP or EFR transaction. Upon request of the Department of Audits and Investigations, all documentary evidence relating to the EFP or EFR, including, but not limited to, contracts, confirmations, invoices, warehouse receipts, documents of title, a master swap agreement and any supplements thereto, or any other document that demonstrates the existence and nature of the over-the-counter or derivative transaction shall be obtained by the Clearing Members from the buyer or seller and submitted to the Department of Audits and Investigations.

D. An EFP or EFR may be made at such prices as are mutually agreed upon by the two parties to the transaction. If the price of an EFP cannot be mutually agreed upon by the date of shipment, the cash commodity buyer has the option to set the price within that day's trading range.

E. An EFP or EFR executed during the Hours of Trading of the underlying futures contract must be submitted the same day for clearing. An EFP or EFR executed after the close of trading of the underlying futures contract must be submitted for clearing no later than the next business day.

F. The futures contracts that may be exchanged for a physical or a risk transaction, and the last day and time for executing an EFP or EFR shall be determined by the Board of Directors.

(See **Resolution 719.00.**
725.00. QUOTATIONS BASED ON TRADES.

Quotations of prices in Futures and Options Contracts made in this market shall be based on purchases or sales of such quantities as the Board of Directors shall have prescribed for each commodity, from time to time, by Regulation.

725.01. REPORTING OF TRADES.

Each party to an Options transaction made competitively in the Pit must promptly notify the Market Observer(s) of the price at which the trade has been executed.

726.00. "FAST" QUOTATIONS.

The symbol "FAST," when used in connection with market quotations, shall mean that a condition in the market similar, but not limited to the following, exists:

A. Larger than normal price changes between Pit reported trades. "Normal price changes" is defined as orderly minimum tick moves in the most active contract months.

B. Market is bid up or offered down rapidly. A market condition may occur with momentary spurts of bids and/or offers which may not be considered a "FAST" market.

C. Trades, bids or offers are occurring too rapidly to be fully reported. However, during a "FAST" market every effort must be made to comply with Rule 725.01.

The Exchange shall be the judge of when the symbol shall be used, and any trades made at intervening prices are to be considered officially quoted. The Market Observer(s) shall signal an end to the "Fast" market when appropriate.

After the "FAST" market is invoked, the Market Observer(s) will report the market to the best of their ability. The quotations during the "FAST" market shall be duly noted in the official time and sales.

727.00. "FAST" QUOTATIONS-UNEXECUTED ORDERS.

Whenever price fluctuations of the commodities traded on the Exchange are "FAST" and the volume of business is large, it is common that different prices are bid and offered for the same delivery in different parts of the Pit at the same time. This may, at times, result in the execution by Members of orders at prices not officially quoted, or the inability of a Member to execute an order at a limited price. This is unavoidable, but is in no way the fault of the Member and it is not permissible for Members to readjust the price at which orders have been filled, nor to report as filled orders those that have not been filled. To do so is a major offense.

Quotations sent must be based on transactions made in the open market. The term "open market" is defined as a bid or an offer openly and audibly made by public outcry and in such manner as to be open to all Members in the Pit.
Any quotations based on transactions made in the open market, already distributed or sent out over 
the wire, shall not be cancelled.

728.00. QUOTATION CHANGES.

The Exchange may make quotation changes when required as a result of an error or at any other 
time deemed necessary.

A. The Exchange may approve the change of an opening range only within 
   thirty (30) minutes after the opening of a specific contract month.

B. The Exchange may approve the change of a closing range only within fifteen 
   (15) minutes after the closing of each contract traded.

730.00. PREARRANGED PRICES PROHIBITED.

Purchase or sales or offers to purchase or sell commodity futures or options in this market may not 
be made at prearranged prices.

731.00. BIDS AND OFFERS ABOVE OR BELOW CURRENT MARKET.

Market Participants are forbidden to offer to buy any commodity Futures or Options on this 
Exchange at a price higher than the current asking price, or to offer to sell any commodity in Futures 
or Options on the Exchange at a price below the current bid price. See Interpretation.

732.00. FICTITIOUS BIDS OR OFFERS PROHIBITED.

No Member or Market Participant shall make any bids or offers in commodity futures or options in 
this market which are not made in good faith and intended to be carried out if accepted, and the 
making of pretended or fictitious bids or offers is hereby prohibited.

733.00. ATTEMPT TO UPSET MARKET PROHIBITED.

Purchase or sales of (or offers to purchase or sell) commodity futures or options in this market, 
made for the purpose of upsetting the equilibrium of the market or bringing about a demoralization 
of the market, so that prices will not properly reflect values, are forbidden. Any Member or Market 
Participant who makes or assists in making such purchases or sales or such offers to purchase or 
sell, with knowledge of the purpose thereof or who, with such knowledge, shall be a party to or assist 
in carrying out any plan or scheme for the making of such purchases or sales or such offers to 
purchase or sell, shall be deemed and held to be guilty of uncommercial conduct.

740.00. PRINCIPAL AND AGENT: ACTING AS BOTH PROHIBITED.

No Member or Market Participant shall be both principal and agent in any transaction for commodity 
futures or options made in this market, except under the following circumstances:

A. When two Members meet in the execution of orders in the appropriate Pit or 
designated area and, without prearrangement, unintentionally consummate a
contract for one and the same Clearing Member principal, such transactions shall not be considered a violation of the MGEX Rules and Regulations.

B. If, after public outcry in the Pit a Member is unable to execute an order, the Member may, with the express prior consent of the person giving the order, become the Buyer in respect to a selling order or orders of such person, or may become the Seller in respect to a buying order or orders of such person. In the exercise of this privilege prior consent may be given in the form of a written agreement which is separate and distinct from the customer agreement. No intermediary transmitting an order may give this consent without the prior knowledge and permission of the principal for whom the order is being executed. Provisions of subsections B. and C. of Rule 742.00 shall be followed in the execution of such trades.

C. When a Broker receives a customer's order from a Clearing Member and on bidding or offering, finds that the best response comes from a Broker whose order is identifiably for the house account of the same Clearing Member, acceptance of that order will not be regarded as a violation of the MGEX Rules and Regulations. Such instances must be random and not arise from preferential trading nor represent a pattern of trading.

741.00. ACTING FOR BOTH BUYER AND SELLER PROHIBITED.

Except as expressly authorized by the provisions of Rule 742.00., no Member or Market Participant shall allow himself or itself directly or indirectly, either by his own act or by the act of an employee or Broker, or by the act of any other Member or Market Participant, to be placed in the position of agent for both Buyer and Seller in connection with any transaction in futures or options made in this market.

742.00. CROSS TRADING-HANDLING BOTH BUYING AND SELLING ORDERS.

A Member, or an entity designated by the Member (called "the Member" for purposes of this Rule 742.00.), who shall have in hand at the same time both buying and selling orders from different principals for the same commodity in futures or options in the same delivery month, may execute such orders for and directly between such principals, at the market price, upon the following conditions:

A. If such orders are first offered openly and competitively by open outcry in the Pit by both bidding and offering at the same price, and neither such bid nor offer is accepted;

B. If such Member executes such orders in the presence of an official representative of the Corporation designated to observe such transactions and the Member himself clearly identifies all such transactions on the orders and trading cards at the time of execution as a cross trade, and promptly presents said orders and trading cards to the official representative of the Exchange for stamping and signature;

C. Such transaction(s) shall be made a matter of permanent record by the Exchange. (See Regulation 2019.00.)
D. The Member receiving or executing such orders shall have no interest therein, directly or indirectly, except as a Futures Commission Merchant, or as a Broker.

Provided further, that when two Members meet in the execution of orders in the open market in the Pit and, without prearrangement, unintentionally consummate a contract for one and the same Clearing Member principal, such transaction shall not be considered a violation of the MGEX Rules and Regulations. The Board of Directors is authorized to adopt regulations necessary to enable Members to utilize the provisions of this rule.

743.00. ACCOMMODATION OR WASH TRADES FORBIDDEN.

No Market Participant shall make risk-free simultaneous purchases and sales of the same month of the same commodity for the same account at the same price.

750.00. PRIORITY OF CUSTOMERS' ORDERS.

No Market Participant may buy or sell any commodity for future delivery for his own account or for any account in which he has an interest while holding an order for another person for the purchase or sale of the same commodity that is executable at the market price, or at the price at which such purchase or sale can be made for the Member's own account or the account in which he has an interest.

No Market Participant may execute any transaction for any account of another person for which buying and/or selling orders can be placed or originated, or for which transactions can be executed, by such Member without the prior specific consent of the account owner, regardless of whether the general authorization for orders or transactions is pursuant to a written agreement, except that orders of such an account may be placed with another Member for execution. However, a Member is not required to hand off orders for discretionary accounts or discretionary orders when orders originate on behalf of Members of Floor Brokers' immediate families, contract market members and proprietary accounts of contract market member firms. Provided, however, that customers' orders, including price and time discretion orders, are executed before discretionary account orders for family members, contract market members or proprietary accounts of contract market firms.

For the purpose of this Rule 750.00, immediate family members are defined as spouses, children and stepchildren, parents, brothers, and sisters.

751.00. DISCLOSING ORDERS PROHIBITED.

Market Participants are forbidden to disclose to any party the possession or receipt of orders to buy or sell commodity Futures or Options in this market.

A Market Participant may, however, use his discretion and bid or offer any quantity of contracts without violating this Rule 751.00 when the information may aid or expedite a fill.

A Market Participant acting pursuant to the second paragraph of Rule 750.00, or when supplying information requested by an authorized representative of the Commodity Futures Trading Commission or an Exchange official, will not be in violation of this Rule 751.00.
**753.00. BROKERS' LIABILITIES ON LIMIT ORDERS.**

A Broker shall not be liable for failure to execute a Limit Order unless the Broker is found to be negligent. In the case of a dispute regarding any unfilled Limit Order, the Disciplinary Committee is authorized to determine whether an adjustment is due a customer. No adjustment on any unfilled order shall be allowed if the Broker has not been found negligent by the Disciplinary Committee.

**754.00. FILLING LIMIT ORDERS ON THE OPENING AND CLOSING.**

Brokers are not to be held liable for obtaining a complete or partial fill on Limit Orders falling within the opening price or closing range even when those orders are the high or low prices of the closing range.

**755.00. ORDERS OR CANCELLATIONS ACCEPTED ON A "NOT-HELD" BASIS.**

All orders and cancellations that reach the Trading Floor fifteen (15) minutes or fewer before the opening of the market and all orders and cancellations that reach the Trading Floor fifteen (15) minutes or fewer before the close of the market through the end of the post settlement session may involve extraordinary problems and hence will be accepted solely at the risk of the customer on a "not-held" basis.

**760.00. MARGINS.**

A. **EXCHANGE MARGINS:** This term shall mean United States Funds, negotiable securities or other property deposited with or to the sole credit of an agent or of a Clearing Member as protection against losses incident to a transaction for future delivery.

1. **INITIAL MARGIN:** This term shall mean a margin (as defined herein) deposited at the initiation of a Futures transaction.

2. **MAINTENANCE MARGIN:** This term shall mean a margin (as defined herein) maintained during the period a Futures Contract remains open.

Members and nonmember customers of a Clearing Member shall deposit and maintain initial and maintenance margins according to the Clearing Member’s requirements. Initial margins as established by the Exchange, shall be charged at a minimum. The Exchange may increase or decrease initial and maintenance margins as market conditions require.

PROVIDED, that the margins on spreading and hedging transactions shall be the requirements of the Exchange as a minimum, except where a customer specifies that a spread involves an MGEX approved inter-exchange spread. Then the initial margin on the MGEX side of the spread shall be at a minimum established by the Exchange.

The specific amounts of the initial, maintenance, and spread margins are to be transmitted to the membership by special memorandum.

B. **CLEARING MARGINS:** This term shall mean United States Funds or securities approved by the Exchange deposited with or to the sole credit of the Exchange as protection against losses incident to a Transaction for Future Delivery (See Regulation 2102.00.)
765.00. TRADING FOR OFFICERS, COPARTNERS OR EMPLOYEES.

No Member shall make a purchase or a sale of any commodity futures or options in this market, or accept or carry an account for such purchase or sale, for the account of an officer, copartner, or employee of another Member without the written consent of such other Member.

766.00. CONFIRMATION OF FUTURES OR OPTIONS TRADES.

A Clearing Member shall confirm to the customer every transaction made for the customer's account no later than the following business day. Such confirmation shall be in writing and shall show the commodity bought or sold, the quantity, the price or premium and the delivery month and, if an option, whether a put or call and the strike price.

768.00. ACCEPTANCE OF ACCOUNTS FROM OTHERS THAN PRINCIPALS.

Except as provided in OMNIBUS ACCOUNTS and DISCRETIONARY ACCOUNTS, no Member or Market Participant shall make a purchase or a sale of any commodity in futures or options in this market for the account of another party, nor shall any Member or Market Participant accept or carry such an account for such other party, if such other party is known to be acting as an agent for and on behalf of others, unless such other party is properly registered with the CFTC or the National Futures Association.

No purchase or sale of commodities in futures or options shall be made in this market, and no account for such purchase or sale shall be accepted or carried for the account of any person if such purchases or sales are made pursuant to trading authority given by such person to another person (not a member of the same family) to trade in his or her name, except on the following terms and conditions:

A. A monthly statement shall be sent directly to the person for whose account such purchases or sales have been made, showing the exact position of the account, including all open trades figured to the market;

B. Each transaction shall be specifically designated with the name of the person for whose account such purchase or sale has been made at the time the order is accepted;

C. No transaction shall be held open in the name of the person for whose account such transaction has been made if such transaction can be closed by making up an Account of Purchase and Sale;

D. Confirmations of all trades shall be sent promptly, both to the person for whose account such purchases or sales have been made and to the party authorized to act for his or her account;

E. Written evidence of such delegation of authority by such party to such other party to trade in his or her name shall have been furnished to the Member or Market Participant making the trade.

769.00. OMNIBUS ACCOUNTS.

An omnibus account stands in the name of an organization or firm and is utilized for placing and clearing the trades of one or more undisclosed customers of the account.
An omnibus account may be carried only for a person, organization or firm which is in compliance, with the registration requirements of the Commodity Futures Trading Commission. It shall be the responsibility of the firm handling an omnibus account to be aware of, and vouch for the registration status of the account.

The person responsible for an omnibus account shall at all times disclose, upon request of the Clearing Member carrying that account, the gross long and short positions held by that account in each commodity. The person responsible for an omnibus account shall, at least two (2) business days prior to the first delivery day in a contract month, provide the Clearing Member carrying that account with a complete list of the purchase and sale dates of all open positions for that contract month. Such list shall be kept up to date throughout the delivery month.

A Clearing Member carrying an omnibus account (except an omnibus account of another Clearing Member) shall indemnify and hold harmless the Exchange for any loss of damage suffered by the Exchange by reason of fraudulent dealings with, or management of, customer funds and transactions within the omnibus account. Each Clearing Member that maintains an omnibus account with another Clearing Member shall also bear financial responsibility to the Exchange for that omnibus account.

770.00. DISCRETIONARY ACCOUNTS.

No Clearing Member shall accept or carry an account over which any Person, other than the Person in whose name the account is carried, exercises trading authority or control without meeting the following conditions:

A. Authorization.

The Person in whose name the account is being carried shall sign and submit to the Clearing Member a power of attorney or other document by which trading authority or control is clearly given and that designates precisely to whom the trading control is given.

The power of attorney, trading authorization, or the document by which trading authority is given, shall be in writing showing the date it was entered into. It shall remain in effect until it is terminated by a written revocation signed by the person for whom the account is carried or by the death or incapacity of such person.

Termination may also be made by the person to whom such power has been delegated and must be in writing or by the death or incapacity of such person.

B. Orders.

Any person initiating an order for an account over which he has discretion must reduce the order to writing, record thereon the account number and date, and time-stamp the order. This requirement shall not apply to the following:
1. Accounts maintained by Members for their families (spouse, parent, child, grandparent, grandchild, brother, sister, aunt, uncle, nephew, niece, or in-law).

2. Accounts belonging to other Exchange Members.

3. Proprietary accounts of Clearing Members.

C. Records.

The records of the Clearing Member shall clearly identify each controlled account it carries, and the Clearing Member agrees to provide the Exchange with a list of such accounts promptly upon request.

775.00. "BUCKET-SHOPS" FORBIDDEN.

No Member, and no Market Participant, shall make, negotiate in any form, have, or be in any way interested in any "Bucket-Shop" contract, trade, or transaction, whatever, or in any contract for the purchase or sales of any commodity whatever, for Futures or Options, without intent to make an actual purchase or sale, or to deliver or receive such commodity, but with intent to settle or cancel such contract by the payment of the difference between a contract and the market price, or in dealing in differences in the market price of any commodity without a bona fide purchase or sale of such commodity for actual delivery on this or some other Exchange where such commodity is dealt in.

No Member or Market Participant shall knowingly be interested in the business of, or associated in business with, or shall, in any transaction, act as the Broker or representative of, or shall execute any order for or on behalf of any Person, exclusively, or otherwise in operating a "Bucket-Shop," in making, negotiating, or dealing in the contracts, trades or transactions previously prohibited in this Rule.

Any Member or Market Participant, who or which has violated the provisions of this Rule 775.00., shall be subject to disciplinary action and/or shall have its access to the Electronic Trading System terminated.

780.00. OFFICIAL OPENING.

The official opening of the market shall be understood to include the price at which the opening orders are executed, provided that in the opinion of the Market Observer and the Exchange, due diligence and promptness have been observed in handling such orders. The condition of the market shall also be considered in forming the decision.

DELIVERIES ON FUTURES CONTRACTS

800.00. DELIVERIES ON FUTURES CONTRACTS: WHEN DUE.

Delivery on Futures Contracts may be made by the Seller upon such business day of the month, specified in the contracts, as the Seller may elect. If not previously made, delivery must be made upon the last delivery day of the delivery month. (See Rule 715.01.)

801.00. DELIVERIES ON FUTURES CONTRACTS: QUANTITIES DELIVERABLE.

Deliveries of Spring Wheat Futures Contracts shall be in lots of five thousand (5,000) bushels or multiples thereof.

802.00. DELIVERIES ON FUTURES CONTRACTS: STANDARDS APPLICABLE THERETO.

Except as hereinafter provided, all Futures Contracts made in this market that call for the physical delivery of the Contract Grade, or another Deliverable Grade, of the commodity specified in such contracts, shall conform to the Official Grain Standards of the United States, if such standards existed and were in effect at the time the delivery receipts were issued. Unless the Board of Directors determines otherwise, changes in the Official Grain Standards of the United States will become effective with the first Futures Contract month, regardless of open interest, after the effective date of the changes as announced in the Federal Register.

803.00. CONTRACT AND OTHER DELIVERABLE GRADES.

The contract grades and sub classes of Hard Red Spring Wheat shall be as set forth below and shall be deliverable at the contract price in Minneapolis, St. Paul and Red Wing switching districts:

U.S. No. 2 Northern Spring Wheat thirteen and one-half percent (13 ½%) protein or higher.

Provided, however, that the following grades and sub classes of Hard Red Spring Wheat shall also be deliverable at the contract price or at the differentials with respect to the contract price as designated:

U.S. No. 1 Dark Northern Spring thirteen and one-half percent (13 ½%) protein or higher at contract price.

U.S. No. 1 Northern Spring thirteen and one-half percent (13 ½%) protein or higher at contract price.

U.S. No. 2 Dark Northern Spring thirteen and one-half percent (13 ½%) protein or higher at contract price.

All above grades with thirteen percent (13%) to thirteen and four-tenths percent (13.4%) protein inclusive deliverable at a three cents (3¢) per bushel additional discount under above schedule.
All above grades that have a test weight per bushel of sixty (60) lbs. or more deliverable at a two cents (2¢) per bushel premium.

The maximum allowable moisture for Spring Wheat delivered on Futures Contracts will be thirteen and one-half percent (13 ½%).

The maximum allowable total dockage for Spring Wheat delivered on Futures Contracts shall not exceed one and one-half percent (1 ½%) of the gross quantity which includes dockage.

The above grades of wheat may be delivered “In Store” in a waterfront elevator, located within the Duluth-Superior District (see Rule 900.00. A.), at a three cents (3¢) per bushel premium. See Interpretation.

804.00. DELIVERIES ON FUTURES CONTRACTS: HOW MADE.

Delivery on Futures Contracts shall be made by the delivery of warehouse receipts for commodities "In Store" in a Regular elevator, except as otherwise specified. Such receipts must be for a Contract or other Deliverable Grade of the commodity specified in the Futures Contract, in accordance with the Official Grain Standards of the United States made applicable to such contract by the provision of Rule 802.00.

Pursuant to Title 7 of the Code of Federal Regulations, Part 735 – Regulations For The United States Warehouse Act, the warehouse operator must deliver to the depositor or lawful holder of a warehouse receipt the agricultural product of such identity, quantity, grade and condition as set forth in such warehouse receipt.

All warehouse receipts delivered on Futures Contracts must bear dates that, under the interpretation of the law hereinabove stated, make them conform to the requirements of this Rule.

Storage payments on grain to be shipped pursuant to loading orders shall not extend beyond the fifth (5th) calendar day after suitable transportation is constructively placed for load-out (see Rule 813.00.E.).

Official/certified loading weights, inspection grades and protein will be final in determining satisfactory performance on Futures Contracts. (Official/certified weights, inspection grades and protein that are acceptable are the following weights and inspection grades as defined in the National Grain and Feed Association "Grain Trade Rules," Rules 10. Inspection and 14. Weights. Inspections shall include Class A and Class B Official Inspections. Official weights shall include U.S. Class X Weights and U.S. Class Y Weights. Certified Weights shall include U.S. Class I and U.S. Class II weights. The inspection method and weight to be used shall be appropriate to the business practice in the defined marketplace. Such weights, inspection grades and protein shall be supervised in accordance with the requirements set forth in Minneapolis Grain Exchange Rules.)
A. On delivery against Wheat Contracts at Minneapolis-St. Paul and Red Wing, delivery must be made "In Store" in Regular elevators (see Rule 900.00.).

The deliverer shall have up to and including fifteen (15) calendar days upon call to make the grain available to load into a barge at one river location within the Minneapolis, St. Paul and Red Wing barge loading districts (see Rule 900.00.A.) if all of the following conditions exist:

1. the warehouse receipt is issued for grain in a Regular elevator that is located off water,
2. such off water elevator is not under a common Federal License with a Regular river elevator, and
3. the buyer calls for barge delivery.

This Rule is irrevocable unless mutually agreed upon in writing and received by mail, fax or hand delivered.

The party making delivery shall be responsible for any additional expense incurred to move delivery grain from a Regular interior elevator into barges.

The party taking delivery must present barge equipment (Rule 1015.00.) clean and ready to load within fifteen (15) calendar days from the time warehouse receipts and loading orders are tendered to the delivering party.

Official/certified weights, inspection grades and protein as loaded into the barge shall govern for delivery purposes.

B. Delivery on Spring Wheat Futures Contracts in the Duluth-Superior District may be delivered "In Store" in a Regular waterfront elevator in the Duluth-Superior District.

804.01. DELIVERY ON WHEAT CONTRACTS AT MINNEAPOLIS-ST. PAUL AND RED WING.

A. If barge shipment is requested, when a riverside elevator and an interior off-water elevator are licensed under one Federal license, the party making
delivery must make the grain available at one river location within the Minneapolis-St. Paul barge-loading district to the party taking delivery when the equipment is constructively placed (see Rule 813.00.A.2.). This condition supersedes Rule 804.00.A., which otherwise allows the delivering party fifteen (15) calendar days to make the grain available at one river location within the Minneapolis-St. Paul barge-loading district.

B. Since each company keeps a record of warehouse receipts surrendered to satisfy a delivery on the Futures Contract, no supplemental certificate is necessary to assure the party holding the receipt that the grain will be delivered to the water if so desired. Any holder of such a receipt is entitled to water delivery if so desired.

C. If an interior Regular off-water elevator is combined under one license with a river house, storage charges shall not extend beyond the tenth (10th) calendar day after suitable transportation is constructively placed for load-out (see Rule 813.00.A.2.).

805.00. WARRANTY OF TITLE BY SELLER.

In all sales of commodities for future delivery in this market, the party making delivery, whether acting as owner, agent or Commission Merchant, shall be deemed and held to warrant his right to sell and pass full clear title to the commodities upon the delivery thereof on the Futures Contract. In every such sale for future delivery, a warranty by such party making delivery of the title in the buyer's name to the commodity purchased upon the delivery thereof shall be part of the contract of sale with the same force and effect as if expressly incorporated therein; PROVIDED, however, that the Clearing House shall not undertake said warranty by reason of the fact that it assumes the position of seller in the process of clearing such Futures Contracts. Said warranty shall be one that inures to the benefit of the buyer and to the benefit of the Clearing House, when it assumes the position of buyer in the process of clearing such Futures Contracts.

806.00. RISK OF LOSS AND INSURANCE COVERAGE: COMMODITIES DELIVERED ON FUTURES CONTRACTS.

The warehouse shall maintain insurance, in its own name, for the account of the holders of warehouse receipts, for the full market value of all grain represented by warehouse receipts delivered on Futures Contracts from loss by fire, tornado and other contingencies provided for in the standard form of "extended-coverage" endorsements or policies until such time as the grain has been actually loaded out of the warehouse.

807.00. CONTRACT PRICE.

The contract price for Futures Contracts cleared by the Clearing House shall be the last settling price for such contracts with the Clearing House.

808.00. DELIVERIES ON FUTURES CONTRACTS: DETERMINATION OF VALUE.

The amount to be paid for commodities delivered on Futures Contracts shall be determined by taking into account the number of bushels or pounds delivered, the contract price for such commodity for the day on which delivery is being made (as determined in Rule 807.00.), the
premium or discount, if any, for the grade delivered, and the amount of storage and insurance charges, if any, that are to be allowed to the buyer.

**809.00. DELIVERIES ON FUTURES CONTRACTS: STORAGE CHARGES ON WAREHOUSE RECEIPTS.**

(The attention of Members is directed to the State and Federal laws relating to terminal warehouses located in Minnesota and Wisconsin and to the provisions of such laws governing charges for receiving, handling, storing and delivering commodities at such warehouses.)

The expression "delivery charges," as used in this Rule and in endorsements placed on warehouse receipts, shall mean the charges for delivering commodities that are authorized by law and that are in effect at elevators eligible to make deliveries under the Rules of the Corporation.

All storage and other charges, except delivery charges on commodities represented by any warehouse receipt delivered on a Futures Contract, shall be paid or allowed by the Seller up to and including the date on which such warehouse receipt is delivered to the Buyer in accordance with the provisions of **Rule 810.00.**

All warehouse receipts that are delivered on Futures Contracts made in this market shall bear an endorsement placed thereon by the warehouseman who issued such receipts, indicating the date to which storage has been paid. Storage shall be deemed to have been paid to the date so endorsed, and additional storage shall accrue immediately thereafter. Such endorsement shall follow precisely the following form, and no other form of endorsement shall be used:

```
ALL STORAGE AND OTHER CHARGES PAID TO AND INCLUDING ___________________________ EXCEPT DELIVERY CHARGES.

__________________________
Warehouseman
```

**810.00. DELIVERIES ON FUTURES CONTRACTS: WHERE MADE AND PAYMENT.**

A Buyer who has duly received a Delivery Notice from the Clearing House shall present the same at the office of the Seller by whom such Notice was issued along with full payment for the net amount due. All payments shall be by wire transfer of funds or by certified check or cashier’s check on a national bank located in the Minneapolis/St. Paul metropolitan areas or upon other mutually agreeable methods. The Seller shall thereupon make delivery to the Buyer of the warehouse receipts described in such notice. The hours governing Delivery Notices shall be in accordance with Regulations adopted by the Board of Directors pursuant to the authority granted by **Rule 231.00.** (See **Resolution 2101.00.C.** and **Regulation 2025.00.**)

**811.00. LOAD-OUT, STORAGE AND INSURANCE CHARGES: DELIVERY GRAIN.**

The maximum load-out, storage and insurance charges on delivery grain which is tendered insatisfaction of a Minneapolis Grain Exchange Futures Contract, shall be determined by the Board of Directors (see Regulation 2027.00.). By Regulation the Board may from time to time revise these charges.
812.00. **DELIVERY AGAINST FUTURES CONTRACTS FROM A REGULAR ELEVATOR CLOSED OR WHOSE FUNCTIONS HAVE BEEN CURTAILED AS A RESULT OF STRIKES, LOCKOUTS OR ACTS OF GOD.**

A Regular warehouse may make deliveries on a Futures Contract in a facility that has been closed by strikes, lockouts or acts of God. The receipt holder is liable for all storage and insurance charges. However, if the warehouse is unable to perform under the delivery contract terms, as required in Rule 804.00. **DELRIVERIES ON FUTURES CONTRACTS: HOW MADE** because of strikes, lockouts or acts of God at the time of delivery or cannot perform because of strikes, lockouts or acts of God beginning after the original tender of warehouse receipts, the warehouse, when notified with surrender of warehouse receipts and payment of charges by the owner of the receipts, has to furnish within five (5) business days one of the following options:

A. provide the same quantity and like quality of grain in store at another Regular elevator, whose functions have not been curtailed by strikes, lockouts or acts of God at the same delivery point (See Rule 1309.00.),

or

B. provide the same quantity and like quality of grain in store at another elevator location under mutually acceptable terms

or

C. buy back the warehouse receipt(s) at a negotiated price. If a price cannot be negotiated, then option A or option B must be chosen.

813.00. **LOAD-OUT PROCEDURES.**

See Interpretation.

A. All warehouses shall load-out all agricultural products consecutively without giving preference. Load-out of all such products shall be in the order in which suitable transportation, clean and ready to load, is constructively placed at the elevator. No preference shall be given to the type of delivery conveyance which has been constructively placed. However, the warehouse may load-out company conveyances in an alternative order if such conveyances were constructively placed in consecutive order.

A warehouse cannot declare a conveyance as unfit for loading. Such declaration can only be made by the railroad or another official inspection agency. Furthermore, a warehouse cannot reject a conveyance if only a portion of the conveyance is unfit and can be cleaned without causing delay to the warehouse. The cost of cleaning shall be borne by the taker.

In the case of barges or vessels, if the bushel capacity of the warehouse company’s barges or vessels constructively placed ahead of taker's barges or vessels exceeds the warehouse’s owned stocks; the warehouse must begin loading taker's barges once the warehouse’s owned stocks are depleted. For purposes of calculating depletion, the warehouse may not improve its owned stock position with unloads subsequent to the taker's constructive placement date. Depletion calculations must be made
separately by grain type and load-out rates specified in section B of this Rule.

Constructive placement is defined as follows:

1. Rail cars: whether public or private, must be under railroad control and able to be called to the warehouse. However, the warehouse must be notified that the cars are ready to be delivered.

2. Barges: must be properly cleaned, ready to load and positioned at an appropriate fleeting service servicing the designated delivery point or at the elevator. Constructive placement shall be deemed to have occurred when the barge line notifies the warehouse for position.

3. Vessels: must be in possession of the appropriate Grain Inspection, Packers and Stockyards Administration and/or National Cargo Bureau, Inc. documents or signed berth application certifying readiness to accept load-out at the designated delivery point.

4. Any other conveyance has to be with mutual consent of makers and takers.

B. Load-Out Rates

In the event a Regular elevator receives written loading orders for load-out of grain against canceled warehouse receipts, the elevator shall be required to load-out all grain at the normal rate of load-out for the facility on the day after a conveyance of the type identified in the loading orders (rail cars, barges or vessels) is constructively placed. This rate of load-out shall depend on the conveyance being loaded and shall not be less than the following minimum rates per day (weekends and elevator holidays excluded):

<table>
<thead>
<tr>
<th>Rail Conveyance or Water Conveyance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wheat: 25 Hopper Cars</td>
</tr>
<tr>
<td>Vessel 200,000 bu</td>
</tr>
<tr>
<td>Barge 2 Barges</td>
</tr>
</tbody>
</table>

**Loading minimums and private business.** Once an elevator loads the minimum barges or rail amount against delivery receipts it must continue to load-out against the receipts until the end of the normal business day. At the end of the normal business day the elevator can proceed to load-out company business, but only after offering the taker the option to continue loading the taker’s warehouse receipts at overtime rates.

If loading orders have been received, the elevator must load-out any earlier constructively placed conveyance at the minimum load-out rates.

A Regular elevator shall not be required to meet these minimum load-out rates when any of the following conditions occur:

1. a condition of Force Majeure exists;
2. inspection services are not available;
3. inclement weather prevents loading;
4. stevedoring services are not available in the case of vessel loading;
5. a vessel can not take at the above rate; or
6. loading tween deckers.

For purposes of this Rule, vessel and barge are "like" conveyances.

C. Inspection Plans

Load-outs of all vessels shall be inspected for product uniformity by comparing the accumulated differences between inspection results and the grade limit or contracted limit, otherwise commonly known as the cusum plan. Grain inspection under this plan shall be conducted by qualified inspectors pursuant to USDA procedures.

The warehouse and taker must agree in writing to other inspection plans or grain uniformity minimums prior to constructive placement of a delivery conveyance.

D. Notification to Elevator

The warehouse shall load-out grains in the order and manner provided in paragraphs A and B of this Rule, except that its obligation to load-out grain to a given party shall commence only after receiving canceled warehouse receipts and written loading orders from such party, even if such party may have a conveyance positioned to accept load-out of grain before that time. If the party taking delivery presents transportation equipment of a different type (rail, barge or vessel) than that specified in the loading orders, the party is required to provide the warehouse with new loading orders. Written loading orders received after two o'clock (2:00) p.m. (Central time) on a given business day shall be deemed to be received on the following business day.

E. Storage

Storage payments on grain to be shipped pursuant to loading orders shall not extend beyond the fifth (5th) calendar day after suitable transportation is constructively placed for load-out, except as otherwise provided (see Rule 804.01.C.).

F. Records
All warehouses shall keep adequate permanent records showing compliance with the requirements of this Rule. Such records shall at all times be open for inspection by the designated official or officials of the contract market.

See Interpretation

814.00. ORDERING CARS.

Upon receipt of load orders from the receipt holder, the warehouse shall immediately place an order with the railroad for all of such cars as the notice specifies, or accept buyer’s cars as available, and furnish the holder with railroad order numbers or other written communication from the respective railroad company giving satisfactory evidence that the cars have been ordered.

In the event that cars are canceled, by written request of the receipt holder, demurrage and car cancellation penalties are for the account of the receipt holder.

815.00. DELIVERY NOTICE: ISSUING AND DELIVERY OF.

A Seller, in making delivery on Futures Contracts, shall issue and deliver to the Clearing House, by hand delivery or fax transmittal preceded by a telephone call, a signed Delivery Notice, the form of which shall be as prescribed from time to time by the Board of Directors (see Regulation 2025.00.).

816.00. DELIVERY NOTICE: CONTENTS.

Delivery Notices for Spring Wheat shall be for five thousand (5,000) bushels. Such Notices shall contain the name of the issuer, a description of the warehouse receipts representing the commodity to be delivered, the grade to be delivered, and the storage/premium, where applicable, accrued and allowed, if any. All Delivery Notices shall be signed by an individual whose principal has filed with the Clearing House a written notice authorizing such person to sign notices on its behalf (see Regulation 2025.00.).

819.00. DELIVERY NOTICE: DELIVERY TO A BUYER.

When a Delivery Notice has been duly delivered to the Clearing House by a Seller, the Clearing House shall redeliver such Notice to the Buyer obligated by the oldest contracts on the records of the Clearing House to take delivery of the commodity described in such Notice.

824.00. DEFAULT.

A default shall be deemed to have been made if the loading elevator does not comply with the minimum load-out rate as cars or barges are actually placed at the loading elevator or does not comply with other provisions of these Rules and Regulations. See Interpretation.

825.00. DEFAULT IN PAYMENT.

If any party, who has duly received a Delivery Notice and is obligated under the Rules to take delivery of the property therein described, fails to make payment for and to receive the property described in such notice (as required by the Rules), written notice of such default, together with a written notice that the property described in such Delivery Notice will be resold at the current or next session of the Exchange, shall be given by the Seller to the party in default by four o’clock (4:00) p.m. of the day of the default. The Seller shall proceed to sell such property in accordance with the
terms of such notice, and the party in default shall be liable to the Seller for any loss sustained by such Seller through such default and sale.

Any damage or loss sustained by the Seller by reason of such sale or declared settlement for breach of contract shall be due and payable by the Buyer to the Seller immediately. This Rule, however, shall not be construed to authorize extortionate claims based on value manipulated for the purpose of securing such claims, nor to excuse the Buyer from his obligation to take delivery.

826.00. FAILURE TO DELIVER ON CONTRACT: DAMAGES.

In case any commodity sold for future delivery in this market has not been delivered at maturity of contract, the Buyer may:

A. Purchase the commodity on the market for the account of the party in default on the next business day, notifying him at once of such purchase or

B. Require a settlement with the party in default for breach of contract at the market price on the first business day following the default.

Any damage or loss sustained by the Buyer by reason of such purchase or declared settlement for breach of contract shall be due and payable by the party in default to the Buyer immediately. This Rule, however, shall not be construed to authorize extortionate claims based on value manipulated for the purpose of securing such claims, nor to excuse the party in default from his obligation to make delivery. See Interpretation.

827.00. DISPUTES ON DAMAGES.

Any disputes or differences as to the equity of any claim for loss or damages against a party in default resulting from action taken under the provisions of Rule 826.00. shall be decided by the Board of Arbitration as provided by the MGEX Rules and Regulations.

In determining the measure of damages to be paid by the party in default, consideration, among other things, shall be given as to:

A. Whether or not the value of property in dispute has been enhanced by combination or by any Person for the purpose of extorting unreasonable damages;

B. The effect on values produced by sales in excess of the marketable supply;

C. The duty of the Seller to fulfill the contract specifically.

The just and true value of the property in default, at the time of the default shall thereupon be determined, and by the value so established shall be determined the measure of damages to be assessed, and both of such matters shall be stated in the findings.

828.00. WILLFUL DEFAULTS.

Any party willfully defaulting on a Futures Contract shall be deemed and held to be guilty of Uncommercial Conduct.

DELIVERY ELEVATORS

900.00. DELIVERY ELEVATORS: CONDITIONS FOR BECOMING REGULAR.

Persons operating grain elevators who desire to have such elevator made or remain Regular for delivery of grain under the MGEX Rules and Regulations shall file an application or renewal form as prescribed by the Exchange. (See Form 9-00.00.) Renewal for Regularity must be filed prior to June 1 for a one (1) year term beginning the following August 1. Application for Regularity may be made at any time during a current term for the balance of that term. However, if an applicant is approved during the months of May, June or July, their initial Regularity term will include the following one (1) year term. Initial Regularity and increases in capacity during the term shall become effective on the last business day in the month in which the Exchange approves such application.

The Exchange may approve renewal of Regularity and may revoke said Regularity for just cause at any time. Denial or revocation of Regularity by the Exchange may be appealed to the Board of Directors. The decisions of the Board of Directors shall be final.

Wheat: Application for Regularity may be made by persons operating licensed grain elevators located within the limits of the Minneapolis-St. Paul, Duluth or Red Wing, Minnesota switching districts, or Superior, Wisconsin switching district for Spring Wheat.

A. Such elevator must be properly equipped for the convenient and expeditious receiving, handling and shipping of such bulk commodities as are customarily accepted therein for public storage. Each elevator must be able to load-out by rail and barge and shall be connected by railroad tracks with one or more railway lines. In the case of an interior off-water elevator such firm must be able to make the grain available in a barge pursuant to Rule 804.00. and 804.01.

B. The warehouseman operating such elevator must be in good financial standing and shall meet the minimum financial requirements set forth by the Exchange (see Regulation 2029.00.) and file the following periodic documentation:

1. **Audited Financial Statement** - Each entity wishing to become Regular for Spring Wheat Futures Delivery must annually submit to the Exchange an Audited Financial Statement prepared by an independent certified public accountant in accordance with generally accepted accounting principles.

2. **Due Date** - Audited Financial Statements must be filed no later than ninety (90) days after the fiscal year end, except in those cases where an entity has applied to the Exchange and has received approval for an extension.
3. **Interim Unaudited Financial Statement** - Each entity must submit to the Exchange unaudited mid-fiscal year financial statement. This statement must be filed no later than forty-five (45) days after the mid-year point of the entity’s fiscal year, except in those cases where an entity has applied to the Exchange and has received approval for an extension.

C. All elevators approved for delivery of grain in satisfaction of the MGEX Futures Contracts shall submit to the Exchange a tariff, listing in detail the rates for handling and storage of grain, and shall also submit to the Exchange sixty (60) days in advance changes, in insurance and storage fees, provided, however, that such changes do not conflict with Rule 811.00. and other limitations set forth in section B. Tariffs on file with the Exchange shall be available for public inspection.

D. It shall be the responsibility of the warehouseman of a Regular elevator to immediately inform the Exchange of any adverse changes in status and financial conditions. (See Regulation 2029.00. and 2088.00.) Failure to notify the Exchange will be deemed a violation of the MGEX Rules and Regulations.

### 900.01. REVOCATION OF REGULARITY.

If the designation of a Regular elevator is revoked, the Exchange shall determine the period of time, if any, during which the receipts issued by such elevator shall thereafter be deliverable in satisfaction of futures contracts under the MGEX Rules and Regulations. The Exchange shall post such revocation on the Official Bulletin Board and notify all members and receipt holders of record.

In the event of revocation, expiration or withdrawal of Regularity, or in the event of sale or abandonment of the properties where Regularity is not reissued, holder(s) of outstanding warehouse receipts shall be given thirty (30) days to take load-out of the commodity from the facility. If a holder of an outstanding warehouse receipt chooses not to take load-out during this period, the facility must provide him with warehouse receipts at another Regular elevator, with adjustments for contract differentials. Alternatively, if such warehouse receipt is unavailable, the facility must provide the holder with an equivalent quantity and quality of grain designated in the warehouse receipts at a mutually acceptable location.

### 901.00. RECORDS, REPORTS, VISITATION OF PREMISES REQUIRED BY COMMODITY EXCHANGE ACT.

Warehousemen operating Regular elevators, in compliance with the provisions of Section 1.44 of the Commodity Exchange Act, as amended and Regulations thereunder shall:
A. Keep records showing the stocks of each commodity traded in for future delivery on such contract market, in store in such warehouses by kinds, by classes, and by grades, if stored under the conditions requiring such designation or identification, and including also lots and parcels stored specially or separately or in specially leased warehouse space.

B. Upon call from the Commodity Futures Trading Commission, report the stocks of commodities in such warehouses and furnish information concerning stocks, of each commodity traded in for future delivery on such contract market about to be transferred or in process of being transferred, or otherwise moved into or out of such warehouses, as well as any other information concerning commodities stored in such warehouses and that are or may be available for delivery on Futures Contracts.

C. Permit visitation of the premises and inspection of the books and records of such warehouses by duly authorized representatives of the United States Department of Agriculture, the Department of Justice or the Commodity Futures Trading Commission, and to keep all books, records, papers and memoranda relating to the storage and warehousing of commodities in such warehouses for a period for five (5) years from the date thereof.

901.01. INFORMATION AND ACCESS TO RECORDS AND REPORTS BY THE MINNEAPOLIS GRAIN EXCHANGE.

Operators of Regular and federally licensed public elevators and warehouses shall disclose and timely file with the Exchange such information as requested on commodities, including but not limited to: quantity and quality of stocks in store; grain in transit, purchased, sold, owned, held for others, consigned, assigned, transferred, delivered, or loaded out; information on warehouse receipts or shipping certificates issued, outstanding, cancelled without delivery and cancelled with delivery. Furthermore, information on the class, grade and condition shall be provided if requested.

The information to be provided shall be in the manner, method and format determined by the Exchange and at such times determined by the Exchange. Such information may be requested on a daily, weekly or periodic basis.

Operators shall accord every facility to any duly authorized committee or person for:

A. the examination of its books and records.

B. the purpose of ascertaining the stocks of commodities which may be on hand at any time.

Such examination and verification may be made any time by the Board of Directors or its approved inspection agents or, any other committee authorized by the Board of Directors, which shall have the authority to employ appropriate personnel to determine the quantity and quality of commodities in the elevators or warehouses and to compare the books and records of the said facilities with the records of any State or Federal authority.
Operators shall keep all books, records, papers and memoranda relating to the storage and warehousing of commodities in said facilities for a period of five (5) years.

SALES "TO ARRIVE" AND SALES "FOR SHIPMENT"

1000.00. SALES "TO ARRIVE."-- In sales "To Arrive," unless otherwise specified in the contract:

A. The Seller shall have twenty (20) days from date of sale (not including such date) in which to make delivery at destination; PROVIDED, however, that a definite date or period of delivery shall be specified in all contracts extending beyond twenty (20) days.

B. The Seller may apply on sale only commodities that have not been officially inspected on or before the date of sale and that have not had any previous transit stops or transit billing used in connection with their movement.

C. The Seller shall make application until the contract is filled, or until the estimated underdelivery is fewer than five hundred (500) bushels. The Buyer may refuse any application that would produce an estimated overdelivery of more than five hundred (500) bushels; but, if he does so, he must make settlement with the Seller on the basis of the then underdelivery. If there is an estimated underdelivery of more than five hundred (500) bushels, the Buyer may require the Seller to apply another application, even if such application would result in an estimated overdelivery of more than five hundred (500) bushels, and in such cases the Buyer must accept whatever overdelivery is thereby produced.

All overdeliveries and underdeliveries (unless otherwise agreed by the parties) shall be settled on the first business day following date of last unload on a basis over or under the futures month currently used for the majority of cash trades. To convert the basis the day after the last unload to a basis relative to the futures month currently used for the majority of the cash trades, the futures spread of the day after last unload shall be used.

If commodities are sold flat priced, settlement should be at the time the tolerance becomes known by both parties.

D. In case delivery on sales "To Arrive" has not been made within the specified time, the Buyer may, after making written demand for delivery, if delivery is not made by one (1) hour before the close of the market on the next business day, fill such sale by buying the property in the open market for the account of the Seller, or he may require settlement at the closing market price on such next business day, or he may declare the undelivered portion of the contract canceled. If the Buyer has not made such written demand for delivery, the contract shall remain in force and effect from day to day until such demand is made.

E. In case of strikes, insurrections, embargoes or other causes producing unavoidable delays, the extension of time of delivery shall be the number of days remaining on the original contract with a minimum of fourteen (14) calendar days.

1001.00. SALES "FOR SHIPMENT".

A. In making contracts for shipment, a specific time in which shipment is to be made shall be specified. Any given number of days shall mean calendar days and shall be reckoned from the day after full written or telegraphic shipping instructions are received by the Seller, exclusive of such day, and the following expressions shall have the meanings as indicated:
(1) "Immediate" Shipment - Three days
(2) "Quick" Shipment - Five days
(3) "Prompt" Shipment - Ten days

B. "Loaded," "Spot" or "On Track" shall mean that the commodity is actually loaded and ready for shipment, and, unless otherwise specified, shipment shall be made on day of sale.

G. When time of shipment is not specified, "Prompt" shipment shall be understood.

H. Unless the contract provides for "Buyer's Option," shipment shall be made at the "Seller's Option" within the time governed by the contract.

I. In all shipments of commodities, the date of issue of the Bill of Lading or release date, whichever is earlier, shall be conclusive evidence of the date of shipment, unless absolute evidence to the contrary shall be furnished.

J. If cars have been rebilled while in transit, the date of the original Bill of Lading shall be accepted as the original date of shipment.

K. All contracts for commodities "For Shipment" shall expire at midnight of the day of maturity of the contract. In the event that ice or water conditions, which obstruct navigation north of Burlington, Iowa, should occur within thirty (30) days subsequent to the declared opening, the Board of Directors shall extend such opening for as many days as, in its opinion, such obstruction exists.

M. The opening of navigation shall be construed to mean the day of arrival in the Duluth-Superior harbor of the first vessel that has completed transit through both the St. Lawrence Seaway and the Welland Canal. In the event the first vessel completing transit through the Welland Canal does not proceed to Duluth-Superior the opening shall be not later than ten (10) days beginning 12:01 a.m. after said transit, PROVIDED the entrances to Duluth-Superior harbor are free from the obstruction of ice. However, if the entrances to the harbor are
obstructed by ice at the time of first transit by a vessel through the St. Lawrence Seaway and Welland Canal, the Board of Directors shall delay the opening for as many days as, in its opinion, such obstruction exists.

In the event of ice returning in sufficient quantities to obstruct navigation either at the entrance or entrances to the Duluth-Superior harbor or in the channel to and from Lake Erie, or in the channels to and from Montreal and or the Welland Canal, then all contracts based on the opening of navigation shall be extended by declaration of the Board of Directors for as many days as, in its opinion, such obstruction exists.

For contract purposes when grain is sold with terms relating to opening of navigation and notwithstanding the official opening as described above, the Buyer shall have the right to call for cargo for a vessel that arrives in the Duluth-Superior harbor, PROVIDED that vessel completes transit through the Sault Sainte Marie Canal from Lake Erie ports.

Upon receipt of said Confirmation, the parties thereto shall immediately notify the other party to the contract, verbally or by telegraph or telephone, and confirm in writing.

When such contracts are made through a nonresident Broker, it shall be the duty of the Broker (on the day the transaction is made) to send a written Confirmation to each of the principals, setting forth the terms and conditions of the transaction as made by him. Upon receipt of such Confirmation the parties thereto shall check all stipulations named therein and, upon finding any differences, they shall immediately notify the other party to the contract, by wire or telephone, and confirm in writing. In default of such notice, the contract shall be filled in accordance with the terms of the Confirmation issued by the Broker.

1005.00. SIZE OF CARS WHEN BUSHELS ARE SOLD.

Unless otherwise specified, open top rail cars and box cars do not apply.

1006.00. DEPOSITS AS SECURITY: RIGHT TO REQUIRE.

On contracts in cash commodities "To Arrive" or "For Shipment " or Delivery, purchasers shall have the right to require from Sellers, as security, deposits equal to ten (10) percent of the contract price, and further deposits from time to time to the extent of any advance above the contract price in the fair market value of the commodity named, and the shipment or delivery specified, in the contracts.

On all such contracts, Sellers shall have the right to require from Buyers a similar ten (10) percent deposit, and further deposits from time to time to the extent of any decline below the contract price in the fair market value of the commodity named, and the shipment or delivery specified, in the contract.
PROVIDED, however, that if the fair market value of the commodity named, for the shipment or delivery specified in the contract, has advanced above the contract price by an amount greater than ten (10) percent from the contract price, Sellers may not require of Purchasers any deposit authorized by this Rule, and similarly if such market value has declined ten (10) percent from the contract price, Purchasers may not require any similar deposit from Sellers.

1007.00. DEPOSITS AS SECURITY: HOW MADE.

Such deposits shall be in the form of a certified or cashier’s check payable to the party making the call and delivered to the Secretary of this Corporation to be held in escrow by him. The Secretary shall issue receipts in duplicate, not transferable, for all such deposits, and deliver one of such receipts to each party to the contract. Such receipts shall state by whom the deposit was made, for whose security it is held, the contract or contracts against which it is applicable, and that the deposit has been made and is returnable or applicable in accordance with the Rules of this Corporation, or decisions rendered pursuant thereto.

PROVIDED, however, that the depositor (in order to facilitate the return of a portion of the deposit as permitted by Rule 1012.00.) may at his option make the deposit in the form of two (2) checks, each for one half of the required deposit.

1008.00. DEPOSITS AS SECURITY: TIME OF.

Unless an appeal to the Board of Arbitration as to the amount of margins required has been taken (as provided in Rule 1013.00.), a party required to make a deposit of security shall have two (2) hours during regular banking business hours (Central Time), after receipt of the call for the deposit of security, within which time to make the required deposit.

1009.00. DEPOSITS AS SECURITY: APPLICATION OF.

All such deposits shall be held to have been given as security for the faithful fulfillment of any contract or contracts made or to be made between the parties; PROVIDED, however, that it may be prudent for either party to a contract to demand that the receipt shall express the particular contract in connection with which deposit has been made, and in such case the deposit shall be applicable only to that contract. Such deposit shall be applied or returned by the Secretary as directed by both parties or by a final decision of the Board of Arbitration.

1010.00. DEPOSITS AS SECURITY: FAILURE TO MAKE.

Any party who has failed, upon call, to make a deposit as required by Rule 1008.00. shall be deemed and held to have defaulted on the contract in connection with which it was called; and, in such case, the party who has called for such deposit shall thereupon have the right to buy or to sell (as the case may be) in the open market the undelivered portion due on such contract, or he may, by giving notice to the party in default, terminate the contract at the fair market price for the property, and the shipment or delivery specified in the contract at the time of the giving of such notice; and all differences between the contract price and the price at which the property has been bought or sold, or at which the contract has been terminated in consequence of such default, shall constitute the rule and measure of damages against the party in default. The party so buying or selling the undelivered balance, or so terminating the contract, may forthwith proceed against the party in default to collect or to enforce payment of all damages sustained by reason of such default.
1011.00. NOTICES.

All calls for deposit, or notices of the closing of contracts because of default, shall be served in writing on the opposite party in person, or by leaving the same with a competent person at his usual place of business, or with his duly authorized representative, or by registered mail or telegram to his last known place of business; and a copy of all such calls and notices shall be given to the Secretary.

1012.00. DEPOSITS AS SECURITY: RETURN OF.

If, after any particular deposit has been made, market conditions have adjusted themselves, or applications have been made on the contract so that none of that particular deposit (or a portion thereof, which has been covered by a separate check as permitted by Rule 1007.00.) could be required under the Rules, or if the contract or contracts to which the deposit is applicable has or have been filled or settled and all matters pertaining thereto adjusted, the party who required the deposit shall upon demand join in directing the Secretary to return the check (or checks) for such deposit (or for the excess portion thereof, as the case may be) to the depositor.

1013.00. DISPUTES.

In case of any dispute or difference between the contracting parties as to the amount of margins required as security under this Rule, the Board of Arbitration shall be convened immediately upon the oral or written request of any party interested, made to the Secretary of the Corporation. The Board so convened, after notice of hearing to all parties in interest, shall proceed to decide the question submitted without delay or adjournment, unless by consent of all the parties.

The decision of the Board of Arbitration shall be conclusive upon the parties and shall be complied with within thirty (30) minutes after the announcement thereof.

In case of any dispute or differences between the contracting parties as to such contracts or the termination or settlement thereof, or as to the fair market value of the commodities for the delivery contracted for, or as to such deposits, or the deposition thereof, any or all such matters shall be decided by the Board of Arbitration in the same manner as in the case of any other dispute or difference between Members. Deposits shall be returned or applied by the Secretary in accordance with the terms of such a final decision or award.

1014.00. DEPOSITS BY NONRESIDENT BUYERS.

In addition to the rights set forth in Rules 1006.00., 1007.00., 1008.00., 1009.00., 1010.00., 1011.00., 1012.00. and 1013.00., inclusive, the Seller shall have the right to require of nonresident Buyers, as security to be deposited with the Seller, a deposit of ten (10) percent based upon the contract price of the property sold and further security from time to time to the extent of any decline in the market value below said price. Deposits so made shall be applied on payment for property when shipped. Failure to deposit security as required within two (2) business days shall be considered a default, and the contract may be closed by sale on the open market of like quantity of property equal in quality to that called for in the contract period, twenty-four (24) hours' notice of such intention having been given to the Buyer.

1015.00. BARGE TRADING.

The following Rules shall apply to the shipment of grain, seeds, soybeans, or beans, hay and all "feedstuffs" whenever such shipments are designated by contract to be by barge.
1. **Barge:**
   a. The word "barge" shall mean a covered barge commonly used for carrying bulk grain or feedstuffs, which, without any weight or quantity reference, shall have no quantitative meaning insofar as these Rules apply.
   b. No multiple compartment barge or equipment that cannot be unloaded by a marine leg or barges other than 195/200 by 35 feet shall be tendered on contract without the specific consent of both the Buyer and Seller.

2. **Weights and Inspection:**
   a. The term "official weight" shall be any weight that meets the requirements specified by the Federal Grain Inspection Service in its regulations implementing the United States Grain Standards Act including both Class X and Class Y weights.
   b. The term "official/certified weights," unless otherwise specified, shall be the weights documented by a certificate issued by a disinterested supervisory agency. Weighing shall be performed by authorized persons under the supervision of the above agency.
   c. If weights other than Official or Certified Weights are provided for in the contract of purchase and sale, the weighing party shall on request of the other party indicate the method of obtaining weights and such other information on the weighing process as the other party may reasonably request, including copies of supporting documentation.
   d. Cargo transferred by truck or railroad to the loading barge after weighing in the elevator, or cargo weighed after the transfer to the elevator by truck or railroad from the barge being unloaded, shall not be considered officially/certifiably weighed.
   e. Every official/certified barge unload weight certificate shall also include the statement that all cargo in the barge was unloaded and that no cargo was left in the barge unless so stated on said certificate.
   f. In the event any portion of the barge cargo is not unloaded at the receiving elevator or at the receiving point the unloading Buyer must notify his Seller and the shipper within twenty-four (24) hours or as soon thereafter as practicable.
   g. **Grain:** When trade is based on destination weights, the unloading Buyer shall notify the original shipper of the final unload weights by telephone or telex within two (2) business days of unload, confirmed by mailing the original weight certificate to the original shipper, within five (5) business days of unload, accompanied by a statement covering the cost of weighing charges if applicable. The original shipper is then to make final settlement with the original weight certificate, or duplicate copy thereof, and all
intermediate parties shall make final settlement with the original weight certificate or duplicate copy thereof. All invoices are due and payable within five (5) business days. (This is not an extension of credit, but only the normal time to clear paperwork involved, and the time can be changed by the contract.)

h. **Feedstuffs**: The ultimate Buyer shall render final settlements of weight and quality with the original weight certificates, or duplicate copy thereof, within ten (10) business days of unload. All intermediate parties shall make final settlement with the original weight certificate, or a duplicate copy thereof, within five (5) business days of receipt. (This is not an extension of credit but only the normal time to clear paperwork involved and the time can be changed by the contract.

i. **Official Inspection**: The term "Official Inspection" without specifying class shall mean Class A Official Inspection. Unless otherwise specified, Official Inspection shall include only official grading factors that are included in the U.S. Grain Standards Act.

j. When barge grain is sold basis destination inspection, it shall be the obligation of the Buyer to obtain said inspection within five (5) calendar days of the date of arrival of the barge. When the barge cannot be opened for inspection away from the unload berth because of faulty equipment on the barge, it shall be the obligation of the Buyer to so notify the Seller within the inspection period specified herein.

k. **Certificate of Analysis**: When the contract guarantees a specific analysis on the feedstuffs being shipped, the contract must specify whether a certificate of analysis is required, and, if so, the certificate of analysis must specify the name of the laboratory rendering the certificate, the method of sampling used, when and where the sample was taken and the percentage of each factor for which there is a contractual requirement.

l. **Weights and Quality/Condition**: Feedstuffs. For feedstuffs sold basis origin analysis, the last Buyer in string to whom a barge has been applied may inquire of the original shipper as to its analysis provided at least five (5) business days have elapsed since the original Bill of Lading date.

3. a. **Quantity**: Where the quantity of a contract of purchase or sale of barge grain is described as one (1) barge, about forty-three thousand (43,000) bushels, or one (1) barge forty-three thousand (43,000) bushels, or ten (10) barges, about four hundred thirty thousand (430,000) bushels, the bushel reference, whether preceded by the word "about" or not shall become mean quantity for purposes of establishing tolerances as described hereinafter.

Where the quantity of a contract of purchase or sale of barge feedstuffs is described as one barge, about twelve hundred (1,200) short tons, or ten barges about twelve thousand (12,000)
short tons, the tonnage reference, whether preceded by the word "about" or not, shall become the mean contract quantity

b. **Tolerance - Grain:** In the absence of a clearly stipulated applicable tolerance in the statement of the quantity traded, it shall be understood that one thousand (1,000) bushels more or one thousand (1,000) bushels fewer than the mean quantity shall apply at contract price. A total tolerance of ten percent (10%) more or less than the mean quantity shall be permissable in the fulfillment of the contract, but if the tolerance is in excess of one thousand (1,000) bushels more or fewer, then the full tolerance shall be settled at the market value at the close of the first business day following the date of load or unload, whichever weight is applicable, of the last barge in fulfillment of the contract. At no time shall the total tolerance exceed thirty thousand (30,000) bushels, regardless of the mean contract quantity. Where the contract was originally written unpriced relative to a grain futures market or where a flat-priced contract also clearly spells out the equivalent premium or discount to a given grain futures market, the words "market value at the close of the first business day following the date of load or unload" shall mean the "basis at the close of the first business day following the date of load or unload," and the flat price shall be established at the time the tolerance becomes known by both parties to the contract.

c. **Settlements: Overfills and Underfills-Grain:** Overfills and Underfills shall be settled on a basis over or under the futures month currently used for the majority of cash trades.

To convert the basis the day after the last load or unload to a basis relative to the futures month currently used for the majority of the cash trades, the futures spread of the day after last load or unload shall be used.

On FOB Barge Contracts Buyer and Seller shall agree at time of contract on the freight rate to be used to settle overfills or underfills at time of unload.

d. **Settlements: Overfills and Underfills-Feedstuffs:** Overfills and Underfills within five (5) percent of contract quantity shall be provisionally paid at the contract price. Overfills and Underfills in excess of five (5) percent of the contract quantity shall be provisionally paid basis the fair market value on the date of the original Bill of Lading. If the Bill of Lading date is a Saturday, Sunday, or holiday, the next business day will be used. If the contract calls for specific barge quantities, each barge shall be provisionally paid individually. Final settlements shall be computed by the same method as provisional payments.

4. **Certain Terms Defined and Applicability Thereof:**

a. **FOB & CIF:** For purposes of barge contracts the term FOB means free of charges on board barge or vessel. The terms CIF or "delivered," followed by a destination point, shall mean FOB
origin, but the price includes the cost of the cargo FOB origin point, plus cargo insurance, plus barge or vessel freight to the destination rate point.

b. Cargo Insurance or Cargo Insured Bill of Lading Receipt of the aforementioned documents. If documents are presented by one o'clock p.m. (1:00 p.m.) Central Time, payment shall be made by two o'clock p.m. (2:00 p.m.) Central Time of the same business day. If payment is not made within the required time period, interest shall be charged at a rate over two and one-half percent (2 1/2%) over current Minneapolis prime rate.

c. Application: It shall be the obligation of Seller to furnish Cargo Insurance or a Cargo Insured Bill of Lading with respect to barges furnished by Seller involving FOB, CIF or delivered contracts, and it shall be the obligation of Buyer to furnish Cargo Insurance with respect to barges furnished by Buyer involving FOB, CIF or delivered contracts.

5. **Reconsignment/Diversion:** The Seller's only obligation with respect to destination on a CIF or delivered sale in Seller's barges is to furnish the Buyer a validated Bill of Lading ordering the barge to the rate point specified in the contract, but nothing in this Rule shall be construed as preventing the Buyer from seeking to divert the barge to other than the specified destination.

6. **Payment of Original Drafts and/or Invoices:** Presentation of validated Bill of Lading, a certificate of cargo insurance where applicable and any other loading documents required by the contract shall be evidence of shipment on a CIF or delivered barge contract. Sight Drafts are subject to payment on presentation.

7. **Applicability/Time of Shipment:**

   a. The date of the original validated barge Bill of Lading consigning the shipment to the destination specified by the contract shall be the determining date for establishing time of shipment on contract. The time of shipment must always fall within the contract period, unless otherwise mutually agreed upon by Buyer and Seller.

   b. Bill of Lading shall not predate notification of application by more than seven (7) calendar days. Example: Bill of Lading Date 4-3-84 -- last applicable date 4-10-84 at 11:00 a.m. Central Time.

   c. Certificate of Inspection for grain barges shall not predate Bill of Lading date by more than three (3) calendar days.

   d. For grain transactions made on the basis of origin official/certified weights, the weight certificate shall not predate the Bill of Lading by more than three (3) calendar days.

   e. Application of a barge is the exchange from Seller to Buyer of the following items: (1) barge number, barge operation; (2) loading
elevator, original shipper; (3) Bill of Lading date; (4) quantity in barge (bushels, tons); (5) in the case of grain, type of inspection (e.g., state or federal) and number grade, all factors.

Barges may be applied on contract Monday through Friday, holidays excepted, between the hours of eight o'clock (8:00 a.m.) and four o'clock (4:00 p.m.) Central Time, except the last day application barges, which must be applied by eleven o'clock (11:00 a.m.) Central Time.

8. Demurrage: For barges applied before or after arrival at the destination specified in the contract, the Buyer shall be entitled to such free time and demurrage terms as specified in the contract. Time to commence the first seven o'clock (7:00 a.m.) Central Time following (a) arrival of the barge at the destination specified in the contract or (b) following notification of application if application is made after arrival of the barge.

9. FOB Buyer's Barge Contracts: If the Buyer fails to furnish barges on such contracts within the contract period, it shall be the duty of the Seller, after having given the Buyer twenty-four (24) hours' telephone notice to complete the contract and confirm in writing, to elect to (a) agree with the Buyer upon the extension of the contract, (b) sell out the unshipped balance for the Buyer's account or (c) cancel the defaulted portion of the contract at fair market value for the unshipped balance.

10. Title: Passing of Title as well as Risk of Loss and/or Damage: Unless otherwise specified by contractual agreement, title, as well as risk of loss and/or damage, passes to the Buyer as follows:

   a. With respect to grain on FOB origin or FOB basing point contracts, or CIF contracts at time and place of shipment: The time is the moment of either (1) the issuance by the carrier of a validated Bill of Lading in accordance with Seller's instruction or (2) transmittal of wire, telex or written shipping instructions by the Seller to the carrier in accordance with Buyer's instructions.

   b. With respect to Feedstuffs: Title and risk of loss or damage caused by other than by going out of condition shall pass as provided in Paragraph 10 (A), but the original shipper shall be responsible for the condition of the feedstuffs up to (a) five (5) calendar days subsequent to the arrival of the barge at destination, or (b) commencement of unloading of the barge, whichever occurs first. (2) If the barge is sold after reaching its destination, the Seller and each subsequent Seller will be responsible for the condition of the feedstuffs for five (5) calendar days following the date of each reconsignment. (3) The Buyer will have until four o'clock (4:00 p.m.) Central Time on the fifth (5) calendar day following the date of arrival of the barge at destination to notify the Seller of any out of condition cargo. If the fifth (5) calendar day falls on a Saturday, Sunday or holiday, the following business day shall be considered the fifth (5) calendar day. (4) If the Buyer, under the provisions of Rule 10 (B) (1), (2) and (3) above, declares a barge of feedstuffs infested, the Buyer will notify the Seller of the cost of fumigation. The Buyer will
assume the responsibility to fumigate the barge at the mutually agreed expense of the Seller; alternatively, the Seller has the right to fumigate the barge within twenty-four (24) hours at the Seller's expense. If, in the latter case, the Seller has not fumigated the barge within twenty-four (24) hours the Buyer may arrange for fumigation at the reasonable expense of the Seller. The barge cannot be rejected on account of infestation, and demurrage incurred shall continue for the account of the Buyer.

11. **Unpriced Grain Contracts:** Unless otherwise agreed all unpriced contracts shall be priced within the day's price range at Buyer's option, while futures markets are open and tradeable, but in no case shall pricing orders go beyond the requested date of shipment, or the day before the first notice day of the contract futures month involved, whichever comes first.

1100.00. RE COURSE FOR HEATING AFTER DELIVERY.

If a carload of any commodity has been sold or applied on sale basis "delivered" to an unloading industry located within the Minneapolis or St. Paul switching district, if the Buyer has not rejected the car (or made other agreement or settlement with the Seller with respect thereto) within forty-eight (48) hours (Saturdays, Sundays and holidays excepted) after actual or constructive delivery has been made to the unloading industry, he shall not be allowed any claim for loss resulting from the commodity heating unless he is able to prove that at the time of such actual or constructive delivery the commodity was in a heating condition and the Seller had knowledge of the fact. The records of the railroad company shall be prima facie evidence of the time of such actual or constructive delivery.

1101.00. ACCEPTANCE OF NO. 5 AND SAMPLE GRADE CORN.

In all sales of corn grading No. 5 or sample grade because of moisture, unless otherwise agreed, the Buyer, if he has been able to obtain a sample of such corn within the Minneapolis or St. Paul or Duluth or Superior switching districts, must accept or reject such corn or notify the seller of his desire to call for a reconsideration of grade, by eleven o'clock (11:00) a.m. of the business day next succeeding the day of sale. If the Buyer has not been able to get his sample, he shall so notify the seller, and the time for acceptance, rejection or notice of desire to call for a reconsideration of grade shall be extended accordingly, but the Buyer must so act as soon after receipt of his sample as practicable.

PROVIDED, however, that the requirements of this Rule shall not apply in the case of cars that are inspected "in heavily loaded car."

1102.00. CALLS FOR RECONSIDERATION OF GRADE.

The expression "call for Reconsideration of Grade" as used in the Rules shall mean any request to the proper grading authorities for reinspection, appeal, Federal appeal, appeal to the Board of Grain Supervision or for any other grading of the contents of a car or of a lot or parcel of any commodity that you supersede the grade then in existence, including any request for a recheck of protein.

A. A party who desires to call for a reconsideration (or reconsiderations) of grade on the contents of a car or a lot or parcel of any commodity shall first give to the other party at interest written notice of his desire to do so. If reconsideration of a Federal appeal grade is desired, a separate notice of such desire must be given. Permission to call for the desired reconsideration of grade must be granted by the other party, or the car must be replaced with another car of like grade and quality or other satisfactory settlement made.

B. The cost of the reconsideration of grade, if any, shall be borne by the party making the call.
C. Ordering a car "On Track" without the unloading destination being established shall not be construed as moving or ordering a car toward a specific unloading destination within the meaning of the Rules.

D. Commodities in cars that have been billed to Minneapolis and that are "On Track" at points in Minnesota designated as sampling points by the Public Service Commission, or that are in transit between such points and Minneapolis, shall be considered the same as if actually "On Track" in railroad yards in Minneapolis.

In the case of commodities in cars at outside "Hold" or inspection points (whether located in Minnesota or elsewhere) sold to go to Minneapolis or St. Paul, or to some point beyond Minneapolis or St. Paul, or to Duluth-Superior (unless otherwise agreed) inspection, resampling and calls for reconsideration of grade shall be permitted at Minneapolis or St. Paul, or at Duluth-Superior on the same terms and conditions as though the cars had been sold after arrival in such markets.

1103.00. SHIPPERS' RIGHT TO OFFICIAL GRADES AND PROTEINS.

All shippers in this market shall have the right to official grades and proteins under the following terms:

Official grades and proteins based on official samples may be obtained by special written request only at the time of shipment.

Official grades and proteins based on submitted samples may be obtained at the time of unload, provided the request is made on the truck Bill of Lading or on written shipment advice.

Official grades and proteins based on a file sample, may be obtained for a minimum of five (5) calendar days after unload when firms are providing in-house grades and proteins.

All expenses incurred in obtaining official samples, grades and proteins, including truck detention and rail demurrage, shall be for the account of the shipper.

1104.00. HEAVILY LOADED CARS.

Cars so heavily loaded that they are inspected "in heavily loaded car" should be bought and sold on basis of special contracts made at time of trade between the Buyer and Seller, covering these conditions.

1105.00. INBOUND RATES, TRANSIT, ETC.: AGREEMENT CONCERNING.

In all sales made on arrival in Minneapolis-St. Paul or Duluth-Superior or at an outside "Hold" or inspection point all matters relative to point of origin, transit, inbound rates and location of the car should be understood and agreed upon by the Buyer and Seller and incorporated in the articles of trade. Unless otherwise agreed, the Seller shall be deemed and held to warrant:

A. That there has been no previous transit stop on the car or transit billing used in connection with its movement; and,
B. That the free time has not expired and the car is not on demurrage.

1106.00. SWITCHING, DEMURRAGE AND RECONSIGNING CHARGES: LIABILITY FOR.

A. If a call for reconsideration of grade or official Minnesota protein is made by the Buyer on cars to be delivered either "On Track" or at local unloading industries, and the grade or protein is not changed, switching and demurrage charges caused by such call shall be paid by the Buyer; but, if the grade or protein is changed, such charges shall be paid by the Seller.

B. If the call for reconsideration of grade or protein is made by the Seller, all switching and demurrage charges caused by such call be paid by the Seller whether or not the grade or protein is changed.

C. Any charges accruing previous to sale of cars are to be paid by the Seller.

D. Any reconsigning charges accruing after the sale, at the instance of the Buyer, are to be paid by the Buyer.

1107.00. PROMPT EXAMINATION OF CARS.

In order to reduce to a minimum the expense for switching and demurrage suffered by Sellers resulting from cars being "run through" at unloading industries on account of reconsideration of grades, recheck of proteins, or disputes as to quality, operators of unloading industries shall make every effort practicable to examine cars promptly after they are first delivered on the tracks of the industry, or those of the railroad company adjacent thereto, for the purpose of determining whether the cars were correctly graded, or are as represented by the sale sample.

1108.00. FREIGHT ON CARS LOADED BELOW MINIMUM CAPACITY.

If a carload of any commodity has been sold basis delivery "On Track" Minneapolis-St. Paul or Duluth-Superior for shipment to an unloading destination outside of Minneapolis-St. Paul or Duluth-Superior, the Seller shall pay the freight to the agreed unloading destination on the difference between the minimum shipping load for the car permitted by the carriers' tariffs and the actual load in the car.

If a carload of any commodity has been applied on a Sale "To Arrive," the Seller shall pay freight to the agreed unloading designation on the difference between the minimum shipping load for the car permitted by the carriers' tariffs and the actual load in the car.

1109.00. FREIGHT BILLS: SELLER TO FURNISH.

Sellers shall furnish Buyers duplicate inbound paid Freight Bills for all cars sold (or applied on sale) in cases where the Seller has paid the freight. Such duplicate Freight Bills must be those covering the identical cars sold (or applied on sale) and must be delivered to the Buyers as expeditiously as possible and, in any case, not later than ten (10) days after the date of the Freight Bills.
1110.00. BUYER TO BE REIMBURSED FOR FREIGHT CHARGES, ETC.

If a sale of a track carload of any commodity has been made basis "delivered" at a point outside of Minneapolis, the Seller shall, upon receipt of complete papers, including weight certificate, Freight Bill and reconsigning and reconsigning and/or demurrage charges (if any) accruing prior to delivery at final destination, immediately reimburse the Buyer for the same.

In sales made bases delivery "On Track Minneapolis for O.W.B." or "On Track Minneapolis for Shipment," the Seller, upon receipt of complete papers covering freight, reconsigning or demurrage charges (or overcharges) accruing prior to such delivery, shall immediately reimburse the Buyer for the same.

1116.00. WEIGHTS.

In all sales of commodities to be unloaded, Buyer and Seller shall agree at the time of the sale on the character of the weights to be furnished.

1117.00. SHIPPERS' WEIGHTS.

When a sale of a carload of any commodity has been made based on "shippers' weights," these weights (supported by an affidavit of the shipper certifying to the accuracy of the same) shall be furnished within two (2) weeks after the date of the application of the car upon the sale. In case of failure of the Seller to furnish shippers' weights so certified within the two (2) weeks mentioned, settlement shall be based upon destination weights.

1118.00. WEIGHTS ON BILLS OF LADING.

When shipments are weighed under supervision of State or other official/certified authorities, Bills of lading shall bear a notation to that effect.

1119.00. BUYER TO ACCEPT AMOUNT IN CAR.

In all sales of commodities made on arrival the Buyer shall accept the amount contained in the particular car purchased, except where a car is found to be unevenly loaded.

1125.00. DISPOSITION ORDERS: FORM OF.

All cars of commodities arriving in this market shall be ordered to unloading industries, "On Track" or to Outgoing Railroad Yards, by means of Disposition orders to be issued in duplicate, the form of which shall be as prescribed (or approved) from time to time by the Board of Directors.

1126.00. DISPOSITION ORDERS: "ON TRACK" CARS.

Disposition Orders covering cars ordered "On Track" or to Outgoing Railroad Yards for shipment shall in all cases carry any and all protection shown on the original Bill of Lading.

1127.00. DISPOSITION ORDERS AND OTHER DOCUMENTS: DELIVERY OF.

Buyers must demand and Sellers must deliver to Buyers the duplicate copy of the Disposition Order, duly executed and endorsed by the Seller to the Buyer, and signed or stamped by the
carrier's agent or his representative upon payment or invoices based on final weights of cars unloaded within the Minneapolis-St. Paul or Duluth-Superior switching districts.

Documents passing title (i.e., duplicate Disposition Orders, Bills of Lading or elevator Load-out Notices, as the case may be) shall be delivered to the Buyer upon payment of the advances authorized by Rule 1146.00.

In all cases, if the Seller has delivered his invoice or request for advances by the required time, he is entitled to payment if he has the Disposition Order or other necessary documents ready for delivery to the Buyer at the time payment is due.

If such Disposition Order or other documents have been delivered to the Buyer prior to the time required for payment of the invoice or request for an advance and, if for any reason, the Buyer fails or declines to make payment therefor when due, he shall forthwith upon demand return the Disposition Order or other documents to the Seller.

1128.00. DISPOSITION ORDERS: DELIVERY TO OPERATOR OF INDUSTRY.

Operators of industries located within the Minneapolis-St. Paul or Duluth-Superior switching districts unloading commodities for others must demand as authority for unloading, and the parties for whom such commodities are loaded must surrender the Duplicate Disposition Order covering each car unloaded not later than next business day following the day on which the car was unloaded.

1129.00. AUTHORITY TO SIGN DISPOSITION ORDERS AND LOAD-OUT NOTICES.

Members and entities shall furnish to the Railroad Joint Agent the authorized signatures or persons authorized to sign and endorse Disposition orders and Load-out Notices.

1130.00. ORDERING CARS TO INDUSTRIES.

No Member or entity shall order cars for the purpose of avoiding proper demurrage charges, or order cars to any industry except for the purpose of unloading thereat.

Notice that cars have been ordered to an industry must be given to the operator of the industry by the party for whose account the cars are to be unloaded on the same day on which the cars were so ordered. Failure to give such notice (in addition to being a violation of this Rule) shall relieve the operator of the industry of liability for demurrage or switching charges, or for damage to contents of cars resulting from delay in unloading, caused by such failure.

1135.00. SALES: TO BE FOR CASH.

All sales of commodities, unless agreed to the contrary, whether for delivery "On Track," or at unloading industries, or FOB, or in any other manner or in any place shall be for cash. The Buyer is required to pay invoices and requests for advances with checks drawn on Minneapolis or St. Paul banks, unless agreed otherwise.

1136.00. PASSING OF TITLE.

Unless otherwise specified by contractual agreement, title passes to the Buyer as follows:
A. On FOB origin or FOB basing point contracts at time and place of shipment. The time is the moment of acceptance of the appropriate shipping document by the carrier.

B. On delivered contracts, when constructively placed, or otherwise made available at Buyer's original destination.

C. Title to commodities sold (or applied on sale) basis delivery "On Track" in Minneapolis-St. Paul or Duluth-Superior, or at an outside "Hold" or inspection point, with unloading weights at a destination outside the Minneapolis or St. Paul or Duluth or Superior switching districts to govern, shall pass if, as, and when the Bill of Lading, duplicate Disposition Order or elevator Load-Out Notice (as the case may be), properly signed, endorsed and/or stamped so as to assign the right to possession of the car to the Buyer, has been delivered by the Seller to the Buyer.

1137.00. WARRANTY OF TITLE BY SELLER.

In all sales of commodities in this market the seller, whether acting as owner, agent or Commission Merchant (except when acting as Broker as defined in MGEX Rules and Regulations), shall be deemed and held to warrant his right to sell and pass full clear title to the commodities. In every sale a warranty of the title by the seller to the purchaser of the commodity is a part of the contract of sale with the same force and effect as if expressly incorporated therein; PROVIDED, that at the time of the making of the contract of sale the parties thereto may limit the obligation of the seller by an agreement in writing expressing such limitation.

1138.00. RISK OF LOSS: COMMODITIES IN CARS OR TRUCKS.

On commodities sold basis unloading weights at industries located within the Minneapolis-St. Paul or the Duluth-Superior switching districts the Buyer shall assume the risk of loss by fire or other causes when the car or truck containing the commodity so sold has been delivered to the unloading industry specified by the Buyer.

1139.00. FINAL ACCEPTANCE OF CARS.

Except as otherwise provided in this Chapter or agreed by the parties, final acceptance of commodities sold or applied on sale shall take place:

A. In the case of a sale made basis "delivered" to an unloading industry, whether in Minneapolis or elsewhere, if and when the car has been unloaded. PROVIDED, however, that settlement and acceptance of an unevenly loaded car shall be a matter of separate agreement between Buyer and Seller, and any portion of the grain identity -- preserved under the supervision of the official/certified Weighmaster shall remain the property of the Seller until such agreement is reached;

B. In the case of a sale made basis delivery "On Track" Minneapolis, Duluth or elsewhere, for shipment beyond Minneapolis or Duluth, if and when the car has left the switching districts of Minneapolis-St. Paul or Duluth-Superior;
C. In the case of a sale made basis delivery "On Track" at an outside "Hold" or inspection point, or elsewhere, for shipment to an interior destination without moving through Minneapolis or Duluth, if and when the car has left its location at the time sale.

If commodities are sold (either upon arrival in Minneapolis or Duluth or at an outside "Hold" or inspection point) and billed by the Seller at the Buyer's request to some destination outside the Minneapolis-St. Paul or Duluth-Superior switching districts, the sale shall be considered as having been made basis delivery "On Track" unless the terms of the sale specifically provide that it is made basis "delivered destination."

If a sale specified that grades other than the destination grades shall govern, any change in grade upon arrival at destination (whether on Federal appeal or otherwise) shall not be material as between Buyer and Seller.

1140.00. DIVERSION OF CARS: BY BUYER.

Whenever a sale of a carload of any commodity has been made, basis delivery at a specified unloading industry (or basis delivery "On Track" but to unload at a specified industry or destination), the Buyer shall not reorder or divert the car from such specified industry or destination without having secured the consent of the Seller so to do, which consent must be secured upon every such change.

Any reordering or diversion of a car away from such specified industry or destination, unless otherwise agreed, shall constitute a final acceptance of the car and shall entitle the Seller to a cash advance on the commodity sold equal to ninety percent (90%) of its value (based on the sale price), and, unless official/ certified destination weights can be furnished, settlement shall be made basis shipper's affidavit weights, or other weights, or other weights satisfactory to the Seller.

1141.00. PROCEEDS OF INSURANCE PLACED BY OTHERS THAN OWNER.

In case of loss by fire or other causes, if insurance has been placed that is payable to someone other than the actual owner of the commodity, the proceeds of the insurance shall stand as security in favor of such actual owner (or the Buyer, if he has become liable for such loss) as their interests may appear; and any Member or entity collecting such proceeds shall hold them in trust to the extent of the interest of, and pay the same to, such actual owner, or Buyer, as their interests may appear.

1145.00. ADVANCES ON CARS SOLD TO UNLOAD LOCALLY.

When a sale has been made basis "delivered" to an unloading industry within the Minneapolis-St. Paul or Duluth-Superior switching districts, if the car has not been unloaded within ten (10) days after being actually or constructively placed upon the tracks of such industry, then and in that event the Buyer shall pay the Seller (upon demand) a cash advance on the commodity sold equal to ninety percent (90%) of its value based on the sale price.
1146.00. ADVANCES ON CARS SOLD TO UNLOAD AT OTHER DESTINATIONS.

When a sale of a carload of any commodity has been made on arrival at Minneapolis-St. Paul or Duluth-Superior, or at an outside "Hold" or inspection point, or elsewhere, (or such a car has been applied on a Sale "To Arrive") with unloading weights at a destination outside the Minneapolis-St. Paul or Duluth-Superior switching districts to govern, the Seller shall have the right to demand a cash advance on the commodity equal to ninety percent (90%) of its value based on the sale price if, as, and when documents passing title to the commodity have been delivered to the Buyer.

If the sale has been made basis delivery "On Track" at origin, at Minneapolis-St. Paul or Duluth-Superior, or at an outside "Hold" or inspection point, the Buyer may not charge any interest on the advance. If the sale has been made basis "delivered" at some point outside the Minneapolis-St. Paul or the Duluth-Superior switching districts, the Buyer shall have the right to charge the Seller interest on such advances, from the time when paid, up to and including the next business day following the day on which the car is unloaded at its destination, except that such interest shall stop ten (10) days after the car has been actually or constructively delivered to the unloading industry.

1147.00. DIRECT PAYMENT TO THE COUNTRY SHIPPER.

When making direct payment to the country shipper, payment shall be forwarded or credited to the shipper's account within five (5) business days after the date on the last applicable certificate.

1150.00. LOAD-OUT NOTICES.

The control of carloads of commodities loaded out of elevators within the switching districts of Minneapolis-St. Paul or Duluth-Superior shall be surrendered to the party for whose account the car was loaded by the delivery of a uniform elevator Load-out Notice covering such cars. Such Notices shall be in triplicate and in a form as prescribed or approved from time to time by the Board of Directors, (see Regulation 2026.00.) and no Notice shall represent more than five (5) cars.

The original and duplicate Load-out Notices shall be surrendered to the carrier's agent or his representative with Bills of Lading or Disposition Orders.

1151.00. PAYMENT OF TERMINAL ELEVATOR CHARGES.

Invoices for terminal elevator charges, including storage, cleaning, drying, and other handling charges, State weighing and inspection fees, insurance, switching and demurrage charges and all other proper charges must be paid within five (5) business days after their receipt.

Pan Tickets shall be used in connection with all carloads of any commodity offered for sale in this market and shall show (a) the car number, initial and inbound carrier, (b) the outside "Hold" or inspection point, if any, and the location of the car if not in the yard of the inbound carrier or first position, (c) the grade of the commodity and all the grade factors or other notations, including protein tests, furnished with the grade, (d) information concerning any previous transit stop or transit billing used in shipping the car.
All the information furnished by the Sampling Department, including the date on which the sample was obtained, must be shown either on the Sampling Department's ticket or on the Pan Ticket, and none of such information may be omitted, erased or altered.

1160.00. CASH MARKET PARTICIPANTS.

Entities having cash trading privileges may participate as principal and/or agent, or act as agent for both Buyer and Seller, in cash commodity transactions executed in the Exchange Room. However, such participants must disclose to other participants in the Exchange Room and the Cash Grain Market Reporter when they act as both principal and agent, or as agent for both Buyer and Seller.

Any party that is not an entity having cash trading privileges may participate in cash commodity transactions executed in the Exchange Room as a Buyer or Seller only by consignment through an entity having cash trading privileges.

1161.00. CONSIGNMENT.

Any cash commodity consigned to an entity having cash trading privileges for sale must be displayed in the Exchange Room for competitive bids prior to sale. The consignee must also disclose to participants in the Exchange Room and the Cash Grain Market Reporter that the commodity is being sold on consignment. If the best bid is from the consignee or an affiliate of the consignee, then the consignor must be informed prior to the sale being completed.

1162.00. REPORTING CASH COMMODITY SALES.

Entities having cash trading privileges shall report all sales of loaded rail cash commodities made in the Exchange Room to the Cash Grain Market Reporter as soon as practicable after the sales are made.

The Board of Directors is authorized to prescribe by Regulations, the time, contents and method of reporting. All such reports shall be in accordance with the provision of such Regulations.

1163.00. CONFIRMATIONS.

Whenever a trade in a cash commodity is made, each party to the trade shall furnish to the other a signed Confirmation of the same not later than the next business day following the day of trade.

Members and entities, who or which has executed an order for the purchase or sale of any commodity, under the MGEX Rules and Regulations, when acting as a Commission Merchant, or as an agent for others, shall furnish to each customer or principal for whom he is acting a written statement containing the names of the parties from whom the property was bought or to whom it was sold (as the case may be), the time when, the place where and the price at which the same was either bought or sold. (See Minnesota Statute Section 624.70.)
1164.00. DELIVERY OF DOCUMENTS TO THE ORIGINAL CONSIGNEE.

When grain and oilseeds (truck and rail, spot and "To-Arrive") are unloaded in the Minneapolis-St. Paul and Duluth-Superior switching districts, the unloading industry must forward or must provide the responsible certificate agency instructions to forward weight, grade, protein and oil certificates to the original consignee within three (3) business days of the dates appearing on the certificates. In the event the above certificates bear different dates, the latest date shall govern.

If all settlement factors (grade, protein, oil, etc.) are determined in-house, it shall be the responsibility of the unloading industry to forward said certificates within three (3) business days of the date of unload.

The original shipper has the responsibility of furnishing a Bill of Lading or advice of shipment that clearly identifies the original consignee at the time of unload. If the shipper fails to identify the original consignee, certificates shall be forwarded within three (3) business days after the identify becomes known.

1165.00. CARS UNLOADED AT THE WRONG RECEIVING INDUSTRY.

In the event a car of grain, oilseed or byproduct is unloaded at the wrong receiving industry, the following methods for arriving at a settlement price shall govern. PROVIDED proper shipping advice, has been made in accordance with the Minneapolis Grain Exchange Rule 1130.00.

ORDERING CARS TO INDUSTRIES.

A. The Seller and the unloading industry agree on a new sale price for the car (Seller agrees to replace car to original destination) or,

B. If the Seller and the unloading industry cannot agree on a price, the unloading industry must replace a like quantity, quality and protein (when applicable) to the original destination. Replacement cars must carry transit privileges equal to the cars unloaded by mistake.

Settlement is to be made within five (5) business days after the mistake is known to both parties. Nothing in Rule 1165.00. may be interpreted to limit carrier liability for misdelivery. Carrier liability is to be determined at Law.

For the purposes of this Rule the term "FOB" (Free on Board) means that the Seller undertakes for the price named to deliver the commodity specified in the contract to the discharge end of the loading spout free of charges to the Buyer.

The provisions of this Chapter shall apply unless the terms of the FOB vessel contract otherwise provide, but shall not interfere with the rights of Buyers and Sellers to make contracts whose terms differ from or are not included in those herein contained.

1301.00. PASSING OF TITLE AS WELL AS RISK OF LOSS AND/OR DAMAGE.

Unless otherwise specified by contractual agreement, title passes to the Buyer once the delivery of grade and weight certificates, as well as the Bill of Lading or mate's receipt(s), has been made to the Buyer or his agent and the Seller has received payment. Payment shall be made upon receipt of the aforementioned documents. If documents are presented by one o'clock p.m. (1:00) p.m. Central Time, payment shall be made the same business day. If payment is not made within the required time period, interest shall be charged at a rate of two and one-half percent (2 1/2%) over current prime rate as quoted in the Wall Street Journal (if more than one prime rate is quoted, it will be the average of the quotes).

Unless otherwise specified by contractual agreement the risk of loss and/or damage passes to the Buyer once the commodity contracted for has left the discharge end of the loading spout.

1302.00. QUANTITY.

Quantity in bulk, including dockage, five percent (5%) more or less at Buyer’s option, and at market price (per Rule 1309.00.) as follows: If the first delivery under this contract is for a quantity between contract minimum and contract maximum (both inclusive), no further deliveries shall be made. If this contract is to be executed by more than one vessel, the loading tolerance of five percent (5%) more or less shall apply on the difference between the mean contract quantity and the quantity that has been delivered on all prior vessels. Any delivery which falls within this difference, plus or minus five percent (5%), shall complete the contract.

1303.00. WEIGHT.

Unless otherwise agreed, commodity factors shall be in accordance with the official United States Grain Standards in effect on date of this contract.
1305.00. QUALITY.

Each party hereby authorizes the other party to request in both parties' names an appeal inspection under the U.S. Grain Standards Act at any time prior to or during the loading of the vessel, and whether or not such request was filed before commencement of loading. The cost of such appeal inspection, unless otherwise stipulated in this contract, shall be borne by the party requesting it. Delivery of higher grades of grain of the same type and description is permissible.

1306.00. DELIVERY.

Delivery shall be made between _______ and _______, both inclusive (the "delivery period"), at discharge end of loading spout, to Buyer's tonnage in readiness to load, in accordance with custom of the port and subject to the elevator tariff to the extent that it does not conflict with the terms of this contract. Incorporation of a loading rate guaranty in this contract shall not entitle Seller to delay delivery.

1307.00. VESSEL NOMINATIONS.

It shall be the responsibility of the Buyer of FOB vessel grain Duluth/Superior to give vessel nominations in writing during a normal business day.

Upon receipt of a vessel nomination, the Seller must promptly acknowledge receipt of and accept or deny the nomination, and either pass the nomination to a party with whom the Seller has a contract for the delivery of FOB vessel grain Duluth/Superior or declare a loading elevator to the Buyer.

Upon receipt of a vessel nomination, the loading elevator may have a maximum of eighteen (18) hours (excluding Saturdays, Sundays, and holidays) in which to prepare for probable vessel readiness for loading grain. All grain is to be ready for delivery to the vessel when required to be loaded aboard the vessel, and in the event such grain is not available at that time, the party at fault shall be considered in default.

Both vessel and berth nominations are irrevocable eighteen (18) hours (excluding Saturdays, Sundays and holidays) prior to vessel's estimated commencement of loading at the nominated berth unless both Buyer and Seller agree to a substitution.

It shall be the duty of the Buyer to keep the loading elevator informed of changes in expected time of vessel readiness.

The vessel shall not be prevented from filing and from taking its place in the vessel line-up at the designated berth during the preadvice period or before commencement of the delivery period, notwithstanding which, Seller shall not be obliged to effect delivery to the vessel before the expiration of the preadvice period or before commencement of the delivery period. For the purposes of this contract a vessel shall be considered filed when it:

A. Has tendered valid notice of readiness to load to the charterer or his agent at the port of loading;

B. Has given written advice of such tender to the loading elevator, complete with all customarily required documents, such advice having been presented between the hours of 0800 and 1600 local time on a business day or between the hours of 0800 and 1200 noon on Saturday (provided not a holiday) and:

C. Is ready to receive grain in the compartments required for loading under this contract.
Bills of lading and/or mate's receipts to be considered proof of date of delivery in the absence of evidence to the contrary. Any delivery in partial fulfillment of this contract shall be considered as if made under a separate contract.

1308.00. DAYS.

First half shall be defined as calendar days one (1) through fifteen (15) both dates inclusive. Last half shall be defined as calendar days sixteen (16) through the last calendar day of the month, both dates inclusive.

1309.00. PRICE.

If the contract price is to be established on an exchange of futures, futures shall be exchanged prior to delivery of the commodity or at least five (5) calendar days, prior to the last trading days, of the applicable futures month, whichever is earlier, to the nearest five thousand (5,000) bushels of the mean contract quantity. If deliveries under this contract result in a variance from the mean contract quantity, there shall be another exchange of futures as soon as possible after the last day of loading to bring the resulting amount of futures exchanged to the nearest five thousand (5,000) bushels of the quantity delivered. All exchanges of futures shall be made within the range of prices prevailing on the futures market on the date of the exchange. The variance from the mean contract quantity shall be settled basis the market value as defined in paragraphs A and B below:

A. The FOB (flat price) market value, or the market value of the premium, as the case may be, shall be that prevailing on the close of the appropriate market in Duluth/Superior of the commodity on the last date of loading, if such be a business day, otherwise on the close of such market on the previous business day.

B. In the event the parties do not agree on the market value by the time the shipping documents are ready to be transmitted to Buyer, Seller shall invoice the entire shipment provisionally at contract price. Thereafter, final invoice for the difference between contract price and market value shall be presented as soon as possible and payment shall be made immediately.

1310.00. NOTICE OF DELIVERY.

Notice of delivery stating vessel's name, dates of bills of lading (or mate's receipts), quantities and qualities loaded (including percentage of dockage if applicable) shall be passed on by Seller to Buyer without undue delay. Notices of delivery shall be subject to correction of any errors.

1311.00. INSURANCE.

Marine and war risk (plus strikes, riots, civil commotions and mine risk) insurance, covering Seller's/Buyer's interests as they may appear, is to be covered by Buyer with first-class approved companies and/or underwriters and to be confirmed by such companies and/or underwriters to Seller prior to the expected readiness of the vessel. If this confirmation is not received by Seller by such time, Seller may place such insurance for Buyer's account and at Buyer's risk and expense.

1312.00. COMMUNICATIONS.

All notices under this contract shall be given by letter, if delivered by hand on the day of writing, or by cable, telex or other method of rapid written communication. Any notice received after 1600 hours (local time at place of receipt) on a business day shall be deemed to have been received on the following business day, except that for preadvice given and received by parties which are both located
in the Continental United States and/or Canada, the reference herein to 1600 hours shall signify 1600 hours Central Time.

1313.00. CIRCLES.

A. For the purposes of this clause, a circle shall consist of a series of contracts in which each Seller is also a Buyer of a commodity of the same description and quality, and with compatible delivery periods.

B. If this contract forms part of a circle, each party may agree with the other parties in the circle to forego actual delivery and to participate in a clearing agreement for the settlement of contract price differences. Monies due and owed to parties in the circle shall be payable on the middle day of the contract delivery period.

C. If a circle can be shown to exist but no clearing agreement has been reached by the tenth (10th) calendar day following the last day of the delivery period, actual delivery shall not be made and payment shall be made by each Buyer to his Seller of the excess of Seller’s invoice amount over the lowest invoice amount in the circle. Such payments shall be made promptly after the tenth (10th) calendar day following the last day of the delivery period.

D. Should any party in a circle fail to make payment on the due date as required under paragraph B or C above for reasons cited in Minneapolis Grain Exchange Rule 1318.00, or for any other reason, payment shall be made between each Buyer and his Seller of the difference between the Seller’s invoice amount at contract price and the market value of the commodity on date of insolvency or default, as the case may be. Such payment shall be made latest on the second business day after the due date under paragraph B or C above. Payments already made under paragraph B or C above shall be refunded.

E. All circle settlements shall be based on the mean contract quantity. If a circle under paragraph B, C or D above exists, Minneapolis Grain Exchange Rules 1314.00 and 1316.00 shall not apply. Payments due on a non-business day shall be made not later than the following business day. All payments made after the delivery period shall include carrying charges from the day following the last day of the delivery period, to the date of payment, at the rates stipulated in this contract. These carrying charges shall be settled individually between Buyer and Seller.

F. The parties agree that any dispute arising out of the voluntary clearing agreement entered into in accordance with paragraph B above shall be subject to arbitration as per Rules of the Minneapolis Grain Exchange.

1314.00. FAILURE TO TAKE DELIVERY.

Should the Buyer not take delivery of the grain within the established contract period, he shall be in breach of contract, and the Seller shall carry the grain on carrying charges for Buyer’s account from the day following the last date of contract delivery period up to the date(s) of delivery, both dates inclusive, and such carrying charges shall include storage and insurance charges as provided in his elevator tariff, or as prescribed in the contract if the carrying charges are different from those prescribed in the elevator tariff, plus interest basis mean contract quantity or open balance basis mean quantity as follows:
One percent (1%) over current prime rate as quoted in the Wall Street Journal (if more than one prime rate is quoted, it will be the average of the quotes) when the prime rate is less than seven percent (7%).

One and one-half percent (1.5%) over current prime rate as quoted in the Wall Street Journal (if more than one prime rate is quoted it will be the average of the quotes) when the prime rate is seven (7%) or more but less than eight and one-half percent (8.5%).

Two percent (2.0%) over current prime rate as quoted in the Wall Street Journal (if more than one prime rate is quoted it will be the average of the quotes) when the prime rate is eight and one-half percent (8.5%) or more but less than ten percent (10.0%).

Two and one-half percent (2.5%) over current prime rate as quoted in the Wall Street Journal (if more than one prime rate is quoted it will be the average of the quotes) when the prime rate is ten percent (10.0%) or more.

In the event that said grain has not been picked up within twenty (20) calendar days following the last day of the contract delivery period, the Seller may at his discretion either:

A. Continue to carry the grain on carrying charges as provided above, or:

B. Issue warehouse receipts for the mean quantity due, for which the Buyer shall pay contract price, plus all accrued carrying charges and interest, but less out elevation charges (such tender of warehouse receipts shall be deemed performance of the contract on the part of the Seller), or:

C. Negotiate new terms with the Buyer for carrying beyond the twenty (20) day period or;

D. Declare the Buyer in default, but said declaration of default under this Rule, regardless of contract delivery period, may be made only during the calendar period of May fifteen (15th) through the first (1st) business day of December, both dates inclusive.

1315.00. DRAFT AT LOADING BERTH.

Unless stipulated to the contrary, the Seller shall be responsible for providing a minimum water depth at the loading berth equivalent to seaway draft.

1316.00. STRIKES OR OTHER CAUSES OF DELAY IN SHIPMENT.

This clause shall apply if delivery by the Seller of the commodity, or any part thereof, is prevented or delayed at the port or elevator of delivery by reason of any of the following conditions:

A. Riots, strikes, lockouts, embargoes, interruptions or stoppages to the normal course of labor;

B. Exceptional impediments to transportation;

C. Action by Federal, State or Local Government authority.

Seller shall have the option of invoking this clause by nominating a loading elevator and notifying the Buyer by cable or telex sent within two (2) business days after the date of commencement of the cause or causes of prevention and/or delay, or on the first business day of the contract delivery period,
whichever occurs later (if Seller fails to invoke this clause within the proper time and notification requirements as described above, Seller shall not be entitled to do so at a later date for the same cause or causes and shall be in default if unable to load a properly nominated vessel; PROVIDED THAT if required by Buyer, Seller will furnish a certificate of the Minneapolis Grain Exchange certifying the existence and duration of the cause or causes of prevention and/or delay, and such certification will be final.

The following shall apply if this clause has been invoked by the Seller:

A. At the termination of the cause or causes of prevention and/or delay or at the resumption of work after the termination of such cause or causes, whichever occurs later, Seller may extend the period of prevention and/or delay under this clause for up to an additional fourteen (14) days to allow the forwarding of the goods to the port; PROVIDED THAT Seller shall have notified Buyer by cable or telex sent within one (1) business day after the termination of the cause or causes of prevention and/or delay or at the resumption of work after the termination of such cause or causes, whichever occurs later.

B. At the termination of the cause or causes of prevention and/or delay, or at the resumption of work after the termination of such cause or causes, or at the termination of an extension declared by Seller of up to fourteen (14) days of the period of prevention and/or delay, whichever occurs later, Buyer shall be entitled to as many days to lift the goods as there were days remaining in the contract delivery period at the commencement of such cause or causes, but not fewer than fourteen (14) days.

C. Carrying charges for Buyer’s account shall begin on the day following the last day allowed for performance on contract as extended hereunder, except that if this clause becomes operative after the last date of the contract delivery period, Buyer shall pay carrying charges from the day following the last day of contract delivery period up to date(s) loaded, both inclusive.

1317.00. DEFAULT.

In case of default by either party, the other party shall be at liberty, after giving notice by cable or telex, to resell or repurchase, as the case may be, without undue delay, and the defaulting party shall make good the loss, if any, to the other party but shall not be entitled to any profit. If the non-defaulting party has not repurchased or resold the commodity by the tenth (10th) consecutive day after the giving of notice of default, the market value on the said tenth (10th) day shall be used for settlement purposes. If such tenth (10th) day falls on a nonbusiness day, the market value on the previous business day will govern. In event of a default by Buyer, the sale price under this contract shall automatically be increased by the value of carrying charges calculated up to the date of resale, or the tenth (10th) consecutive day after the giving of notice of default, whichever is applicable.

1318.00. INSOLVENCY.

Either party shall, at any time after sending notice, have the right to terminate this contract and recover the loss (if any) in the event that:

A. the other party suspends payment or commits an act of bankruptcy; or

No cash market position shall be deemed to be hedged simultaneously by both futures and option positions.

1503.00. BONA FIDE HEDGING TRANSACTIONS AND POSITIONS.

A. **General Definition.** Bona fide hedging transactions and positions shall mean transactions or positions in option contracts, where such transaction or positions normally represent a substitute for transactions to be made or positions to be taken at a later time in a physical marketing channel, and where they are economically appropriate to the reduction of risks in the conduct and management of a commercial enterprise; and where they arise from:

1. The potential change in the value of assets that a person owns, produces, manufactures, processes or merchandises or anticipates owning, producing, manufacturing, processing or merchandising.

2. The potential change in the value of liabilities that a person owes or anticipates incurring.

3. The potential change in the value of services that a person provides, purchases or anticipates providing or purchasing.

Notwithstanding the foregoing, no transactions or positions shall be classified as bona fide hedging for the purposes of exceeding the speculative limits unless their purpose is to offset price risks incidental to commercial cash or spot operations and such positions are established and liquidated in an orderly manner in accordance with sound
commercial practices and unless the provisions of Paragraphs B., C. and D. of this Rule and Exchange Rule 1504.00. A., B., C. and D. have been satisfied.

B. **Enumerated Hedging Transactions.** The definition of bona fide hedging transactions and positions in Paragraph A. of this Rule includes, but is not limited to, the following specific transactions and positions:

1. Sales of call options or purchases of put options on a contract market for any commodity that does not exceed in quantity:
   a. Ownership or fixed-price purchase of the same cash commodity by the same person.
   b. Twelve (12) months' unsold anticipated production of the same commodity by the same person provided that no such position is maintained in any contract month during the five (5) last trading days of that contract month.

2. Purchases of call options or sales of put options on a contract market for any commodity that does not exceed in quantity:
   a. The fixed-price sale of the same cash commodity by the same person;
   b. The quantity equivalent of fixed-price sales of the cash products and by-products of such commodity by the same person;
   c. Twelve (12) months' unfilled anticipated requirements of the same cash commodity for processing, manufacturing or feeding by the same person, provided that such transactions and positions in the five (5) last trading days of any one (1) contract month do not exceed the person's unfilled anticipated requirements of the same cash commodity for that month and for the next succeeding month.

3. Sales and purchases of options described in Paragraphs B.1 and B.2 of this Rule may also be offset other than by the same quantity of the same cash commodity, provided that the fluctuations in value of the commodity or contract that is the object of the option contract are substantially related to, and do not exceed, the fluctuations in value of the actual cash position, and provided that the positions in any one (1) contract month shall not be maintained during the five (5) last trading days of that contract month.

C. **Nonenumerated Cases.** Upon specific request made in accordance with Exchange Rule 1504.00.D. the President may recognize transactions and positions other than those enumerated in Paragraph B. of this Rule as bona fide hedging in such amounts and under such terms and conditions as he may specify in accordance with the provisions of Exchange Rule 1504.00. below. Such transactions and positions may include, but are not limited to, purchases or sales of options on any contract market by an agent who does not own or who has not contracted to sell or purchase the offsetting cash commodity at a fixed price, provided that the person is responsible for the merchandising of the cash position that is being offset.
D. **Double Hedging.** No cash market position shall be deemed to be hedged simultaneously by both futures and options positions.

Rules establishing speculative position limits with respect to options shall not apply to bona fide hedging positions as defined in Exchange Rule 1503.00.

A. **General Requirements.** A clearing member shall not maintain or carry a hedge account (customer or house) that by itself or in accumulative total with any other accounts of the owner exceeds the speculative trading or position limits of the Exchange, unless the Board or its representative approves and unless:

   b. the hedge positions are necessary or advisable as an integral part of his business (fully explaining the nature and extent of his business);
   c. the applicant has complied with all federal requirements relating to hedging and has received approval for this purpose from the Commodity Futures Trading Commission (CFTC) wherever necessary.

5. The hedger complies with all other Exchange Rules and Requirements.

6. 7. The hedger complies with any other applicable requirements set forth in Parts B., C. or D. of this Rule.

B. **Enumerated Nonanticipatory Hedging Transactions.**

1. Any person who wishes to avail himself of the provisions of Exchange Rules 1503.00.B.1.(a.), 1503.00.B.2.(a.) or 1503.00.B.2.(b.) and to make purchases or sales of options in excess of trading and position limits then in effect shall file an application with the Exchange containing statements required under Exchange Rule 1504.00.A.1. All persons receiving approval by the Board or its representative for purchases or sales of options in excess of the trading and position limits then in effect for the purpose of hedging cash positions in the commodity as described in Exchange Rules 1503.00.B.1.(a.), 1503.00.B.2.(a.) or 1503.00.B.2.(b.), shall file Commodity Futures Trading Commission (CFTC) Form 204 reports with the CFTC immediately following approval by the Exchange of the requested exemption for all cash positions in the commodity. Any person complying with these requirements shall not be subject to the requirements of Paragraphs 2., 3., 4., 5., and 6. of this Rule to the extent that such person continues to file such CFTC Form 204 Reports with the CFTC in accordance with the requirements of Rule 1504.00.B.2.
2. Any person who wishes to avail himself of the provisions of Exchange Rules 1503.00.A.2. and 1503.00.B.3. to make sales or purchases of options in any commodity in excess of trading and position limits then in effect for the purposes of bona fide hedging and who has not previously made a filing with the CFTC pursuant to CFTC Regulation 1.48 and is not currently filing CFTC Form 204 Reports with the CFTC pursuant to a previous filing under CFTC Regulation 1.48 shall file statements with the Board or its representative in conformity with the requirements of this Rule. 1800.00. APPLICABILITY OF RULES AND REGULATIONS.

The Rules contained in this Chapter govern those Exchange contracts which are traded through the Electronic Trading System. To the extent that the provisions in this Chapter conflict with Rules and Regulations in other sections of this Rulebook, this Chapter supersedes such Rules and Regulations and governs the manner in which contracts are traded through the Electronic Trading System. Otherwise, contracts traded on the Electronic Trading System, as well as Members and Market Participants, are fully subject to applicable MGEX Rules and Regulations unless specifically and expressly excluded therefrom. Members and Market Participants must also abide by the Commodity Exchange Act and the regulations promulgated thereunder, and any other applicable jurisdiction’s laws, rules or regulations.

1801.00. ACCESS AND CLEARING MEMBER GUARANTEE.

All Members and nonmembers must sign a customer account agreement and establish an account with an Exchange Clearing Member before they are provided access and commence trading on the Electronic Trading System. However, Members or nonmembers who exclusively trade through an omnibus account at an Exchange Clearing Member will not be required to sign a customer account agreement with the Exchange Clearing Member. A Clearing Member guarantees and assumes financial responsibility for all orders it places and receives, and all contracts it clears through the Electronic Trading System. Further, Clearing Members shall promptly pay all fees and charges invoiced for the Electronic Trading System.

1802.00. INTERNET SERVICES.

Members and Market Participants are responsible for procuring their own Internet access providers. The Exchange does not warrant any order entry, quote or order execution speed.

1804.00. MISUSE OF ELECTRONIC TRADING SYSTEM.

Misuse of the Electronic Trading System is strictly prohibited. It shall be deemed an act detrimental to the interest and welfare of the Exchange to willfully or negligently engage in unauthorized use of the Electronic Trading System, to assist any person in obtaining unauthorized access to the Electronic Trading System, to trade on the Electronic Trading System without an agreement and an established account with a Clearing Member, to alter the equipment associated with the system, to interfere with the operation of the system, to intercept or interfere with information provided thereby, or in any way to use the system in a manner contrary to MGEX Rules and Regulations.

Members and Market Participants may not distribute, sell or retransmit information displayed on the Electronic Trading System to any third party.

1805.00. TRADING AGAINST CUSTOMERS’ ORDERS PROHIBITED.

A Member or Clearing Member shall not knowingly cause to be entered, or enter into, a transaction in which the Member or Clearing Member assumes the opposite side of any order entered on behalf of a customer unless the Member or Clearing Member first enters the
customer order into the Electronic Trading System and then subjects such order to sufficient market exposure before entering an opposite order.

**1806.00. TRADING AGAINST OWN ORDERS PROHIBITED.**

A Member or Market Participant shall not intentionally cause to be entered, or enter into, any transaction in which the Member or Market Participant assumes the opposite side of an order entered on behalf of the respective Member’s or Market Participant’s own account.

**1807.00. PRIORITY OF ENTRY.**

Orders received by a Member or Clearing Member shall be entered into the Electronic Trading System in the order received. Orders that cannot be immediately entered into the system must be reduced to writing or another form of permanent record, and entered when the orders become executable in the sequence in which the orders were received. All customer orders must be entered before a Member or Clearing Member may enter orders for accounts in which the Member or Clearing Member has a personal, financial or proprietary interest.

**1808.00. TRADE OPEN.**

Orders entered into and received by the Electronic Trading System during the designated time period prior to the opening of the trading session shall be matched first at the commencement of trading by means of an algorithm. The opening price shall be determined by the algorithm.

**1809.00. MATCHING ALGORITHM FOR THE ELECTRONIC TRADING SYSTEM.**

Unless otherwise specified by the Exchange, orders entered into the Electronic Trading System will be matched according to an algorithm that gives priority to orders at the best price and that gives priority among orders with the same price based upon the time of entry into the system. The Exchange may use a different matching algorithm for particular contracts or change an algorithm by giving notice to the Membership and the Clearing Members using the Electronic Trading System at least ten (10) days before the change or different algorithm is implemented.

The Board of Directors and the Executive Committee shall have authority to approve any change to an algorithm.

**1810.00. TRADE ERRORS.**

A trade executed on the Electronic Trading System is binding notwithstanding an erroneous entry may have been made. A Clearing Member error in handling a customer order may be resolved by a monetary adjustment and/or placing a market order for the customer.

**1812.00. DISCIPLINARY PROCEDURES.**

All suspensions, expulsions and other restrictions imposed upon a Member or Clearing Member by the Exchange pursuant to disciplinary procedures contained in MGEX Rules and Regulations shall restrict with equal force and effect access to the usage of the Electronic Trading System by such Member or Clearing Member.

Members and Market Participants shall promptly respond, provide documentation, and cooperate in all inquiries by the Exchange. Failure to do so shall subject the person or entity to
disciplinary procedures, including immediate termination of access to the Electronic Trading System.

1813.00. TERMINATION OF ACCESS.

The Exchange shall have the right to summarily terminate access to the Electronic Trading System.

1814.00. SYSTEM SECURITY.

Each Member and Market Participant shall be responsible for the security of their terminals having access to the Electronic Trading System and will be held liable for each order transmitted from any such terminals to the Electronic Trading System and any trade subsequently executed.

Each person assigned an individual user name and password shall not disclose such identifiers to any other person or permit any other person access to the Electronic Trading System using such person’s individual user name and password. Each person shall be responsible for monitoring the security of their individual identifier.

1815.00. PHYSICAL EMERGENCIES.

If the Electronic Trading System experiences a full or partial breakdown in any area, the Exchange may, without warning, immediately suspend trading on the Electronic Trading System until the problem has been corrected.

1816.00. ELECTRONIC TRADING SYSTEM LIMITATION OF LIABILITY.

Except in instances where there has been a finding of willful or wanton misconduct, in which case the party found to have engaged in such conduct cannot avail itself of the protections in this Rule, neither the Exchange, Members, Clearing Members, other persons acting as agents nor any of their officers, directors or employees, shall be liable for any losses, damages or costs, including direct, indirect, special, incidental or consequential damages, and lost profits, regardless of whether any of them had been advised or otherwise made aware of the possibility of such damages, arising out of the use or performance of the Electronic Trading System, any component(s) thereof, or any fault, failure, malfunction or other alleged defect in the Electronic Trading System, including any inability to enter or cancel orders in the Electronic Trading System, or any fault in delivery, delay, omission, suspension, inaccuracy or termination, or any other cause in connection with the furnishing, performance, maintenance, use of or inability to use all or any part of the Electronic Trading System, including but not limited to, any failure to delay in transmission of orders or loss of orders resulting from malfunction of the Electronic Trading System, disruption of common carrier lines, loss of power, acts or failures to act of any third party, natural disasters or any and all other causes. The Exchange does not guarantee continuous, uninterrupted or secure access to the Electronic Trading System.

Each Member and Market Participant assumes all risks of trading on the Electronic Trading System, and waives any right to assert any claim against the MGEX that access or information was not provided by the MGEX or that access or information provided by the MGEX was improper, inaccurate or inadequate. Further, such Member and Market Participant waives any right to contest the validity or enforceability of any trade executed on the Electronic Trading System, or that access was interrupted or denied, or that orders were delayed or lost.
There are no express or implied warranties or representations provided by the Exchange, Members, Clearing Members, other persons acting as agents or any of their officers, directors or employees, relating to the Electronic Trading System, including but not limited to, warranties of merchantability and warranties of fitness for a particular purpose or use.

1817.00. ELECTRONIC TRADING SYSTEM PROCEDURES.

The Exchange may immediately adopt, cancel or modify procedures of the Electronic Trading System, including but not limited to, access, order entry, open, execution, confirmation, closing, clearing, reporting, notification and recordkeeping procedures determined to be necessary so as to comply with the Commodity Exchange Act, Commission Regulations, Exchange Rules, Regulations, Resolutions and surveillance obligations, or other controlling or governing authority; or determined to be in the best interest of the Exchange, Membership, users or public; or required as a result of changes by the Electronic Trading System provider, or Internet access providers or servers.

The Exchange may issue a violation ticket to a Member or Floor Clerk following an infraction/violation of any MGEX Rule or Regulation occurring in the Exchange Room. All violation
tickets must be submitted to the Secretary of the Corporation promptly upon issuance. The Secretary of the Corporation shall thereafter immediately forward the completed violation ticket to the Department of Audits and Investigations. The Department of Audits and Investigations will give written notification to the violator of the infraction/violation and action taken, if any.

The notice shall inform the Member or Floor Clerk of the right to request a hearing before the Hearing Committee and the consequences of a failure to pay the fine if no hearing is requested. If a hearing is requested, the decision of the Hearing Committee shall be final.

Failure to request a hearing shall be deemed a consent to the action taken. Unless a hearing is requested within ten (10) calendar days, failure to pay a fine within thirty (30) days after the penalty is imposed shall automatically double the amount of the fine. If the increased fine is not paid within sixty (60) days after the original fine was imposed, the Disciplinary Committee may, without hearing, revoke the badge or suspend the floor privileges of a Member or Floor Clerk for whose conduct the original fine was imposed.

Members, Clearing Members, and entities having cash trading privileges will be responsible for fines given to their employee(s). Following is a schedule of penalties the Board of Directors has authorized the Department of Audits and Investigations or the Disciplinary Committee to issue:

<table>
<thead>
<tr>
<th>Violation Level</th>
<th>Penalty</th>
</tr>
</thead>
<tbody>
<tr>
<td>First Violation</td>
<td>Letter of Reprimand</td>
</tr>
<tr>
<td>Second Violation</td>
<td>$25.00 Fine</td>
</tr>
<tr>
<td>Third Violation</td>
<td>$100.00 Fine</td>
</tr>
<tr>
<td>Fourth Violation</td>
<td>$300.00 Fine</td>
</tr>
<tr>
<td>Fifth Violation</td>
<td>$500.00 Fine and/or One (1) Day Suspension</td>
</tr>
</tbody>
</table>

Each violation ticket written shall constitute a single violation and the number of violations accumulated will determine the action taken. If a Member or Floor Clerk is free of any violations for a period of two (2) years, the fine schedule will revert back to a first violation.

Any violation/infraction may be forwarded by the Department of Audits and Investigations to the Disciplinary Committee for further review or action. Additionally, nothing in this Regulation shall prohibit further action from being taken against a Member or Floor Clerk for a violation of any other Rule or Regulation.

After reviewing the investigation report, the Disciplinary Committee may issue a Notice of Charges to the Member or Floor Clerk, including the right to request a hearing before the Hearing Committee and the consequences of failure to pay any fine if no hearing is requested. The first infraction of this Regulation involving physical contact or abusive or derogatory language is punishable by a monetary fine up to five hundred dollars ($500.00). If a second infraction occurs within two (2) years of the first infraction, the penalty may include suspension up to a period of two (2) weeks and/or a monetary fine set by the Disciplinary Committee. Members will be responsible for fines given to their employee(s).

If a Member for whom a substitute is acting shall appear in the Exchange Room during the Hours of Cash Trading, or if such Member, except in cases of substitution under the provisions of Section B. of this Regulation, or in special circumstances, shall appear with regularity in MGEX buildings, such appearance shall be cause for cancellation of the substitute ticket.

The cash trading privileges of an entity shall be suspended automatically during such time as the Member who designated his Membership for the entity is under suspension or at any other time deemed appropriate by the Exchange.

Provided, however, that the cash trading privileges of an entity shall not be canceled if such entity is a party to any unsettled controversy before the Board of Arbitration or if any investigations or charges involving such entity are pending with the Department of Audits and Investigations, the Disciplinary Committee, the Hearing Committee or if any orders of the Disciplinary Committee or the Hearing Committee to such entity have not been complied with.

If the cash trading privileges of any Member or entity shall have been cancelled or suspended, such Member or entity may make application for restoration of cash trading privileges; and the Exchange may restore cash trading privileges to such Member or entity whenever the Exchange shall determine that he or it has adequate financial responsibility and has complied with all of the provisions of Regulations 2006.00., 2006.01., and 2006.02. and all orders of the Exchange issued thereunder.

2014.00. SETTLEMENT PRICES.

Pursuant to the provisions of Rule 210.01., the Board of Directors has adopted this Regulation.

A. MGEXpress® Contracts.

Promptly after the close of the trading session in each Futures Contract, the Exchange shall ensure that settlement prices are calculated for each contract month as follows. The settlement price shall be price consistent with the minimum fluctuations of the contract.

1. The settlement price for the lead month, as defined below, shall be determined by the volume-weighted average of outright trades and applicable bids and offers made in the closing period on MGEXpress®. If there is no volume-weighted average of the outright, then the last trade price is compared to the current bid/ask. If the last trade price is outside of the bid/ask spread, then the contract settles to the nearest bid/ask price. If the last trade price is within the bid/ask spread or if a bid/ask is not available, then the contract settles to the last trade price. If there is no last trade price available, then the prior settlement is compared to the current bid/ask. If the prior settlement is outside of the bid/ask spread, then the contract settles to the nearest bid/ask price. If the prior settlement is within the bid/ask spread or if a bid/ask is not available, then the contract settles to the prior settlement price.

The lead month shall be determined by the Exchange and is generally the most active month. The lead month shall change at the time when the daily electronically-executed volume and open interest in the contract month following the current lead month is greater than the daily volume and open interest in the lead month for two consecutive business days.

2. All non-lead months are deferred contract months and settle based upon the volume-weighted average of calendar spread transactions made in the closing period on MGEXpress®. If there are no relevant calendar spreads, bids and offers in those calendar spreads will be used in conjunction with settlements from any months where a settlement price has been determined to form an implied market in the contract to be settled. These implied markets, along with the outright bid/ask market for the contract, will be used to derive the best possible bid and best possible ask, and the contract will settle at the midpoint of the bid/ask spread.
3. Notwithstanding the above, if such settlement price is not consistent with the settlements in other months or with market information, or if the settlement was inaccurately determined, a new settlement price may be established at a level consistent with such other settlement prices or market information and a written record setting forth the basis for any modification of such settlement price shall be prepared.

B. Reservation.

The Exchange reserves the right to modify the settlement price prior to the start of the day's final clearing process if the settlement price arose from data entry errors made by or on behalf of the Exchange, and modification of the settlement price is necessary to prevent market distortion. A written record shall be prepared setting forth the basis for any modification. In addition, the Exchange reserves the right to change which contract month is the lead month when, in its discretion, doing so is in the best interest of the marketplace. If any such change to the lead month is made pursuant to this reservation, the Exchange shall provide notification to the public via the MGEX website or other means it deems effective.

2015.00. SETTLEMENT PREMIUMS.

Pursuant to the provisions of Rule 210.01., the Board of Directors has adopted this Regulation.

A. Open Outcry/MGEXpress® Contracts.

Promptly after the close of trading in each Options Contract, the Exchange shall compute settlement premiums as follows. The settlement premium shall be price consistent with the minimum fluctuations of the Contract.

1. Exchange staff shall review all trades executed during the closing period, and subsequent higher bids and lower offers that were in existence at the close of the market, to determine the closing premium or range for each Open Outcry Contract. The Exchange shall then determine the settlement premiums by using a theoretical pricing model.

2. If the Exchange believes, based on its review of the market and market conditions that the settlement premium established above is not representative of market conditions, or if the settlement premium was inaccurately determined, then Exchange staff may establish a settlement premium based on the settlement price of the underlying Futures Contract and the previously prevailing differentials:

   a. among the premiums for the listed striking prices for the option month;

   b. among the premiums for the different option months listed for trading; and

   c. between the premium for the relevant striking price and the price of the underlying Futures Contract.
3. In the case of HRSW Calendar Spread options, the Exchange may use current trade, bid, and offer information, along with correlation between underlying futures months or a theoretical option pricing model in determining daily settlement prices for the listed Calendar Spreads.

B. Reservation.

The Exchange reserves the right to modify the settlement premium prior to the start of the day’s final clearing process if the settlement premium arose from data entry errors made by or on behalf of the Exchange, and modification of the settlement premium is necessary to prevent market distortion. A written record shall be prepared setting forth the basis for any modification.

FCMs and Guaranteed IBs requesting such a change must also submit written evidence that its designated self-regulatory organization has approved the change in its fiscal year.

CHAPTER 21

2100.00. REQUIREMENTS FOR CLEARING.

All Futures or Options transactions shall be submitted to the Clearing House to be cleared. Upon acceptance by the Clearing House of such transactions, the Exchange assumes the position of Buyer to the Seller and Seller to the Buyer in respect to such transactions, and the last settling price shall be considered as the contract price.

It shall be the duty of each Clearing Member initiating, accepting or executing a transaction for Futures or Options under MGEX Rules and Regulations to submit each such transaction using “TEMS” to the Clearing House. Transactions shall be submitted at times determined by the Exchange (see Res. 2101.00.C.). The transactions shall be in a format approved by the Exchange and shall contain, at a minimum, the following information:

The Clearing House shall match the trades as submitted and shall list for each Clearing Member its cleared trades and unmatched trades. A recapitulation statement shall be produced, showing updated contract positions and settling all matched trades to the official MGEX settling prices. After completion of the clearing process, the Exchange shall notify each Clearing Member as to the net pay or collect amounts due by account (Regular and/or Segregated). Such amounts shall be submitted by wire transfer of funds or other acceptable method. Amounts due to the Exchange shall be submitted at times determined by the Exchange (see Res. 2101.00.C.). All clearing statements shall be disseminated by the Exchange to each Clearing Member’s designated contact.

If the report of a trade by a Market Participant does not correspond to the report of the other party to the trade, the Clearing House shall reject the trade and notify both Clearing Members showing the discrepancy of the reports. The Clearing Members must thereafter submit corrections to the Clearing House at times determined by the Exchange (see Res. 2101.00.C.).

It shall be the primary responsibility of the Clearing Member to see that all trades are resolved. Each Clearing Member shall designate a person or persons to be available and responsible for reconciling the Clearing Member’s unmatched trades. Failure to have a qualified representative available shall constitute negligence in the determination of responsibility for any unmatched trades.

If a Clearing Member, or one of its affiliated entities, has access to the Federal Reserve discount window, it shall notify the Clearing House if such access has been suspended, revoked, removed, terminated, or otherwise limited in any way as soon as practicable.

2100.01. ELECTRONIC TRADING SYSTEM CLEARING.

In addition to compliance with the applicable Regulations in this Chapter, all transactions for Futures or Options traded on the Electronic Trading System shall be submitted to the Clearing House for clearing. Submission of the data shall be at times determined by and in a format approved by the Exchange.

Except for exchange for physical transactions and qualified transfer trades, only those trades entered, executed and matched by the Electronic Trading System shall be submitted for clearing.

Upon acceptance of the submitted trade data and completion of the clearing process, a recapitulation statement of all trades and positions shall be produced and sent to the respective Clearing Member’s electronic mail account.

Each Clearing Member shall be responsible for receipt and review of the recapitulation statement. The Exchange shall not be liable for the inability of a Clearing Member to receive a statement sent by the Exchange.
2100.02. CLEARING PRIVILEGES.

In order to clear trades at MGEX, a Clearing Member must be granted clearing privileges by the Exchange. The Exchange may revoke said clearing privileges for cause at any time.

Clearing privileges may be granted and retained only if and when the terms and conditions set forth below have been met:

A. A Clearing Member must have completed and remain in compliance with the terms contained in the Application for Clearing Privileges and the Clearing Agreement.

B. A Clearing Member must be in good financial standing and meet the minimum financial requirements as may be determined by the Exchange.

C. A Clearing Member must have the personnel, and computer hardware and software to effectively communicate with MGEX and otherwise conduct the business of clearing in an efficient manner.

D. A Clearing Member must be the Record Owner of one (1) or more Memberships which shall be pledged to MGEX. A pledged Membership shall mean the Exchange will have first claim to the proceeds of any sale of such Membership. This pledge shall have priority over any other claim or lien filed pursuant to Chapter 3 of the MGEX Rules and Regulations. At least one (1) Record Holder of such Memberships must be authorized by the Clearing Member to act or execute contracts on behalf of, and otherwise represent the interests of the Clearing Member. Furthermore, such Memberships shall not be included as part of the required security deposit with the Clearing House and shall not be used as value to meet the Clearing Member’s margin requirements.

E. If another Person(s) (individually or collectively known as the parent) owns or controls, directly or indirectly, twenty percent (20%) or more of a Clearing Member, the parent must guarantee the obligations of the Clearing Member’s non-segregated accounts including those accounts held or controlled by the parent, whether or not such parent is a Member of MGEX. The Exchange shall determine whether a guarantee is adequate. This requirement may be waived at the discretion of the Exchange.

2101.00. FEES AND FINES - AMOUNTS AND COLLECTIONS.

The schedule of deadlines is subject to change at any time by the Exchange. The schedule of deadlines shall at all times be those requirements most recently adopted. The amount due for errors or any other fees charged or collected by the Exchange shall be billed on a monthly basis unless otherwise specified by the Exchange.

If the offense becomes frequent, the President or his designee may call for additional permanent margins or take such other action as is deemed necessary.

Any Member making an error in his daily statement to the Clearing House may be fined for each error made (see Res. 2101.00.C.)
2101.01. CLEARING FEE.

Pursuant to the provisions of Rule 231.00, the Exchange has adopted this Regulation:

A. The Exchange shall set clearing fees from time to time and shall make such fees publicly available. The Exchange may elect to waive or modify fees.

B. Payment of the Clearing Fee will be due on receipt of invoice at the end of each month for the transactions (whether purchases, sales or deliveries) executed on the Exchange during that month. Payment is to be submitted to the Treasurer of the Corporation.

2102.00. MARGINS.

The Exchange shall set margin requirements at a level that it believes protects the interests of Buyers and Sellers and the Exchange. The Exchange shall accept, as margin, cash or United States Treasury securities. Cash margin requirements shall be submitted by wire transfer of funds or other acceptable method approved by the Exchange. Cash and United States Treasury securities shall be submitted at times determined and posted by the Exchange. United States Treasury securities shall be maintained in multiples of $5,000. The Exchange shall value securities as it deems appropriate. The President or his designee may, at their discretion, require of any Member or market participant a margin upon any or all of such Member or market participant's open trades which are deemed unduly insecure or hazardous in such amount as deemed advisable. Calls for such margin shall be paid by the Clearing Member within one business day or earlier if so requested. Further, the Exchange shall collect daily intra-day variations from Clearing Members apart from, and in addition to, any margin or daily settlement variation payments and collects.

Margin requirements are subject to change at any time but shall at all times be those requirements most recently adopted, publicly posted, and in compliance with the requirements of CFTC Regulation 39.13(g)(8), as amended.

Clearing Members called for margins under this Regulation shall pay by the deadline announced by the Exchange. An extension of time for such payments can only be granted by the President or his designee. In such cases the extension of time so granted shall be noted on the written call, and copy of said call shall be kept in the files of the Exchange.

Should a Clearing Member fail to deposit balances for additional margin as required in this Regulation, or should the President or his designee deem the transaction of any Member or market participant unduly insecure or hazardous, the Exchange may direct that the Member or market participant close out all or a portion of the trades, or that the Member or market participant transfer all or a portion of the trades to the books of another Clearing Member, as the situation may require. If such requests are not complied with within one (1) hour, the Exchange may, with the consent of the President or his designee, originate orders to transfer or close out all or a portion of the Member or market participant's trades, as the situation may require. Any such action shall be taken with due consideration to the positions of customers.

All differences between the contract price reported and accepted and the price at which the property may be bought or sold as a consequence of a Member or market participant's failure to fulfill the obligations as set forth in this Regulation shall constitute the rule and measure of damages against the Member or market participant so failing, and the differences shall be calculated, adjusted and settled within the time and in the manner and form determined by the Exchange.
Any financial obligations owed by a Clearing Member to the Exchange, which remain outstanding after all the Member or market participant's trades have been closed out, may be satisfied through the Member or market participant's security deposit with the Clearing House or such other assets, collateral or guarantees as necessary to satisfy the financial obligations.

2103.00. ORDER OF DELIVERY.

All balances of commodities for cash contract or cash delivery shall be made on the basis of the present Exchange Rule pertaining thereto. When deliveries are made, the oldest trades on the books shall be closed first.

2104.00. SECURITY DEPOSIT.

Each Clearing Member shall deposit with the Clearing House as security for its obligations thereto such amount as determined by the Exchange. The form of such deposit shall also be determined by the Exchange. The Exchange may change the amount and form of such deposit as necessary. Deposits may be withdrawn on written request when a Clearing Member ceases to be a Clearing Member and the Exchange has determined that all contracts and obligations with the Exchange have been settled.

2105.00. LIQUIDITY EVENT.

In order to satisfy CFTC Regulations and prudential liquidity standards, the Exchange has established this Regulation.

In the event the Clearing House requires liquidity to enable it to promptly meet all of its payment obligations to Clearing Members for same day settlement, the Clearing House will first attempt to obtain liquidity through the asset sale of pledged collateral, followed by the application of any uncommitted funding arrangements, and then through the use of its committed lines of credit and any committed repurchase agreements. In the event the Clearing House is unable to obtain sufficient funds and liquidity to promptly meet same day settlement and payment through such means, the Clearing House may declare the occurrence of a Liquidity Event. In such an event, the Clearing House has the authority in its sole discretion to take the following actions, in the order listed, to secure same day liquidity:

A. **Substitution of Guaranty Fund Cash.** The Clearing House may substitute the cash deposited by one or more Clearing Members in a guaranty fund with U.S. Treasuries deposited as performance bond by the Clearing Member(s) that is(are) the initiating cause of the Liquidity Event. The amount of cash substituted shall be equivalent to U.S. Treasuries at a haircutted market value (determined by the Clearing House as of the prior day’s close of business utilizing a recognized third party source). Any U.S. Treasuries transferred pursuant to this Regulation shall be applied as a guaranty fund deposit on behalf of any such Clearing Member whose cash was substituted and will be allocated pro rata among any Clearing Members with cash deposits who are not the initiating cause of the Liquidity Event. The substitution of U.S. Treasuries for the Clearing Member’s guaranty fund deposit will be limited to the size of the Clearing Member’s guaranty fund deposit at the time of the Liquidity Event. For any substitution of U.S. Treasuries for cash in a guaranty fund, the impacted Clearing Member may, within 24 hours of substitution, request that the Clearing House replace the cash within 29 business days of the date of the substitution. Any Clearing Member requesting cash replacement will receive the exact value in cash received by the Clearing House upon liquidation of the U.S. Treasuries.
B. Substitution of Performance Bond Cash: The Clearing House may substitute the cash deposited by one or more Clearing Members as performance bond with U.S. Treasuries held as collateral by the Clearing House. The amount of cash substituted shall be equivalent to the U.S. Treasuries at a haircutted market value (determined by the Clearing House as of the prior day’s close of business utilizing a recognized third party source). Any U.S. Treasuries transferred pursuant to this Regulation shall be applied as a performance bond deposit on behalf of any such Clearing Member whose cash was substituted and will be allocated pro rata among any Clearing Members with cash deposits. The substitution of U.S. Treasuries for the Clearing Member’s performance bond held by the Exchange will be limited to the size of the Clearing Member’s performance bond at the time of the Liquidity Event. For any substitution of U.S. Treasuries for cash as performance bond, the impacted Clearing Member may, within 24 hours of substitution, request that the Clearing House replace the cash within 29 business days of the date of the substitution. Any Clearing Member requesting cash replacement will receive the exact value in cash received by the Clearing House upon liquidation of the U.S. Treasuries.

In order to ensure the Clearing House can obtain sufficient cash from the above paragraphs, the Clearing House may notify any Clearing Member that is a U.S. Government Securities Broker-Dealer or has a U.S. Government Securities Broker-Dealer affiliate to replace its non-cash performance bond assets with cash within 60 minutes from the time of notification. To the extent that a Clearing Member(s) fails to provide cash within 60 minutes or the request occurs after 3:00 p.m. Central Time, the Clearing House may debit cash from that Clearing Member’s settlement bank account in the amount of the clearing member’s non-cash performance bond assets.

C. U.S. Treasury Sale to Meet Settlement Variation Obligations. The Clearing House may offset its settlement variation obligations to any Clearing Member that is a U.S. Government Securities Broker-Dealer or has a U.S. Government Securities Broker-Dealer affiliate, up to the amount of such Clearing Member’s guaranty fund contribution, by selling U.S. Treasuries valued based on the prior day’s closing prices with a haircutted value in exchange for U.S. dollar cash from the Clearing Member. The U.S. Dollar cash received by the Exchange from the Clearing Member shall be in the form of the variation margin obligation owed by MGEX, and the Exchange shall deliver the purchased U.S. Treasury securities to the U.S. Government Securities Broker-Dealer.

D. Transfer or Disbursement of Collateral as Compensation for Portfolio Auction, Sale, or Transfer. In lieu of satisfying a payment owed from any auction, sale, or transfer of an insolvent, defaulted, or suspended Clearing Member’s or customer’s portfolio in cash to an auction winner, purchaser, or transferee, the Clearing House may satisfy such payment owed to such persons by transferring Federal Reserve discount window eligible securities with a haircutted market value (determined by the Clearing House as of the prior day’s close of business utilizing a recognized third party source) equal to the amount of such obligation.

2105.01. REQUIREMENT TO ESTABLISH UNCOMMITTED REPURCHASE AGREEMENT.

Each Clearing Member that is a U.S. Government Securities Broker-Dealer or has a U.S. Government Securities Broker-Dealer affiliate shall, if required by MGEX, enter into (or arrange for
such affiliate to enter into) a master repurchase agreement with MGEX on terms substantially similar to those set forth by the Clearing House.

2106.00. PROTECTION OF CLEARING HOUSE: DEFAULT BY A CLEARING MEMBER.

If a Clearing Member fails promptly to discharge any obligation to MGEX, its security deposits, its margins and performance bonds on deposit with MGEX (but not those belonging to a non-defaulting customer), and any of its other assets available to the Exchange shall be applied by the Exchange to discharge the obligation. Further, the Exchange may make immediate demand upon any Guarantor of the Clearing Member. Upon demand and without waiting for application of all available assets of the Clearing Member or a formal accounting, such Guarantor shall pay the Exchange by the time and date set by MGEX. Upon a Clearing Member Default, the Exchange may act immediately to attempt to transfer to alternate Clearing Members all customer positions and associated collateral (collateral held by the Exchange on behalf of the Defaulting Clearing Member for its customer). However, if a customer account is in default on payment obligations or shortfall in required collateral to the Defaulting Clearing Member, then the Exchange shall apply identifiable segregated customer collateral belonging to the defaulting customer to any payment obligations or losses arising from the Clearing Member Default.

Customer funds or margins shall not be used to discharge the Clearing Member's obligation unless the customer is directly involved in a default. The Clearing Member shall immediately make up any deficiencies in its security deposit resulting from such application prior to the close of business on the next banking day. The Exchange shall be under no obligation to forward any variation pays or settlement funds to a Defaulting Clearing Member.

In addition to application of the available assets of the Defaulting Clearing Member (the priority of which is further described in Regulation 2106.02.), the Exchange, President, Treasurer, Chief Risk Officer, or other designeef may take any other actions that it determines necessary to protect MGEX or other Clearing Members. Such actions include, but are not limited to, actions authorized elsewhere within the MGEX Rules and Regulations, the suspension of clearing privileges until revoked or reinstated by the Board or its designee, pursuit of legal action, retention of variation pays, and request for additional security deposit and/or performance bonds. The detailed implementation of the process of finalizing losses with respect to a Clearing Member Default, including the liquidation, allocation, auction or sale of positions or assets of the Defaulting Clearing Member shall be conducted by the Exchange.

The Exchange, Board, and any Clearing Member authorized by the Exchange to act in the place of the Defaulting Clearing Member shall have no liability arising from a failure by a Clearing Member to discharge its liabilities; neither shall they be liable for actions taken pursuant to MGEX Rules and Regulations, procedures, or actions allowed by law.

The Exchange may establish such procedures as necessary which prescribe in detail how the protections under Regulation 2106.00. and Chapter 21 will operate. Such procedures shall constitute part of MGEX Rules and Regulations. Furthermore, any documented information appropriate to assist the Clearing Members will be disseminated.

2106.01. CLEARING MEMBER INSOLVENCY.

If a Clearing Member becomes insolvent, the Clearing Member must immediately notify the Exchange of such insolvency. The insolvency shall be announced by the Exchange and thereupon such Clearing Member shall be deemed automatically Suspended, unless otherwise permitted by the Exchange to continue limited operation for the purpose of transferring or liquidating positions, or
otherwise mitigating losses. If a Clearing Member becomes insolvent or for other reasons is Suspended, the officers, owners or partners who are Members of the Exchange may also be Suspended by the Exchange.

When a Clearing Member is Suspended for insolvency, the Exchange may exercise any or all of its rights under MGEX Rules and Regulations.

**2106.02. LOSSES BORNE BY MGEX.**

Should MGEX bear a loss resulting from the actions or a Default of a Clearing Member, including but not limited to the insufficiency of the security deposit, margins, bonds, guarantees or other assets of such Clearing Member to fully meet its obligations to MGEX; the Insolvency of a Clearing Member; or the insolvency of a depository or settlement bank; or larceny, embezzlement, or for any other cause, such loss shall be met and made good promptly by the use and application of funds from the following sources, in the order of priority hereafter listed, with each source of funds to be completely exhausted, to the extent practical, before the next following source is applied. While such application of funds shall be mandatory, the detailed implementation of this Regulation shall be the responsibility of the Exchange.

A. Excess funds of the Defaulting Clearing Member, including any partial payment amounts or settlement variation gains.

B. Security deposits of the Defaulting Clearing Member.

C. Margins and performance bonds of the Defaulting Clearing Member on deposit with MGEX, payments made by a guarantor of the Defaulting Clearing Member, and any other assets of the Defaulting Clearing Member.

D. Such assets of the MGEX Clearing House reserve fund.

E. Security deposits of non-defaulting Clearing Members shall be applied toward meeting a loss in direct proportion to the total security deposit requirement of each Clearing Member.

F. Such surplus funds of the Exchange as may be in excess of funds necessary for normal business operations. No such surplus shall be assumed until approved by the Executive Committee or the Board.

The Exchange may borrow such funds or draw such funds as necessary against any line of credit at any time for such purposes under this Regulation to cover any obligations or losses of the Exchange. Any borrowing of funds shall not relieve any Clearing Member from their obligations under this Regulation, application of their security deposits, or from any assessments levied by MGEX pursuant to Regulations 2106.05. or 2112.00.

The Exchange may obtain and maintain any default insurance. Such insurance shall inure to and shall be for the sole benefit of the Exchange. Proceeds from any default insurance and the right to any proceeds shall be paid to and belong solely to the Exchange.

**2106.03. RIGHTS OF EXCHANGE FOR RECOVERY OF LOSS.**

If the security deposits, margins, performance bonds, guarantees and other assets of a Clearing Member (excluding customer performance bonds unless directly involved in a liability) are insufficient
to satisfy all of its obligations to MGEX, including all claims against the Exchange by reason of its substitution for that Clearing Member pursuant to Rule 701.00., the Exchange shall nonetheless pay all such claims, which shall be deemed a loss (hereinafter "Loss") to it and which shall be a liability of the Defaulting Clearing Member to the Exchange, which the Exchange may collect from the assets of such Clearing Member available to it or by process of law.

If a Loss for which Clearing Members’ security deposits or other assets have been accessed by MGEX is afterward recovered by the Exchange, in whole or in part, the net amount of such recovery shall be credited to such persons or firms (whether or not they are Clearing Members at the time of recovery) in proportion to the amount of the security deposit or assets accessed by MGEX.

**2106.04. MANAGEMENT OF OBLIGATIONS FOR DEFAULT AND SUBSEQUENT CLEARING CYCLES.**

As of the clearing cycle in which a default occurs, the Clearing House shall aggregate the following assets: any excess security deposits, any excess margins and performance bond from the prior clearing cycle, any partial payment by the Clearing Member for the default cycle, and any other available assets of the Clearing Member. Such assets shall be allocated first to any net settlement variation payment obligation of the Defaulting Clearing Member to the Clearing House. If the funds are not sufficient to satisfy the Clearing Member’s settlement variation payment obligations for the default cycle, then the Clearing House shall apply the funds to such Clearing House obligations, pro rata relative to the size of such Clearing House obligations. If the Clearing House is unable to satisfy a settlement variation payment obligation from such assets, the deficiency shall be a Loss that the Clearing House shall satisfy pursuant to the procedures set forth in this Chapter 21. Any settlement variation gain to the Defaulting Clearing Member during subsequent clearing cycles shall be added to the available funds, and the Clearing House shall apply such collateral to the Defaulting Clearing Member’s payment obligations. For the avoidance of doubt, the Clearing House shall not use customer funds and margins to satisfy a payment obligation to the Clearing House in respect of the Defaulting Clearing Member’s proprietary account.

**2106.05. SATISFACTION OF CLEARING HOUSE OBLIGATIONS.**

Losses shall first be satisfied by applying the funds in the order of priority listed in Regulation 2106.02. The balance of any Losses remaining after the application of such funds shall be assessed against all Clearing Members (excluding any Insolvent or Defaulting Clearing Members). Each Clearing Member (excluding any Insolvent or Defaulting Clearing Member) shall be subject to an assessment in direct proportion to the Clearing Members’ total security deposit requirement up to an amount that does not exceed (i) a total of three (3) times such Clearing Member’s total security deposit requirement at the time of the default with respect to Losses that are attributed to the default of a single Clearing Member and (ii) a total of six (6) times such Clearing Member’s total security deposit requirement at the time of the default with respect to Losses that are attributed to the default of multiple Clearing Members during a Cooling Off Period (as defined below). Non-defaulting Clearing Members shall take no actions, including but not limited to, attempting to obtain a court order that would interfere with the ability of the Clearing House to collect and apply such assessments.

Each Clearing Member shall pay any assessment made pursuant to this Regulation by wire or other method acceptable to MGEX on the same business day as notice of the assessment has been delivered to Clearing Members. If a Clearing Member pays such assessment by wire and the wire transfer service is not open or operational, payment is due within one (1) hour on the next business day that wire is open and operational. Any Clearing Member that does not satisfy an assessment shall be in default, and any Loss that occurs as a result of such default shall itself be assessed by
MGEX to non-defaulting Clearing Members.

If a Clearing Member has made payments of all assessed amounts and has replenished any deficiency in its security deposits in accordance with Regulation 2113.00., it may withdraw from Membership by giving written notice to and receiving approval from the Exchange.

2107.00. LIMITED RECOURSE AND TERMINATION EVENTS.

If one or more Clearing Members Default and the assets available to cover the default, including the funds described in Regulation 2106.02. and all assessments levied by the Exchange, are insufficient to satisfy the obligations of the Clearing House as a result of such default, the Clearing House shall discount its obligations as provided in Regulation 2107.01. Persons who have not been paid in full shall have no recourse to any other funds.

If at any time following a default, one or more of the following events (each, a “Termination Event”) occur, MGEX shall comply with the procedures set forth below and in Regulation 2107.01. For purposes of this Regulation, a Termination Event shall occur when:

A. The Clearing House is unable to cover a settlement variation payment obligation when due and has no expectation of accessing funds to permit it to cover such payment obligation;

B. The Clearing House determines that the available funds will be insufficient to satisfy all Losses;

C. MGEX is unable to comply with an obligation to pay money or deliver property to a Clearing Member that is properly due and owing in connection with a transaction cleared by the Exchange for a period of five (5) Business Days; or

D. MGEX institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy.

Following a Termination Event, the Clearing House shall, as soon as reasonably practicable and in a manner consistent with the Commodity Exchange Act and the regulations adopted thereunder (including, without limitation Part 190 of the Regulations, if applicable), fix a U.S. dollar amount to be paid to or received from the Clearing House in respect of all contracts to be terminated by conducting a Haircut Settlement Cycle (as defined below) to determine a final settlement price for all open contracts as described in Regulation 2107.01.

2107.01. HAIRCUT SETTLEMENT CYCLES AND TERMINATION OF CONTRACTS.

If a Termination Event occurs, the Clearing House shall notify the non-defaulted Clearing Members and conduct a settlement cycle for all MGEX contracts to determine settlement prices for all contracts and the portfolio gain or loss for each non-defaulted Clearing Member and its customers as follows (such settlement cycle, a “Haircut Settlement Cycle”):

A. The net portfolio gain of a non-defaulted Clearing Member (a “collect”), or the net portfolio loss of a non-defaulted Clearing Member to the Clearing House (a “pay”), shall be determined separately for (i) its proprietary positions in MGEX contracts (a “Proprietary Collect” or a “Proprietary Pay”), and (ii) the positions of its customers in MGEX contracts (collectively, a “Customer Collect” or a “Customer Pay”).
B. The Clearing House shall determine and calculate the sum of (i) the amount of each non-defaulted Clearing Member’s remaining payment obligations, if any, with respect to assessments levied by MGEX; (ii) any other remaining available funds or collateral, (iii) all Proprietary Pays to be received by MGEX, (iv) and all Customer Pays to be received by MGEX, and deduct the amount of any uncovered Loss (the resulting amount, the “Aggregate Available Funds”).

C. The Clearing House shall then notify each Clearing Member of the amount of its remaining assessments, Proprietary Pay, and Customer Pay, and each Clearing Member shall pay all such amounts no later than the time specified by the Clearing House in such notice. If a Clearing Member does not make such payment to the Clearing House, such Clearing Member will be in default and the Exchange may take any of the actions specified elsewhere in the MGEX Rulebook with respect to such Clearing Member and its customers.

D. If the amount of Aggregate Available Funds received by the Clearing House exceeds the sum of all Proprietary Collects and Customer Collects, the Clearing House shall use the excess amount to calculate reimbursements of Clearing Member assessments previously paid to the Exchange. Such reimbursements will be distributed pro rata to Clearing Members.

E. If the sum of all Proprietary Collects and Customer Collects exceeds the amount of Aggregate Available Funds received, the Clearing House shall haircut the amount of each Proprietary Collect and Customer Collect on a pro rata basis based on the amount of Aggregate Available Funds received relative to the Proprietary Collect and Customer Collect.

F. For non-defaulted Clearing Members, the Clearing House shall pay (i) the Proprietary Collect or the haircut amount of such Proprietary Collect, as applicable, and (ii) the Customer Collect or the haircut amount of such Customer Collect, as applicable, as soon as practicable after receipt of the Aggregate Available Funds.

G. The Clearing Member shall allocate any haircut amount of Customer Collects pro rata among the Clearing Member’s customers.

Upon the completion of payments, all MGEX contracts shall be extinguished, and the Clearing House shall have no further access to funds or collateral with respect to such contracts or clearing activity of a non-defaulting Clearing Member. Clearing Members, their affiliates, and their customers shall have no claim against the Exchange with respect to losses suffered as a result of the application of MGEX Rules and Regulations, nor shall any beneficial holder of an MGEX contract have any claim against its non-defaulting Clearing Member.

2107.02. NON-PETITION.

No Clearing Member and no customer of a Clearing Member shall institute against, or join any other person in instituting against, the Exchange any bankruptcy, reorganization, arrangement, insolvency, moratorium, liquidation or examinership proceedings, or other similar proceedings under U.S. federal or state bankruptcy laws or other applicable law arising out of any claimed default by the Clearing House on an MGEX contract as a result of the termination of such contract and related payments in accordance with these Regulations.
2108.00. DETAILS OF IMPLEMENTATION.

While adherence to the provisions of the above MGEX Regulations is mandatory, the detailed implementation of the process of finalizing Losses with respect to a default, including the liquidation, auction, or sale of positions or assets of the Defaulting Clearing Member, shall be conducted by the Clearing House or the MGEX Risk Team.

In order to ensure that the process for liquidating open contracts results in competitive pricing, to the extent feasible under market conditions at the time of liquidation, liquidation of open contracts held for a house account or customer account of a Defaulting Clearing Member may occur by one or more of the following methods: (i) book entry that offsets open contracts on the books of the Defaulting Clearing Member; (ii) liquidation in the open market; and/or (iii) one or more private auctions amongst qualified market participants invited by the Clearing House to submit confidential bids. The Clearing House shall have discretion to select the best bid submitted for any portfolio in an auction, based on the totality of the circumstances.

In the event that identical customer contracts are liquidated in the open market on the same date but cannot be liquidated at the same price, unless the Clearing House determines that it would be inappropriate, a weighted average of the liquidation prices for such contracts shall be used in determining the value of the liquidated contracts for each such customer. In the event that open contracts of multiple customers are liquidated in a bulk auction, the net proceeds of such auction shall be allocated on a pro rata basis amongst the affected customers based upon their applicable performance bond requirements for the clearing cycle immediately prior to the default.

2109.00. COOLING OFF PERIOD AND MULTIPLE DEFAULTS.

The provisions set forth in Regulations 2106.00. through 2108.00. apply with respect to each default by a Clearing Member. If more than one Clearing Member Default occurs at a time or in close sequence, including a default that occurs by reason of a Clearing Member’s failure to satisfy an assessment demand, the Clearing House shall manage the defaults separately. Upon any default, non-defaulted Clearing Members shall be subject to a maximum obligation during the Cooling Off Period to pay assessments as set forth in Regulation 2106.05. This maximum shall apply from the date of the original default until the later of (i) the fifth Business Day thereafter and (ii) if another Clearing Member defaults during the five (5) Business Days following the initial or any subsequent default, the fifth Business Day following the last such default (such period, the “Cooling Off Period”), regardless of the number of defaults that occur during such Cooling Off Period.

The aggregate maximum contribution for the Cooling Off Period shall be based upon each Clearing Member’s total security deposit requirement in effect at the commencement of the Cooling Off Period. The maximum does not limit Clearing Members’ obligations to restore their security deposit contributions as set forth in Regulation 2113.00. Following a Cooling Off Period, the Clearing House shall notify each Clearing Member of its security deposit obligation and its assessment exposure.

2110.00. NO ACTION; LIMITATION OF LIABILITY.

Non-defaulting Clearing Members shall take no actions, including but not limited to, attempting to obtain a court order that would interfere with the ability of the Clearing House to collect and apply assets and proceeds in accordance with any MGEX Regulations.

The liability of the Exchange shall be limited to losses resulting from the substitution of the Clearing House upon contracts between Clearing Members. The Exchange shall not be liable for any other obligations, including but not limited to, obligations of a non-Clearing Member, obligations of a
Member, obligations of a Clearing Member to a non-Member, obligations of a Clearing Member to another Member of the Clearing House who is acting for him as broker, or obligations to a customer by a Clearing Member; nor shall the Exchange become liable to make deliveries to or accept deliveries from a customer of its Clearing Members.

2111.00. CLOSE-OUT NETTING AND OFFSET.

If at any time the Exchange (i) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors’ rights, or a petition is presented for its winding up or liquidation, and, in the case of any such proceeding or petition presented against it, such proceeding or petition results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for the Exchange’s winding-up or liquidation, or (ii) approves resolutions authorizing any proceeding or petition described in clause (i) above (collectively, a “Bankruptcy Event”), all open positions in the Clearing House shall be closed promptly.

If at any time the Exchange fails to comply with an undisputed obligation to pay money or deliver property to a Clearing Member that is due and owing in connection with a transaction cleared by the Exchange, for a period of five (5) Business Days from the date that the Exchange receives notice from the Clearing Member of the past due obligation, the Clearing Member’s open proprietary and customer positions at the Clearing House shall, at the election of that Clearing Member, be closed promptly.

At such time as a Clearing Member’s positions are closed:

A. The obligations of the Clearing House to such Clearing Member with respect to the Clearing Member’s proprietary positions, accounts, collateral, and security deposits shall be netted against the obligations of such Clearing Member to the Clearing House and to the Exchange in respect of its proprietary positions, accounts, collateral, guarantees of the performance of its customers, and any obligations to guarantee funds (“Proprietary Netting”); and

B. The obligations of the Clearing House to the Clearing Member with respect to such Clearing Member's customers' futures positions, futures accounts, and futures collateral shall be netted against the obligations of the Clearing Member to the Clearing House with respect to the futures positions, futures accounts, and futures collateral of such customers (“Futures Customer Netting”).

Proprietary Netting and Futures Customer Netting shall be performed in accordance with the Bankruptcy Code and the Commodity Exchange Act and the regulations promulgated thereunder. This Regulation shall be deemed to be a master netting agreement for Proprietary Netting and a master netting agreement for Futures Customer Netting.

After a Bankruptcy Event occurs, the authority of the Clearing House, pursuant to Regulation 2106.05., to make new assessments or require a Clearing Member to cure a deficiency in its security deposit, arising after the Bankruptcy Event, shall terminate.

All positions open immediately before being closed in accordance with this Regulation shall be valued in accordance with the following procedures.

As promptly as reasonably practicable, but in any event within thirty days of the (i) Bankruptcy Event, or (ii) if a Clearing Member elects to have its open positions closed in a default as described above,
the date of the election, the Exchange shall, in a manner that is consistent with the requirements of the Commodity Exchange Act and the regulations adopted thereunder (including, without limitation Part 190 of the Regulations), fix a U.S. dollar amount (the “Close-out Value”) to be paid to or received from the Exchange by each Clearing Member, after taking into account all applicable netting and offsetting pursuant to the provisions of this Regulation.

The Exchange shall value open positions subject to close-out by using the market prices at the moment that the positions were closed-out, assuming the markets were operating normally at such moment. If the markets were not operating normally at such moment, the Exchange shall exercise its discretion, acting in good faith and in a commercially reasonable manner, in adopting methods of valuation to produce reasonably accurate substitutes for the values that would have been obtained from the market if it had been operating normally at the moment that the positions were closed-out.

In determining a Close-out Value, the Exchange may consider any information that it deems relevant. If a Clearing Member has a negative Close-out Value, it shall promptly pay that amount to the Exchange.

2112.00. MEMBERSHIPS: ASSESSMENTS AND ISSUANCE.

Notwithstanding the provisions of Rule 221.01., in the event the Exchange requires additional funds to address any uncovered credit loss, liquidity shortfall, or capital inadequacy, MGEX may levy a special assessment against each and every Membership and may fix the dates upon which such assessments, in whole or in parts thereof, shall become due and payable.

In addition, and notwithstanding the provisions of Rule 360.00., in the event the Exchange requires additional funds to address any uncovered credit loss, liquidity shortfall, or capital inadequacy, the Exchange officers shall have the right to sell original Memberships. The sale price shall be determined by the Exchange officers and shall be within the current bid and offer range for memberships, provided that the officers consider such price to be reasonable. The person to whom such Membership is to be issued must comply with all the terms and conditions of MGEX Rules and Regulations concerning admission to Membership and recording the ownership of a Membership. Pursuant to Rule 360.00., the number of outstanding Memberships shall not exceed six hundred (600) unless an increase is approved by a vote of the Record Owners.

2113.00. SECURITY DEPOSITS TO BE RESTORED.

In the event it shall become necessary as provided above to apply all or part of the security deposits to meet obligations to MGEX, the Clearing Member shall immediately make good any such deficiency in security deposits, by wire or other acceptable method, by established deadlines for current end of day variation cycle or sooner as may be required by the Exchange. In the event of the insolvency or default of a depository or settlement bank, Clearing Members shall comply with any further instructions provided by MGEX regarding the restoration of such security deposits.

2114.00. USE OF CUSTOMER GROSS MARGIN FILES.

Unless otherwise expressly agreed to by the Exchange, in the event of a Clearing Member or customer default, insolvency, or other financial emergency, the Exchange shall use and rely upon the customer gross margin files reported daily by Clearing Members to determine the amount of a customer’s pledged margin, associated with open positions, held at the Clearing House. The Exchange shall not be held liable to any party for its reliance upon and use of the customer gross margin files reported to MGEX.
2115.00. **ACCEPTANCE OF GIVE-UP TRADES.**

All give-up trades containing the necessary trade data pursuant to MGEX Regulation 2100.00, including customer identification, quantity, and price which are entered by the executing Clearing Member by three o’clock (3:00) p.m. Central Time must be accepted and transferred to the account of the carrying Clearing Member on the same business day. If the executing Clearing Member does not provide said information by three o’clock (3:00) p.m. Central Time, then the executing Clearing Member will retain the position until the following business day. All give-up transfer trades are due at MGEX at such time as determined by the Exchange. Submission times and fines for not accepting a give-up trade are set forth in Resolution 2101.00.C.

2116.00. **CLEARING MEMBER FINANCIAL EMERGENCY.**

If at any time the Exchange, in its sole discretion, determines that there is a substantial question as to whether a financial emergency exists or may exist with respect to any Clearing Member, or that the Clearing Member is no longer in Good Standing, the Exchange may suspend or take any other action to protect the best interests of the marketplace, Clearing Members or the Exchange.

The Exchange shall have no liability regarding its use of the discretionary power described herein; neither shall the Exchange be liable for actions taken pursuant to MGEX Rules and Regulations, procedures, or actions allowed by law.

2117.00. **FINALITY OF SETTLEMENT.**

Provided there are no accounting and/or clerical errors, payments of funds or transfer of funds to and from MGEX, including but not limited to: intraday and end of day variation, margin payments and security deposits, are final and unconditional when effected and cannot be reversed.

2118.00. **SETTLEMENT BANKS AVAILABLE FOR USE.**

The Exchange shall have the authority to approve settlement banks used by the Exchange and its Clearing Members. Each Clearing Member must maintain an account at an Exchange approved settlement bank for purposes of making daily cash settlements for variation and collateral margin with the Exchange.

2119.00. **PROTECTION OF CUSTOMER FUNDS.**

All funds deposited with the Exchange on behalf of customers of a Clearing Member shall be held in an account identifiable as “customer segregated” in accordance with the Commodity Exchange Act and CFTC Regulation 1.20, as amended. All investment use of such funds shall comply with the investment standards of the Commodity Exchange Act and CFTC Regulation 1.25, as amended, including, but not limited to, concentration limits and permitted investments.

2120.00. **CLEARING MEMBER RISK MANAGEMENT.**

All Clearing Members must maintain current written risk management policies and procedures, and ensure they are able to perform proper risk management and operational functions at all times. Upon request of the Exchange or the Commodity Futures Trading Commission (CFTC), the written risk management policies and procedures and other related information and documentation must be promptly made available for review.

The Exchange shall have authority to develop and implement risk control policies for customer and
proprietary transactions. Further, the Exchange shall have authority to take such action, including but not limited to: imposing enhanced capital requirements, imposing enhanced margin requirements, prohibiting an increase or requiring a reduction in positions, and liquidating or transferring positions when, in the sole discretion of the Exchange, such action is necessary to effectively manage risk posed to the Exchange by a Clearing Member.

Registered users and public viewers must also abide by the Commodity Exchange Act and the regulations promulgated thereunder, and any other applicable jurisdiction’s laws, rules or regulations.

2201.00. MGEX INFO XCHANGE.

The Exchange may establish an MGEX Info Xchange, the structure and operation of which may be modified, suspended or terminated at any time by the Exchange. The Exchange has sole discretion to determine those individuals and entities eligible and permitted to participate on the MIX. Those eligible and approved pursuant to Regulation 2203.00. shall be known as registered users. Eligibility standards may include an applicant's business reputation, financial resources, trading activity in relevant futures, options, or related cash markets, or any other factor or standard. The Exchange may, without notice, deny or remove any individual or entity access to the MIX if they fail to comply with Exchange requirements.

2202.00. PURPOSE.

The purpose of the MIX is to provide an accessible website forum offering a public venue for registered users who are interested in discussing permitted trading and market information, as determined by the Exchange. The MIX is not a trading platform nor is it linked to a trading platform. There is no matching that is completed on the MIX. All matching of orders must separately take place on an independent matching engine and platform.

2203.00. ACCESS.

The ability to post communications on the MIX is limited to registered users.

To become a registered user, an applicant must complete and sign a user agreement. The Exchange has sole discretion to approve, reject or revoke registered user status.

2204.00. INTERNET SERVICES.

Registered users and public viewers are responsible for procuring their own Internet access to the MGEX website and the MIX. MGEX does not warrant access, posting, listing, entry, quote or response speed or time.
2205.00. ELECTRONIC MAIL ACCOUNTS.

All registered users must maintain a valid electronic mail account. Each registered user is responsible for promptly viewing, and if required, responding to all electronic mail emanating from the Exchange.

2206.00. MISUSE OF MGEX INFO XCHANGE PROHIBITED.

Misuse of the MIX or website is strictly prohibited. It shall be deemed an act detrimental to the interest and welfare of MGEX to willfully or negligently engage in unauthorized use of the MIX or website, to assist any person in obtaining unauthorized access to the MIX or website, to alter equipment accessing the website, to interfere with the operation of the MIX or website, to intercept or interfere with information provided thereby, or in any way to participate on the MIX or use the website in a manner contrary to the MGEX Rules and Regulations or any other applicable laws or regulations.

No individual or entity may distribute, sell or retransmit information displayed on the MIX or website to any third party.

2207.00. HOURS OF OPERATION.

The hours of operation of the MIX shall be determined by the Exchange and are subject to change at any time provided notice is given to the marketplace.

2209.00. DISCIPLINARY PROCEDURES.

All suspensions, expulsions and other restrictions imposed upon a registered user by the Exchange pursuant to disciplinary procedures contained in MGEX Rules and Regulations shall restrict, with equal force and effect, access to and participation on the MIX.

Registered users shall promptly respond, provide documentation, and cooperate in all inquiries by the Exchange. Failure to do so shall subject the registered user to disciplinary procedures, including but not limited to immediate termination of access to the MIX and website.

2210.00. TERMINATION OF ACCESS.

The Exchange shall have the right to summarily terminate access to and participation on the MIX and website.

2211.00. SYSTEM SECURITY.

Each registered user shall be responsible for the security of their respective terminals which have access to the MIX and website. Each registered user assigned an individual user name and password shall not disclose such identifiers to any other person or permit any other person to access the MIX or website using such individual user name and password. Each registered user shall be responsible for monitoring the security of their individual identifiers. Identifiers will...
be assigned by account.

2212.00. PHYSICAL LOCATION EMERGENCIES; SUSPENSION OF SERVICE.

If the MIX or website experiences a full or partial breakdown in any area, the Exchange may, without warning and in its sole discretion, immediately suspend access to the MIX and website.

2213.00. LIMITATION OF LIABILITY.

Except in instances where there has been a finding of willful or wanton misconduct in which case the party found to have engaged in such conduct cannot avail itself of the protections in this Regulation, neither MGEX, the Clearing House, Members, Clearing Members, other persons acting as agents nor any of their officers, directors or employees, shall be liable for any losses, damages or costs, including direct, indirect, special, incidental or consequential damages and lost profits, regardless of whether any of them had been advised or otherwise made aware of the possibility of such damages, arising out of the use or performance of the MIX or website, or any component(s) thereof, or any fault, failure, malfunction or other alleged defect in the MIX or website, or any other cause in connection with the furnishing, performance, maintenance, use of or inability to use all or any part of the MIX or website, disruption of common carrier lines, loss of power, acts or failures to act by any third party, natural disasters or any and all other causes. MGEX does not guarantee continuous, uninterrupted or secure access to the MIX or website.

Each registered user and public viewer assumes all risks associated with the reliance on information posted on or other use of the MIX, and waives any right to assert any claim against MGEX, including but not limited to, such claims as those alleging access or information was not provided by MGEX or that access or information provided by MGEX was improper, inaccurate or inadequate. Further, such registered user and public viewer waives any right to contest that access was interrupted or denied. Each registered user and public viewer also waives any claim that communication to MGEX was interrupted or denied, or that priority of communication to MGEX was interrupted or denied, or that the Exchange’s determination of priority of communication to MGEX was incorrect, inaccurate, improper or unfair.

There are no express or implied warranties or representations provided by MGEX, the Clearing House, Members, Clearing Members, registered users, public viewers or any of their officers, directors or employees, relating to the MIX or website, including but not limited to, warranties of merchantability and warranties of fitness for a particular purpose or use.

2214.00. MGEX INFO XCHANGE PROCEDURES.

The Exchange may immediately adopt, cancel or modify MIX procedures, including but not limited to, access, postings, listings, reporting, notification and recordkeeping procedures that the Exchange determines to be necessary so as to comply with the Commodity Exchange Act, Commission Regulations, MGEX Rules and Regulations and surveillance obligations, or other controlling or governing authority; or determined to be in the best interest of MGEX, Membership, users or public, or required as a result of changes to the website or Internet access providers or servers.

2215.00. POWERS.

The Board of Directors shall have the authority and power to operate the MIX, to approve,
modify and implement any MGEX Rules and Regulations not inconsistent with this Chapter, and hereby delegates said authority to Exchange officers.

A. AJC Product Delivery Requirements

AJC product is only eligible for delivery if all requirements of the MGEX Rules and Regulations are met, including but not limited to the following conditions:

1) There is no hold on the AJC product by any governmental entity with appropriate jurisdiction which prohibits the AJC product from leaving the Regular warehouse;
2) The AJC product is accompanied by a valid Certificate of Analysis (COA);
3) The AJC product is labeled per drum or bin and such label includes, but not limited to, the amount of gallons (or liters) contained in the drum or bin;
4) The AJC product is accompanied by a valid billing or drum manifest;
5) The AJC product owner can be identified;
6) The AJC product has a passing, valid USDA Letter Report which has a sampled date of no more than eleven months prior to the applicable delivery month;
7) The AJC product has a color grade of at least 41 points throughout the delivery month or 42 points throughout the month before the delivery month;
8) Any AJC futures contract specification for the AJC product represented on the COA, label or any other document required for delivery must meet the AJC futures contract specification requirements (units of measurements not defined in MGEX contract specifications may be disregarded); and
9) The AJC product is issued using a valid negotiable warehouse receipt which meets all requirements for delivery on the AJC futures contract.

B. Delivery Procedures

1. General

The AJC futures contract may be settled by physical delivery of a negotiable warehouse receipt approved by the Exchange along with a passing, valid USDA Letter Report and Certificate of Analysis.

All deliveries of AJC shall be made through MGEX pursuant to procedures and on such forms (either paper or electronic) prescribed by the Exchange. Delivery procedures may be codified within a manual and disseminated to Clearing Members and Regular warehouses. All parties involved in the delivery process must follow such procedures, including any notices, memos and
the like issued by the Exchange. Further, the Exchange may modify the procedures and amend such forms, and implement such changes, as it determines necessary for the delivery process. Procedures, forms and changes shall be consistent with the MGEX Rules and Regulations.

2. Redelivery

Redeliveries during the same delivery month are permitted but only pursuant to Exchange procedures. A buyer taking delivery may not initiate a redelivery until payment has been made and the original warehouse receipt and a copies of the Certificate of Analysis and the passing, valid USDA Letter Report has been received by the buyer’s Clearing Member.

3. Authority, Obligation and Liability

a. MGEX

MGEX shall have authority to take any action it determines in its sole discretion is necessary to ensure the integrity of the delivery process. Such actions include, but are not limited to, cancellation of a delivery, suspension of regularity, product replacement, demand for alternate delivery, or any actions permitted by the MGEX Rules and Regulations, Exchange procedures or law. The Exchange will not permit any party to abuse, disrupt, interfere or manipulate, or attempt to abuse, disrupt, interfere or manipulate the delivery process. The Exchange shall not be liable to any party for actions taken by the Exchange in good faith to protect the delivery process or legitimacy of the AJC futures contract. Parties may utilize MGEX Arbitration Rules to resolve disputes between parties. The Exchange shall not be liable for any damages or losses resulting from the arbitration process timeline or from decisions of the Arbitration Panel.

The Exchange is not liable to any party for performance on any warehouse receipt. The Exchange is not liable to any party for the quality of any AJC being stored, delivered or loaded out. Further, the Exchange is not liable to any party for product recalls of AJC, the use of AJC, or for products containing AJC.

MGEX has no liability for the use of any negotiable warehouse receipts used for delivery against the AJC futures contract.

b. Clearing Members

The Clearing Member must follow the MGEX Rules and Regulations, including but not limited to Exchange delivery procedures, deadlines and forms necessary to effect delivery. A Clearing Member may not submit a Notice of Intention to Deliver Form to MGEX unless it has in its possession the original warehouse receipt as well as a copy of the Certificate of Analysis and a passing, valid USDA Letter Report for the product named on the receipt. Copies of all three documents must be submitted to MGEX at the same time as the Notice of Intention to Deliver Form. The Clearing Member bears the risk of timely obtaining the necessary documents. This potential liability includes costs and delays resulting from inaccurate information provided to MGEX as well as Exchange actions taken in its discretion to ensure delivery, protect the delivery process, mitigate damages or correct misinformation provided to MGEX. Further, all storage charges must have been paid up or prepaid as described in the MGEX Rules and Regulations.

c. Regular Warehouses

Warehouses deemed Regular must follow the MGEX Rules and Regulations, including but not limited to Exchange procedures, deadlines and forms necessary to effect delivery. The Regular
warehouse is responsible for all handling, storage, and identification, down to the drum and bin as necessary, in accordance with Exchange procedures in order to preserve product identity. In addition to any obligation provided for in the MGEX Rules and Regulations, the Regular warehouse is responsible to exercise the degree of care required by law and as a reasonably prudent person while the product is in its possession.

d. Market Participants

AJC market participants shall be responsible for following the MGEX Rules and Regulations, deadlines and forms necessary to effect delivery.

C. AJC Product Color Degradation

Provided the AJC product is properly stored and sealed or resealed, the color grade shall be deemed to degrade one (1) point on the first of every month after the sample is taken and the product has been placed in storage at 0°Fahrenheit.

D. USDA Letter Report

A passing, valid USDA Letter Report is required for delivery on the AJC futures contract. A USDA Letter Report is a document issued by the USDA Agricultural Marketing Service containing the lab test results from a sample taken from an identified lot. A passing USDA Letter Report means that there are no failures on the AJC futures contract specifications. Provided the product is properly stored (as described below), a passing USDA Letter Report shall be valid for a period of up to one year from date the sample is taken (or the day prior in case of a sample date of February 29th). A Letter Report may not be used to effect a delivery on the AJC futures contract in the month the Letter Report expires.

A single sample (and the USDA Letter Report) cannot represent more than 40,000 gallons of AJC Product and must have been stored and identified in accordance with the MGEX Rules and Regulations. If a sample fails a test as documented by the USDA Letter Report, the sampled drum or bin may not be used to deliver on an AJC futures contract and the Regular warehouse must clearly identify the drum or bin as undeliverable. The remaining portion of the USDA testing lot may be retested; however, a single sample cannot represent more than 10,000 gallons of AJC product. Should a subsequent 10,000 gallon USDA testing lot fail, the tested drum or bin cannot be used to deliver on an AJC futures contract and the Regular warehouse must clearly identify the drum or bin as undeliverable. Any further retests must be conducted in 1,800 gallon (within acceptable variance) denominations. If the tested drum or bin in an 1,800 gallon (within acceptable variance) denomination fails, none of the drums or bins within that 1,800 gallon lot may be used to deliver on an AJC futures contract.

No USDA Letter Report can be destroyed. The test results and USDA Letter Report are not appealable. All USDA Letter Reports must be retained by the Regular warehouse for at least ten (10) years.

The USDA Letter Report will be eligible to be used to satisfy the USDA testing requirement for any 1,800 sublot from the USDA tested AJC product until the 1,800 sublot is retested or the original USDA Letter Report expires or becomes invalid.

Once a USDA Letter Report has expired, or prior to expiration, the owner of the negotiable warehouse receipt may request another sample be taken. If a subsequent USDA Letter Report is issued, it must be identified and a new negotiable warehouse receipt must be issued. The Regular warehouse must cancel the previous negotiable warehouse receipt prior to issuing the
new negotiable warehouse receipt.

Further, neither the Regular warehouse, nor current owner, nor any previous owner, nor MGEX can warrant the AJC product meets the USDA Letter Report results at the time of load out or at destination. Samples and testing done by a party does not change the results of the USDA Letter Report, does not change the value of the product delivered, and does not alter the delivery process under the MGEX Rules and Regulations.

The sampling process and required conditions for extracting a sample shall be determined by USDA. Regular warehouses must cooperate and assist as necessary.

E. Warehouse Receipt

Only a negotiable warehouse receipt (in a form acceptable to MGEX) can be used for delivery on the AJC futures contract. Delivery on an AJC futures contract shall be made by the delivery of a negotiable warehouse receipt issued by a Regular warehouse. To effect a valid delivery, each negotiable warehouse receipt must be properly issued, endorsed and representative of the AJC product listed on the receipt. The product represented on the receipt also must be in the possession of the issuing Regular warehouse at all times from issuance until cancellation of the receipt. Further, such receipt shall constitute a warranty of the genuineness of the AJC product and of good title thereto, but shall not constitute a guaranty, by MGEX, the Regular warehouse or any previous owner of the receipt, that the product shall not suffer shrinkage, decay, evaporation or any other loss that is ordinary or usual for that product (such as color).

See Form 54-04.00.E for an example of an acceptable negotiable warehouse receipt. All applicable sections on the receipt must be accurately and fully completed with appropriate authorized signatures. An incomplete receipt will render the receipt unusable for delivery on the AJC futures contract. Except for the endorsement, all information on the negotiable warehouse receipt must be entered by the Regular warehouse. Except for choice of law provisions, the laws of the state of Minnesota shall govern any negotiable warehouse receipt issued on AJC product and used to deliver on the AJC futures contract. MGEX has no liability for the use of any warehouse receipt issued for AJC product, whether used for delivery against the AJC futures contract or not.

Any negotiable warehouse receipt must contain and identify 1,800 gallons (within allowable variance), and must consist of either 32 fifty-five gallon drums or 6 bins containing between 275 and 325 gallons each. Variances are permitted as described in this Chapter. Further, such negotiable warehouse receipt shall identify the specific drums or bins by lot, sublot or otherwise.

Only one contract trading unit may be listed on a single individually numbered negotiable warehouse receipt used for delivery against an AJC futures contract.

F. Certificate of Analysis (COA)

Only AJC product which has a COA may be deliverable on the AJC futures contract. This COA must include a unique COA lot number indicating the production run, the country of origin, and the unit type (drum or bin).

The COA (or a copy thereof) must be retained by the Regular warehouse and the AJC product owner, and must be provided to any subsequent buyer of AJC no later than the same day the warehouse receipt and USDA Letter Report are transferred to the buyer. The Regular warehouse must retain a copy of the Certificate of Analysis for at least ten (10) years.
G. Manifest

Only AJC product which has a billing or drum manifest may be deliverable on the AJC futures contract. The billing or drum manifest must identify the COA associated with the AJC product.

H. Drum or Bin Label

Only AJC product which is labeled on every drum or bin may be deliverable on the AJC futures contract. The label must, at a minimum, provide the gallons (or in liters) of the AJC product in each drum or bin.

I. Payment

A buyer who has duly received a Delivery Notice from the Exchange shall present the Delivery Notice, along with full payment, to the seller’s Clearing Member. Payment shall be made by 1:00 pm Central Time on the business day following receipt of the Delivery Notice. (Payment and delivery times may be modified by the Exchange and communicated by notice and/or posting.) Immediately upon payment, seller shall provide buyer the original negotiable warehouse receipt, and copies of the USDA Letter Report and Certificate of Analysis. Delivery will be considered complete upon payment and transfer of a properly endorsed negotiable warehouse receipt and supporting documents including the passing and valid USDA Letter Report and COA. Further, the same day payment is made (also know as delivery day), the Clearing Member for both the buyer and seller must each notify the Regular warehouse of the change in ownership of the receipt. Buyer’s and seller’s respective Clearing Members shall be responsible for ensuring a notice of transfer has been timely provided to the Regular warehouse.

Failure by the buyer to make full payment as required shall constitute a default. Upon default, seller is entitled to damages in accordance with Rule 825.00.

J. Storage charges

Before a negotiable warehouse receipt can be delivered, the owner must pay all unpaid accumulated storage charges (if any) up to and including the date the warehouse receipt is delivered to the buyer. The storage rate must be stated on the negotiable warehouse receipt which is used to determine the prorated charges between buyer and seller. Storage charges may be in dollars per drum, dollars per bin, or dollars per whole pallet. The owner of the receipt shall be responsible to prepay storage charges according to the receipt, and such rate must be consistent with the Regular warehouse schedule or tariff.

Prepaid storage charges for days subsequent to the delivery day must be disclosed by the seller and shall be prorated to the buyer.

Collection and settlement of storage charges shall be the responsibility of the Clearing Members involved. Storage charges shall be deemed by MGEX to have been paid when MGEX receives a Notice of Intentions to Deliver Form.

The owner of the warehouse receipt shall be responsible for all expenses associated with ownership of the product including, but not limited to, the cost of all samples and tests, storage fees, insurance, transportation, and load out. USDA testing fees shall be publicly available. Regular warehouse fee schedules or tariffs shall be provided to the Exchange and available to
the public.

K. Endorsement

In order to effect delivery, the owner or their agent (which may be their Clearing Member) of a properly issued negotiable warehouse receipt under the MGEX Rules and Regulations must endorse the negotiable warehouse receipt. Other than words of negotiability, there is no specific required form or language for endorsement. However, the date through which storage charges have been paid and the current owner’s name must be noted. Further, if an agent endorses on behalf of the owner, the endorsement must state such.

Notice must be timely given to the Regular warehouse issuing the negotiable warehouse receipt by both the endorser and the recipient of the negotiable warehouse receipt (or their respective Clearing Members) that the negotiable warehouse receipt has been transferred.

L. Insurance

A Regular warehouse shall carry product insurance coverage on stored AJC product that is common in the cold storage industry for a facility storing AJC product. The lack of coverage or the amount of coverage, as well as any insurance rate applicable to the Regular warehouse must be disclosed to the owner of the negotiable warehouse receipt so as to enable the owner to insure the product or obtain additional insurance if they wish. Additionally, the parties may make such other arrangements as may be mutually agreeable. If no product insurance is provided, it must be clearly stated on the negotiable warehouse receipt.

However, pursuant to Regulation 5601.00, the Regular warehouse shall carry legal liability coverage for the loss of goods. The amount of such coverage shall be stated on the negotiable warehouse receipt.

M. Load Out

The owner of a negotiable warehouse receipt may call for load out at any time, provided the owner follows the Regular warehouse’s standard protocol for proper notice, payments, conveyance of transportation, and schedule for pick up.

A Regular warehouse shall not be obligated to load out against a negotiable warehouse receipt received via the delivery process until all storage charges have been paid. All other charges related to load out shall be paid by the product owner requesting load out. However, a Regular warehouse cannot double charge the product owner requesting load out for in/out handling charges already paid by the original owner and identified on the warehouse receipt.

Load out shall be pursuant to the MGEX Rules and Regulations; however, the owner of the negotiable warehouse receipt may make alternative arrangements (non-standard protocol) for load out with the Regular warehouse if both parties mutually agree. However, such non-standard protocol shall be outside of the MGEX Rules and Regulations.

The AJC product loaded out against a negotiable warehouse receipt must be the same product identified on the receipt. Product may be substituted by mutual agreement between the Regular warehouse and receipt owner. However, such substituted product must be owned or obtained by the Regular warehouse, and may not be represented by another warehouse receipt or USDA Letter Report. Such substitution shall be outside of the MGEX Rules and Regulations.
N. Variances

An AJC futures contract represents 1,800 gallons. Any negotiable warehouse receipt used to deliver on the AJC futures contract must contain and identify 1,800 gallons (within allowable variance) and consist of either 32 fifty-five gallon drums or 6 bins, each able to contain between 275 to 325 gallons.

A variance of no more than 200 gallons in actual quantity is permitted and the actual amount must be indicated on the face of a negotiable receipt eligible to be delivered against an AJC futures contract. Each drum or bin must be substantially filled. For example, 6 bins of 275 gallons each representing 1,650 gallons or 6 bins of 325 gallons each representing 1,950 gallons may be delivered.

The amount paid for any underage or overage shall be price adjusted accordingly.

O. Drum or Bin Condition

Pursuant to the tariff or procedures, a Regular warehouse may replace or move product from a damaged drum or bin to a good drum or bin. A Regular warehouse must document such movement and inform the owner if they intend to charge the owner for such action.

Drums and Bins containing AJC are to be in the following size or condition:

**Drum Condition and Liner Specifications** – Contract units of AJC product delivered against a futures contract shall be in 55 gallon rated capacity steel drums with a minimum tare weight of 40 lbs. per drum (includes drum, lid, liners and clamp ring). Height of each drum shall be between 32-36 inches. Each four drums on a pallet will be of comparable height. Variance between drums on the same pallet cannot exceed ½ inch. The drums should be new or properly reconditioned containers. Each poly liner (2-minimum) must be a minimum of 2 millimeters thickness, no evidence of breakage and tied in a manner consistent with Good Manufacturing Practices. Poly liners must have 6 inches remaining after bag is closed or tied. Each drum shall be numbered in a manner in which it is specifically identified. Open top drums must be sealed, or resealed if tested, with tamper evident seals defined as a seal constructed in such a way it can be used only once, is not reusable and can be easily noticed if tampered with, is legible, uniquely identified, fabricated from non-corrosive and appropriate materials. Seal chain of custody documentation must accompany any replaced seals.

5411.00. POSITION LIMITS.

A. **Limits.** Position limits shall be determined by the Exchange. However, the position limits shall not apply to positions which are *bona fide* hedging transactions or positions as defined by MGEX. Additionally, any person with *bona fide* hedging positions must report such activity pursuant to MGEX or CFTC Regulations or procedures and in such manner and format, and at such times, as may be required.

No person shall own or control in excess of one-hundred (100) contracts net long or short in the delivery month commencing two business days prior to the delivery month, one-thousand (1,000) contracts net long or short in any single month, or one-thousand (1,000) contracts net long or short in all contract months combined.

B. **Compliance.** The Exchange may direct any person owning, controlling or carrying a position for another person in excess of the limits set forth in this Regulation to liquidate or otherwise reduce the position to achieve conformity with this Regulation. Further, no person may exceed the limits at any time during the trade day. Other than *bona fide* hedging positions, positions in excess of the limits shall be presumed to be a violation. However, for any futures position that exceeds position limits for passive reasons such as a market move or exercise assignment, the person shall be allowed one (1) business day to liquidate the excess position without being considered in violation of the limits.

C. **Enforcement.** The person owning, controlling or carrying a position, as well as the account holder, FCM, or Clearing Member as the case may be, shall maintain adequate books and records, available to the Exchange, upon request, which disclose the identity of and positions held by any person that owns or controls such position. The person owning, controlling or carrying a position, as well as the account holder, FCM and Clearing Member may be held accountable for any violation of the limits. The Department of Audits and Investigations may take enforcement action against any or all of the parties, whether or not each had actual knowledge of the position or a violation.

5412.00. EXEMPTION FROM POSITION LIMITS.

To be eligible for an exemption under this Regulation, an applicant must submit a written request to the Department of Audits and Investigations. Such request shall include the following:

A. a description of the size and nature of the proposed transactions;
B. information which will demonstrate that the proposed transactions are *bona fide* hedging transactions;

C. a statement indicating whether the person on whose behalf the request is made (i) maintains positions in the futures contract for which the exemption is sought with any other account holder or owner, and/or (ii) has made a previous or contemporaneous request pursuant to the Regulation through another applicant, and if so, the relationship of the information set forth in such requests;

D. a statement that the intended transactions will be *bona fide* hedges;

E. a statement that the applicant will immediately supply the Exchange with any material changes to the information submitted pursuant hereto;

F. such further information as the Exchange may request, including the daily, weekly or periodic filing of any documents or reports.

Within five (5) business days of the submission of the information set forth above, the Department of Audits and Investigations shall notify the applicant whether the exemption has been granted and the limitations placed thereon. An exemption will remain in full force and effect until (i) the applicant or person on whose behalf the request is made requests a withdrawal; or (ii) the Exchange revokes, modifies or places further limitations thereon. At any time, MGEX may limit *bona fide* hedging positions, and deny or limit any request for exemption from position limits which MGEX determines in its sole discretion are not in accord with sound commercial practices or exceed the established or permitted amount which may liquidated in an orderly fashion.

**5413.00. AGGREGATION OF POSITIONS.**

Such limits upon positions shall apply to positions held by two (2) or more persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by a single person. MGEX will follow the CFTC definition of aggregation and the procedures for aggregating positions as described in CFTC Part 151, specifically 151.7, or elsewhere, as applicable.

**5414.00. REPORTABLE POSITIONS.**

A position of twenty-five (25) or more AJC futures on this Exchange, long or short, in any one (1) month shall be the reportable position level. All such positions shall be reported in a manner and form as designated by the CFTC or the Exchange.

**5415.00. OFFSETS AND TRANSFER TRADES.**

Except by same day trade activity, existing futures positions in a delivery month may not be
offset during the period beginning two (2) business days prior to the delivery month and during the delivery month. Clearing Members will be responsible for compliance with this requirement by their omnibus accounts. This prohibition also applies to transfer trades where no change in ownership is involved when the date of execution or exercise of the position being transferred is not the same as the transfer date. Such positions are required to be offset by trading. If such positions are carried on the books of different Clearing Members, the receiving Clearing Member is responsible for compliance with this Regulation.

5416.00. CONTRACT MODIFICATIONS.

Specifications of a contract shall be fixed for the duration of the contract month upon the first trade in that contract month. However, a change in any Federal law, regulation, ruling, directive or order that conflicts with these Regulations or specifications will become effective upon notice by the Exchange. Additionally, the Board of Directors and/or Exchange are granted the authority to change contract specifications as it deems appropriate or necessary, or to conform to any other applicable law, rule, regulation that conflicts with these Regulations or specifications, for any unopened contract month, as well as change contract specifications for any contract month with open interest upon approval by CFTC.

Further, the Board of Directors and/or Exchange, to maintain the purpose and viability of the AJC futures contract are granted the authority to change the AJC Regulations not directly affecting contract specifications at any time and implement such change as may be determined.

5417.00. SETTLEMENT.

Settlement of the AJC futures contract shall be by closing out positions by the last trading day, by exchange for swap (either EFP or EFR) by the last notice day, or by physical delivery of warehouse receipt on the last delivery day.

5418.00. EMERGENCIES.

In the event of an emergency, as determined by the Exchange, the Board of Directors shall have the authority and power to follow the procedures described in Rule 210.02. The Board of Directors may delegate such powers as it deems necessary, by rule or otherwise, to the Executive Committee, Exchange Officer(s), or other employees of MGEX so that timely action may be taken.

An emergency may include, but is not limited to, Force Majeure, interference, interruptions or breakage of communication, accident, or any event or occurrence that is causing or may cause disruption in the marketplace.

Additionally, in the event of an emergency, the Board of Directors or its delegate shall have such authority and power to utilize such sources, means or methods that it determines to be in the best interest of the Exchange and the market.

The decision of the Board of Directors, Executive Committee, Exchange Officer(s), or other employees of MGEX as delegated, shall be final and binding upon all parties. The Exchange shall not be liable to any party as a result of actions and decisions taken in good faith.

5502.00. APPLE JUICE CONCENTRATE CALL OPTIONS.

5505.00. TRADING HOURS.
The Hours of Trading AJC options shall be from seven o’clock (7:00) a.m. to one-ten o’clock (1:10) p.m. All times shall be Central Time.

The official closing period shall be from 1:09:00 p.m. to 1:09:59 p.m. Central Time.
5506.00. CONTRACT MONTHS.

Trading may be conducted in AJC options in the same months that are listed for trading in the AJC futures contract. See Regulation 5405.00. Additionally, trading may be conducted in AJC options in months that are not listing for trading in the AJC futures contract. However, no more than two (2) options months outside the delivery cycle shall be available to trade at one time and shall be limited to those months immediately preceding the current delivery month and the next delivery month. Trading in an options month outside the delivery cycle may begin the first business day of the month immediately preceding its month of expiration. The underlying AJC futures contract month for such options month shall be the next month in the delivery cycle. However, the Board of Directors or Exchange may, at its discretion, restrict trading in any month should market conditions so warrant. There shall be no trading in AJC options for months in which AJC futures have not traded.

5507.00. DAILY PRICE LIMITS.

Trading is prohibited in an AJC option at a premium that is greater than the trading limit for the AJC futures contract above and below the previous day’s settlement premium for that option. See Regulation 5406.00. On the first day of trading, limits shall be set from the premium of the first trade.

Trading may be conducted for options with striking price increments of five cents ($0.05) and ten cents ($0.10) per gallon. At the commencement of trading in an option class, the following striking prices shall be listed: the striking price closest to the initial futures trade on the underlying Apple Juice Concentrate futures contract and the next five (5) consecutive higher and five (5) consecutive lower in five cent ($0.05) increments, and the next ten (10) consecutive higher and ten (10) consecutive lower in ten cent ($0.10) increments. If the initial futures trade or previous day’s settlement price on the underlying Apple Juice Concentrate futures contract is midway between two (2) striking prices, the closest price shall be the larger of the two (2). New striking prices will not be available until the next trading session.

Sufficient new striking prices shall be added prior to the next trading session to insure there are five (5) consecutive higher and five (5) consecutive lower in five cent ($0.05) increments and an additional ten (10) consecutive higher and ten (10) consecutive lower in ten cent ($0.10) increments above and below the previous day’s settlement price.

5513.00. OPTION EXERCISES.

The buyer of an AJC option may exercise the option on any business day by giving proper and timely notice of exercise to the Exchange. See Resolution 2101.00.C.

Additionally, notice by an option holder to exercise an option may be accepted by the Exchange (in its sole discretion) after the deadline but prior to final expiration processing:

A. To correct errors or mistakes made in good faith;

B. To take appropriate action as the result of unreconciled Exchange option transactions; and

C. In exceptional cases involving a customer’s inability to communicate to the Clearing Member exercise instructions or the Clearing Member’s inability to receive such instructions prior to the reporting deadline on the last day of trading.

5514.00. AUTOMATIC EXERCISE.

Notwithstanding the provisions of Regulation 5513.00., based upon the settlement price for AJC futures on the last day of trading for AJC options, the Exchange shall automatically exercise all in-the-money options unless notice to cancel automatic exercise is timely given to the Exchange. See Resolution 2101.00.C.

Additionally, notice to cancel automatic exercise may be accepted by the Exchange (in its sole discretion) after the deadline but prior to final expiration processing:

A. To correct errors or mistakes made in good faith;

B. To take appropriate action as the result of unreconciled Exchange option transactions; and

C. In exceptional cases involving a customer’s inability to communicate to the Clearing Member exercise instructions or the Clearing Member’s inability to receive such instructions prior to the reporting deadline on the last day of trading.

5515.00. ASSIGNMENT.

The Exchange shall assign the exercise of an option through a process of random selection or other approved method to a Clearing Member carrying a short position in the same option series. The Clearing Member shall promptly notify the buyer and seller of any assignments.

All positions assigned in the underlying futures contract shall be at a price equal to the exercise price of the option.
**5516.00. POSITION LIMITS.**

A. **Limits.** Position limits shall be determined by the Exchange. However, the position limits shall not apply to positions which are *bona fide* hedging transactions or positions as defined by MGEX. Additionally, any person with *bona fide* hedging positions must report such activity pursuant to MGEX or CFTC Regulations or Procedures and in such manner and format, and at such times, as may be required.

No person shall own or control a combination of options and underlying futures contracts that exceeds one-thousand (1,000) futures-equivalent contracts net long or short in all contract months combined, or one-thousand (1,000) futures-equivalent contracts net long or short in any single contract month.

B. **Compliance.** The Exchange may direct any person owning, controlling or carrying a position for another person in excess of the limits set forth in this Regulation to liquidate or otherwise reduce the position to achieve conformity with this Regulation. Further, no person may exceed the limits at any time during the trade day. Other than *bona fide* hedging positions, positions in excess of the limits shall be presumed to be a rule violation. However, for any futures position that exceeds position limits for passive reasons such as a market move or exercise assignment, the person shall be allowed one (1) business day to liquidate the excess position without being considered in violation of the limits.

C. **Enforcement.** The person owning, controlling or carrying a position, as well as the account holder, FCM, or Clearing Member as the case may be, shall maintain adequate books and records, available to the Exchange, upon request, which disclose the identity of and positions held by any person that owns or controls such position. The person owning, controlling or carrying a position, as well as the account holder, FCM and Clearing Member may be held accountable for any violation of the limits. The Department of Audits and Investigations may take enforcement action against any or all of the parties, whether or not each had actual knowledge of the position or violation.

5600.00. SCOPE OF CHAPTER.

This Chapter of Regulations has been duly adopted by the Board of Directors and is limited in its application to delivery warehouses for Apple Juice Concentrate (AJC). Trading, clearing, settlement, delivery and any other matters not specifically covered herein shall be governed by the MGEX Rules and Regulations, or otherwise delegated to the Exchange to establish policies and procedures that implement the MGEX Rules and Regulations.

5601.00. DELIVERY WAREHOUSES: CONDITIONS FOR BECOMING REGULAR.

When and if the terms and conditions set forth herein have been complied with, and not otherwise, the Exchange may declare a warehouse Regular for delivery.

Persons operating a warehouse who desire to have such warehouse become or remain Regular for delivery of AJC under the MGEX Rules and Regulations shall file an application or renewal form as prescribed by the Exchange. (See Form 56-01.00.) Renewal for Regularity must be filed prior to March 1 for a one (1) year term beginning the following May 1. Application for Regularity may be made at any time during a current term for the balance of that term. However, if an applicant is approved during the months of February, March or April, their initial Regularity term will include the following one (1) year term. Initial Regularity during the term shall become effective on the last business day in the month (or earlier if deemed necessary) in which the Exchange approves such application.

The Exchange may approve renewal of Regularity and may revoke said Regularity for cause at any time. Denial or revocation of Regularity by the Exchange may be appealed to the Board of Directors. The decision of the Board of Directors shall be final.

Application for Regularity may be made by persons operating eligible warehouses receiving AJC product and located within 100 miles of major shipping ports along the mainland coasts of the United States. The Exchange shall have sole discretion to determine locations suitable for delivery on the AJC futures contract. Such locations may be amended as determined necessary by the Exchange for efficient AJC delivery. (Subject to any CFTC approval or notification.)

Each applicant and Regular warehouse must have, agree to and remain in compliance with the following requirements:

A. A facility for the cold storage, handling and delivery of AJC in drums or bins. Cold storage means the ability to store AJC at or below 0° degrees Fahrenheit. Delivery means having the equipment and ability to load and unload semi-tractor trailers;

B. An electronic database recordkeeping system in which the arrival to and departure from the facility of AJC inventory is entered. Furthermore, the system must be able to clearly identify by multiple identifiers including but not limited to lots, sublots, and each drum or bin and the location thereof within the facility. Such system must be able to identify product should it be subject to recall;
C. Collect, maintain and forward such information and documents as may be requested by the Exchange including weekly or more frequent AJC inventory and stock reports. (See Form 56-01.00.C.) Further, allow MGEX such access to records or databases as necessary to verify information and stocks;

D. Establish FedEx, electronic mail, or such other accounts as needed with MGEX, product owners, the testing agency and clearing members to effectively and efficiently communicate intentions, send/receive documents, confirm instructions, make payments, etc;

E. A facility and equipment sufficient for samples to be able to be taken, and assistance to inspectors so they may be able to take samples. This includes retrieving and moving drums and bins as requested. Warehouses cannot interfere with the sampling process. A warehouse must contact the USDA sampling/testing agent within one (1) business day upon request of the owner of the AJC product;

F. Obtain any required and maintain a valid or required license permitting the warehouseman to own or operate a cold storage facility, and/or store and handle processed food products such as AJC. The license(s) may be issued by the municipality, a state or the federal government;

G. Maintain compliance with applicable product handling and health code requirements (such as HACCP requirements) established by any regulatory agency or entity, such as the FDA and USDA, with jurisdiction or oversight authority over the warehouse or products stored by the warehouse. Further, cooperate with or provide such agency or entity access to records, products or the premises, if so required by law or regulation. MGEX Rules and Regulations shall not shield a warehouse from compliance with any laws or regulations. A facility must cooperate with any product recalls or any other food safety inquiries regarding AJC. MGEX shall not be liable to any party for the quality of product or product recalls;

H. Provided AJC product has been stored, tested, and identified as established in the MGEX Rules and Regulations, complete and issue negotiable warehouse receipts within one (1) business day (in a form acceptable to MGEX) upon request of the owner of the AJC product. See Form 54-04.00.E. for an example of an acceptable negotiable warehouse receipt. A Regular warehouse shall honor all receipts it issues. Further, a warehouse shall be responsible for the content, accuracy and completeness of any receipt it issued for delivery on an AJC futures contract. Except for choice of law provisions, the laws of the state of Minnesota shall govern any negotiable warehouse receipt issued on AJC product and used to deliver on the AJC futures contract. MGEX disclaims any liability for the use of negotiable warehouse receipts used for delivery against the AJC futures contract;

I. Provide a tariff or fee schedule listing the rates for storage and handling of AJC drums and/or bins and agree to make such rates public. A Regular warehouse may provide the owner of products stored a lower storage rate based on volume of business. However, a warehouse cannot charge any subsequent owner of a negotiable warehouse receipt a higher storage rate than the original owner. Changes to tariffs must be provided thirty (30) days prior to effective date. In all instances, fees and tariffs charged by the warehouse must be satisfactory to the Exchange. MGEX may establish a maximum storage rate on AJC warehouse receipts used for delivery on an AJC futures contract.
Further, MGEX may establish maximum handling charges or fees. A warehouse may not charge more than one party for the same service (i.e. no double charging);

J. Abide by and agree to be subject to MGEX Rules and Regulations, including but not limited to those procedures described in MGEX documents made available by the Exchange. A Regular warehouse acknowledges the priority of MGEX Rules and Regulations should there be a conflict or dispute as to the application of appropriate authority or the interpretation of MGEX Rules and Regulations. All Regular warehouses agree to submit to the arbitration jurisdiction provided in the MGEX Rules and Regulations;

K. Immediately inform the Exchange of any adverse or potential adverse changes in status or financial conditions;

L. Be in good financial standing, and meet and maintain the following minimum financial requirements as evidenced by submission of the required financial statements:

1. **Working Capital** (excess of current assets over current liabilities) of at least $500,000. A bond, T-bill, cash or letter of credit paid to or in favor of MGEX in the amount of $500,000 may be acceptable at the discretion of the Exchange if this requirement is not met;

2. **Net Worth** of at least $500,000. A bond, T-bill, cash or letter of credit paid to or in favor of MGEX in the amount of $500,000 may be acceptable at the discretion of the Exchange if this requirement is not met;

3. MGEX has sole discretion to limit the number of negotiable AJC warehouse receipts eligible for delivery on the AJC futures contract that may be issued by a Regular Warehouse based on financial condition. Further, MGEX has sole discretion to request additional financial credit from a warehouse or revise financial requirements as it deems necessary;

M. Submit the following financial information to the Exchange:

1. **Annual Audited Financial Statement** prepared by an independent public accountant in accordance with generally accepted accounting principles, and submitted no later than ninety (90) days after the fiscal year end;

2. **Unaudited Financial Statement** reviewed by an independent licensed or public accountant may be submitted only if an audited financial statement is not available. If reviewed financial statements are not available, other financial statements may be submitted. However, if audited financial statements are not submitted, Regularity status may only be granted under conditions determined by the Exchange in its sole discretion. In such instances, the minimum financial standards may be significantly higher than stated in this chapter. Further, the Exchange may require additional or greater financial surety, including bonds, T-
bills, cash and letters of credit. If audited financial statements are not submitted, a bond, T-bill, cash or letter of credit paid to or in favor of MGEX in the amount of $1 million will be required. However, this amount may be modified at the discretion of the Exchange;

3. **Interim Unaudited Financial Statement** (balance sheet and income statement) submitted no later than forty-five (45) days after the mid-year point of the warehouseman’s fiscal year. An interim financial statement is required of all warehouses submitting an annual financial statement under 1 or 2 above;

4. If no financial statements are submitted, a bond, T-bill, cash or letter of credit paid to or in favor of MGEX in the amount of $2 million will be required. However, this amount may be modified at the discretion of the Exchange;

Note: MGEX has sole discretion to grant an extension of time to file a financial statement upon the written request of the warehouse and provided such request is received by MGEX prior to the financial statement due date.

N. Obtain, maintain and submit proof of the following insurance:

1. **Legal Liability** coverage for the loss of goods. The general terms of the legal liability insurance shall be stated on the negotiable warehouse receipt. A new certificate of insurance must be provided to MGEX prior to expiration of the coverage policy;

2. **Building or Property Insurance** in an appropriate amount satisfactory to MGEX;

3. **Product Insurance** that, at a minimum, is common in the industry and may be required by law or license. If the warehouse does not maintain full coverage or is not required to provide full coverage, the warehouse must disclose to the owner the amount of coverage so provided. Coverage may be disclosed in the fee schedule, tariff or negotiable warehouse receipt. If the stored AJC is not insured by the warehouse, it must be clearly stated on the warehouse receipt. The owner may obtain additional coverage at his own expense. However, the warehouse shall be responsible for product losses for which it is legally liable;

Note: MGEX has sole discretion to limit the number of negotiable AJC warehouse receipts that may be issued based on insurance coverage. Further, MGEX has sole discretion to request additional insurance from a warehouse or revise minimum insurance requirements as it deems necessary.

O. Obtain, maintain and submit proof of a **performance bond** in the minimum amount of $250,000 in favor of MGEX or purchase and hold a membership of MGEX. A T-bill,
cash or an unconditional and irrevocable letter of credit paid to or in favor of the Exchange may be substituted for the $250,000. The amount of bonds, T-bills, cash or a single letter of credit may not be used to meet more than one financial or regulatory requirement. Further, MGEX has sole discretion to request additional bond or revise the minimum bonding requirements as it deems necessary. All forms of bonds and letters of credit must be satisfactory to MGEX and issued by acceptable sureties. MGEX may waive this requirement in its sole discretion should MGEX determine the warehouse has sufficient insurance and financial standing;

P. Any MGEX memberships or amount paid to or in favor of MGEX is available to the Exchange to use in its discretion upon a failure of the pledging warehouse to meet its obligations required by the MGEX Rules and Regulations;

Q. Exercise such care in regards to stored AJC product as a reasonably prudent man would exercise under like circumstances as well as follow any prescribed MGEX Rules and Regulations related to AJC product. Failure to exercise such duty of care shall subject the warehouse to liability for loss, damage or destruction of AJC product; and

R. Limit the number of negotiable AJC warehouse receipts outstanding at any one time if requested or determined by the Exchange. The number of negotiable 1,800 gallon warehouse receipts that a warehouse can issue and have outstanding may be limited by the warehouse’s financial condition, type of financial statement, insurance coverage, performance bond, or such other factors the Exchange shall determine in its sole discretion presents a potential risk that should be considered in its analysis and decision.

5602.00. CANCELLATION, EXPIRATION, REVOCATION OR WITHDRAWAL OF REGULARITY.

A “Regular” warehouse shall not withdraw as Regular except after a ninety (90) day notice to the Exchange, or having obtained written consent of the Exchange.

In the event of cancellation, expiration, revocation, or withdrawal of Regularity, owners of outstanding negotiable warehouse receipts shall be given sixty (60) days to take load-out of AJC from the facility. After such time, the outstanding negotiable warehouse receipts will not be eligible for delivery against an AJC futures contract. Such time may be modified by the Exchange.

The Corporate Secretary will post notice of any cancellation, expiration, revocations or withdrawal of Regularity.

5603.00. RECORDS, REPORTS, VISITATION OF PREMISES REQUIRED BY COMMODITY EXCHANGE ACT.

Warehousemen operating Regular warehouses, in compliance with the provisions of the MGEX Rules and Regulations and the Commodity Exchange Act, as amended and the Regulations promulgated thereunder shall:

A. Keep records showing the stocks of AJC in store in such warehouses regardless of whether or not a warehouse receipt has been issued for such AJC product;
B. Upon call from the Commodity Futures Trading Commission, report the stocks of AJC and furnish information concerning AJC stocks for future delivery about to be transferred or in process of being transferred, or otherwise moved into or out of such warehouses, as well as any other information concerning AJC stored in such warehouses and that are or may be available for delivery on AJC futures contracts;

C. 5604.00. INFORMATION AND ACCESS TO RECORDS AND REPORTS BY MGEX.

Operators of MGEX-approved Regular warehouses shall disclose and timely file with the Exchange such information as requested, including but not limited to: quantity and condition of stocks in store; AJC in transit, purchased, sold, owned, held for others, consigned, assigned, transferred, delivered, or loaded out; and information on warehouse receipts issued and outstanding, cancelled without delivery and cancelled with delivery.

The information to be provided shall be in the manner, method and format determined by the Exchange and at such times determined by the Exchange. Such information may be requested on a daily, weekly or periodic basis.

Operators shall accord every facility to any duly authorized committee or person for:

A. the examination of its books and records.

B. the purpose of ascertaining the stocks of commodities which may be on hand at any time.

Such examination and verification may be made any time by the Exchange or its approved inspection agents or, any other committee authorized by the Exchange, which shall have the authority to employ appropriate personnel to determine the quantity and quality of AJC product in the warehouses and to compare the books and records of the said facilities with the records of any State or Federal authority.

Operators shall keep all books, records, papers and memoranda relating to the storage and warehousing of commodities in said facilities for a period of five (5) years.

5605.00. MISCELLANEOUS.

The MGEX Rulebook and procedures do not supersede state or Federal law. MGEX shall not be liable for the costs incurred by warehouses to become and remain Regular. Further, MGEX shall not be liable to warehouses or any party for actions taken by MGEX to enforce this chapter or the MGEX Rulebook, or for actions taken by MGEX pursuant to authority under this chapter.
or this Rulebook. MGEX may take such actions it determines in its sole discretion are necessary to address delivery or stock matters including potential manipulation.

A Regular warehouse, or the operator of a Regular warehouse, may be held liable to a product owner, warehouse receipt holder, clearing member, or other affected party for failure to follow MGEX Rules and Regulations. This potential liability includes, but is not limited to, costs and delays from incomplete or inaccurate warehouse receipts, failure to timely request for sample testing, failure to promptly issue a negotiable warehouse receipt, failure to promptly forward documents to the appropriate party, improper recordkeeping, improper charges or fees, or lost or missing documents.

Trading shall be conducted for put and call options on futures calendar spreads consisting of the nearby futures month and the next available futures month with strike prices in integral multiples of one cent ($0.01) per bushel per HRSW Calendar Spread option. Trading shall be conducted for put and call options on futures calendar spreads consisting of the nearby futures month and a futures month beyond the next available futures month with strike prices in integral multiples of five cents ($0.05) per bushel per HRSW Calendar Spread option. Contract months for trade shall be determined by the Exchange but shall never consist of a month which is not available for trade for HRSW futures (see Regulation 2010.00).

At the commencement of trading for such option contracts, the following strike prices shall be listed: one (1) with a strike price closest to the previous day’s HRSW Calendar Spread price settlement; the next ten (10) consecutive higher and the next ten (10) consecutive lower strike prices closest to the previous day’s HRSW Calendar Spread price settlement. If the previous day’s settlement price is midway between two (2) strike prices, the closest price shall be the larger of the two (2). When a sale in the underlying HRSW Calendar Spread occurs at a price greater than or equal to the tenth largest strike price, a new strike price one (1) increment higher than the existing strike prices will be added. When a sale in the underlying HRSW Calendar Spread occurs at a price less than or equal to the tenth smallest strike price, a new strike price one (1) increment lower than the existing strike prices will be added. When a new strike price is added for an option contract month, the same strike price will be added to all option contract months for which that strike price is not already listed. All new strike prices will be added prior to the opening of trading on the following business day.

All strikes will be listed prior to the opening of trading on the following business day. Upon demand and at the discretion of the Exchange, new out-of-current-range strike prices at regularly defined intervals may be added for trading on as soon as possible basis. The Exchange may modify the procedures for the introduction of months and strikes listed as it deems appropriate in order to
respond to market conditions.

5709.00. **DAILY PRICE LIMITS.**

Trading is prohibited in a HRSW Calendar Spread option at a premium that is greater than the trading limit for the HRSW futures contract above and below the previous day’s settlement premium for that option. On the first day of trading, limits shall be set from the premium of the first trade.

5710.00. **LAST TRADING DAY.**

Subject to the provisions of Regulations 5706.00. and 5708.00., no trades in HRSW Calendar Spread options expiring in the current month shall be made after the close of trading of the trading session on the day identical to the expiration of options corresponding to HRSW futures. Therefore, expiration will occur on the last Friday which precedes by at least two (2) business days, the last business day of the month preceding that earliest expiring corresponding option month. If such Friday is not a business day, the last day of trading shall be the business day prior to such Friday. For example, the March-May HRSW Calendar Spread (March HRSW minus May HRSW) will expire on the last Friday which precedes by at least two (2) business days the last business day of February; the December-July HRSW Calendar Spread (December HRSW minus July HRSW) will expire on the last Friday which precedes by at least two (2) business days the last business day of November.

5711.00. **PAYMENT OF OPTION PREMIUM.**

The option premium must be paid in full by each Clearing Member to the Exchange.

5712.00. **MARGIN REQUIREMENTS.**

Margin requirements shall be established in accordance with Rule 760.00. and Regulation 2102.00.

5713.00. **OFFSETS AND TRANSFER TRADES.**

Except by same day trade activity, existing options positions in a settlement month may not be offset during the period beginning two (2) business days prior to the settlement month and continuing through the end of the settlement month. Clearing Members will be responsible for compliance with the requirement by their omnibus accounts. This prohibition also applies to transfer trades where no change in ownership is involved when the date of execution or exercise of the position being transferred is not the same as the transfer date. Such positions are required to be offset by trading. If such positions are carried on the books of different Clearing Members, the receiving Clearing Member is responsible for compliance with this Regulation.

5714.00. **CONTRACT MODIFICATION.**

Specifications shall be fixed as of the first day of trading of a contract. A change in any Federal Law, regulation, ruling, directive or order that conflicts with these Regulations will become effective upon notice by the Exchange.

The Board of Directors or the Exchange, to maintain the viability of HRSW Calendar Spread Options, is granted the authority to change such contract specifications as it deems appropriate.
or necessary for any unopened contract month.

5715.00. OPTION EXERCISES.

The buyer of a HRSW Calendar Spread option may exercise the option only on the business day such option expires. In the money options that have not been liquidated or exercised on the last day of trading shall be automatically exercised in the absence of contrary instructions delivered to the Exchange by 4:00 p.m. Central Time, or by such other time designated by the Exchange, on the last day of trading by the Clearing Member representing the option buyer.

The HRSW Calendar Spread is calculated using final settlement values for the underlying contracts on the business day the option expires in the following formula: \((\text{settlement price of specified nearby HRSW futures}) - (\text{settlement price of specified deferred HRSW futures})\). An option is in-the-money if the settlement price of the underlying calendar spread is greater in the case of a call, or less in the case of a put, than the exercise price of the option.

5716.00. AUTOMATIC EXERCISE.

Notwithstanding the provisions of Regulation 5715.00., the Exchange shall automatically exercise all in-the-money HRSW Calendar Spread options unless notice to cancel automatic exercise is given to the Exchange at such time as determined by the Exchange (see Res. 2101.00.C.) on the last day of trading. Additionally, notice to cancel automatic exercise may be accepted by the Exchange (in its sole discretion) after the deadline but prior to final expiration processing:

A. to correct errors or mistakes made in good faith;

B. to take appropriate action as the result of unreconciled MGEX option transactions;

C. in exceptional cases involving a customer’s inability to communicate to the Clearing Member exercise instructions or the Clearing Member’s inability to receive such instructions prior to such time as determined by the Exchange (see Res. 2101.00.C.) on the last day of trading.

5717.00. ASSIGNMENT.

The Exchange shall assign the exercise of a HRSW Calendar Spread option through a process of random selection or other approved method to a Clearing Member carrying a short position in the same option series. A Clearing Member to which an exercise notice is assigned shall be notified of the assignment as soon as practicable after such notice is assigned by the Clearing House. Both buying and selling Clearing Members shall have the obligation to inform their respective customer of the assignment promptly.

Upon the exercise of a HRSW Calendar Spread option the Exchange assigns prices to the legs of the HRSW Calendar Spread in the following manner:

A. assigned nearby HRSW futures price equals the HRSW futures settlement price on the day of exercise;

B. assigned deferred HRSW futures price equals the nearby HRSW futures
settlement price on the day of exercise minus the strike value of the option.

All such futures positions shall be marked to market in accordance with Exchange procedures on the trading day of acceptance by the Exchange.

5718.00. POSITION LIMITS.

A. **Limits.** Position limits for HRSW Calendar Spread Options shall be those limits currently in effect for HRSW pursuant to Part 150 of the Regulations of the CFTC.

B. **Compliance.** The Exchange may direct any Member, Market Participant, or Person owning, controlling or carrying a position for a person in excess of the limits set forth in this Rule to liquidate or otherwise reduce the position to achieve conformity with this Rule. However, for any option position that exceeds position limits for passive reasons such as a market move or exercise assignment, the person shall be allowed one (1) business day to liquidate the excess position without being considered in violation of the limits. If at the close of trading, an option position exceeds position limits when evaluated using the previous day’s delta factors, but does not exceed the limits when evaluated using the delta factors for that day’s close of trading, then the position shall not constitute a position limit violation.

C. **Enforcement.** The carrying Member, Market Participant, or Person shall maintain books and records in the United States, available to the Exchange, upon request, which disclose the identity of and positions held by any person carried by such Member, Market Participant, or Person.

5719.00. EXEMPTIONS FROM POSITION LIMITS.

To be eligible for an exemption from position limits under this Regulation, an applicant must submit a written request to the Department of Audits and Investigations. Such request shall include the following:

A. a description of the size and nature of the proposed transactions;

B. information which will demonstrate that the proposed transactions are bona fide hedging transactions;

C. a statement indicating whether the person on whose behalf the request is made (i) maintains positions in the futures contract for which the exemption is sought with any other account holder or owner, and/or (ii) has made a previous or contemporaneous request pursuant to the Regulation through another applicant, and if so, the relationship of the information set forth in such requests;

D. a statement that the intended transactions will be *bona fide* hedges;

E. a statement that the applicant will immediately supply the Exchange with any material changes to the information submitted pursuant hereto; and

F. such further information as the Exchange may request.
Within five (5) business days of the submission of the information set forth above, the Department of Audits and Investigations shall notify the applicant whether the exemption has been granted and the limitations placed thereon. An exemption will remain in full force and effect until (i) the applicant or person on whose behalf the request is made requests a withdrawal; or (ii) the Exchange revokes, modifies or places further limitations thereon. At any time, MGEX may limit bona fide hedging positions, and deny or limit any request for exemption from position limits which MGEX determines in its sole discretion are not in accord with sound commercial practices or exceed the established or permitted amount which may be liquidated in an orderly fashion.

When applied to HRSW Calendar Spread options, MGEX will use as a guide, but not be limited by, the CFTC definition of a bona fide hedging position, as described in Commission Part 151, specifically 151.5, or elsewhere, as applicable.

5720.00. AGGREGATION OF POSITIONS.

In determining whether any person has exceeded the position limits, all positions in accounts for which such person by power of attorney or otherwise directly or indirectly holds positions or controls trading shall be included with the positions held by such person. Such limits upon positions shall apply to positions held by two (2) or more persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by a single person. MGEX will follow the CFTC definition of aggregation and the procedures for aggregating positions as described in CFTC Part 151, specifically 151.7, or elsewhere, as applicable.

5721.00. REPORTABLE POSITIONS.

A position of twenty-five (25) or more HRSW Calendar Spread options on this Exchange, long or short, in any one (1) month shall be a reportable position level. All such positions shall be reported in a manner and form as designated by the CFTC or the Exchange.

Dear__________:

RE: RESPONSE TO NON-MEMBER COMPLAINT

We understand that you seek redress from a Member firm or an individual member in connection with misunderstandings or disagreements arising from the handling of your account, or orders or executions for your account, on business conducted on, and subject to the Rules of the Minneapolis Grain Exchange.

We ask that you complete the enclosed STATEMENT OF CLAIMS FORM, which will be the basis for your claim against the Exchange Member Firm or Member whom you indicate.

In describing the substance of the Complaint, please indicate as accurately as you can the dates involved, the commodities in dispute and, where appropriate, the number of contracts, the prices and any other pertinent information. Identify any other persons involved, either as participants or witnesses and, where possible, their business affiliation. Copies of orders, confirmations, statements, trade agreements or other memoranda will be helpful.

When the completed Complaint form has been received by this office, the Respondent will be advised and, in accordance with Exchange Rules, an arbitration panel will be formed to arbitrate the differences.

In arbitrations between one Exchange member and another, the Exchange chooses arbitrators from a pool of twenty (20) or more persons, all of whom are members of the Corporation and all of whom are familiar with Exchange Rules and Regulations, customs and usages. However, in an arbitration between a non-member and customer and an Exchange member, the non-member customer may elect to have the dispute heard by an independent, or mixed, panel. This independent panel will consist of two persons who are not members of the Corporation nor associated with any member of the Exchange, and one Exchange member.

Should you elect to have the dispute heard by an independent panel as described above, it is necessary that you advise the Secretary in writing within ten (10) business days after the
date of the Secretary’s Notice. In the absence of such advice from you, the dispute will be heard by a panel of members.

Fees from each hearing before a Customer Claims Arbitration Panel (whether member or independent) shall be as follows:

- For each case involving up to $2,500.00: $100.00
- For each case involving $2,501.00 to $10,000.00: $200.00
- For each case involving more than $10,000.00: $300.00
- For any non-monetary claims: $300.00

The amount of the fee shall be based on the amount asked in the Complaint; and, in cases in which the payment of money is neither asked in the Complaint nor awarded, the fees shall be at the discretion of the panel, but, in no case more than three hundred dollars ($300.00).

In each case, all fees shall be paid in advance to the Exchange. Such fees shall be retained by the Exchange whether the case is heard or not.

The Commodity Futures Trading Commission has ruled that the incremental cost for an independent panel is solely for the expense of the Exchange member unless the arbitrators determine that the customer acted in bad faith in initiating or conducting the proceedings.

Please note that Exchange Rule 517.00 PRE-HEARING EXCHANGE OF DOCUMENTS AND WRITTEN INFORMATION (see enclosed copy of Arbitration Rules) requires that all parties cooperate in the voluntary exchange of relevant documents and written information to facilitate a fair, equitable and expeditious hearing.

If you have questions or need further assistance in completing the Complaint form, please contact me at 612-321-7101 or write:

Minneapolis Grain Exchange
Attn: Corporate Secretary
400 South 4th Street - Suite 130

Please remember to let us know if you want a non-member panel. Also, please accompany your Complaint form by a check in the appropriate amount (see previous page and Customer Claim Form).

Very truly yours,
Minneapolis Grain Exchange

INTERPRETATIONS

RULEBOOK

GENDER:

"It is the official interpretation of the Board of Directors of the Minneapolis Grain Exchange that any reference to the pronoun "he" or "his" appearing within the Rules, Regulations, By-Laws or other Exchange publications or documents, official or unofficial, shall be interpreted to be gender-neutral; "he" or "his" being understood to mean "he/she" or "his/hers".

Board action 4/12/90.

CHAPTER 7

731.00. BIDS AND OFFERS ABOVE OR BELOW CURRENT MARKET.

In order to provide greater trading clarity and flexibility to Members, the Board of Directors has officially approved the following interpretation:

The phrases "current asking price" and "current bid price", by definition, are clearly meant to reflect current market conditions in commodity options. Any Member in the options pit is hereby permitted to adjust, by open outcry, the last reported bid with a lower bid and to adjust the last reported offer with a higher offer at any time within the Hours of Trading.

Board action 4/9/92.

CHAPTER 8

803.00. CONTRACT AND OTHER DELIVERABLE GRADES.

To maintain a fluid market for Wheat futures, which accurately reflects cash market practices, the Board of Directors has officially approved the following interpretation:

Wheat labeled by a special grade designation, i.e. - ergoty wheat, garlicky wheat, infested wheat, light smutty wheat, smutty wheat, treated wheat or other special grade designation, as defined by the United States Department of Agriculture - United States Standards for Wheat, shall not be deliverable against a Minneapolis Grain Exchange futures contract.

Board action 2/22/94.

CHAPTERS 8 and 20

813.00. LOAD-OUT PROCEDURES.
824.00. DEFAULT.
826.00. FAILURE TO DELIVER ON CONTRACT: DAMAGES.
2028.00. LOADINGS IN SATISFACTION OF WAREHOUSE RECEIPTS.

To clarify the obligations and responsibilities of parties involved in the Spring Wheat delivery process, the Board of Directors has officially approved the following interpretation:

Rule 813.00. requires that twenty-five (25) rail cars be loaded out in a single day. Whether the minimum load-out rate for rail cars has been met shall be determined by the issuance of the first
official/certified inspection grade (and protein when requested) on each car that meets or exceeds the delivery specifications. Therefore, failure to load out twenty-five (25) cars in one day with a first official/certified inspection grade that meets the delivery specifications shall be evidence of a default under Rule 824.00. An elevator is expected to make all necessary arrangements so as to obtain same day inspection results and meet the minimum load-out rate. Upon notice that a rail car does not meet the delivery specifications, the elevator shall reload the same day until the first official/certified inspection grade meets the delivery specifications. Failure to do so shall be evidence of a default. In such case, recourse may be made to Rule 826.00. for damages. Furthermore, all costs incurred to reload in order to obtain the first official/certified inspection grade that meets the delivery specifications, including switching charges and demurrage for both the rail cars failing to meet the delivery specifications and loaded cars subject to delay in shipment shall be for the account of the elevator.

Should the party surrendering the warehouse receipts request Federal reconsideration of grade pursuant to Regulation 2028.00., the cost of appeal shall be for the account of the taker. Allocation of the other costs and any remedy will be dependant upon the Federal regrade results. If a rail car fails to meet the delivery specifications, all additional costs incurred to meet the delivery specifications and obtain a Federal grade, including demurrage, reload and switching charges shall be for the account of the elevator. Demurrage, as documented by a railroad invoice, for the loaded cars that meet the delivery specifications upon regrade shall be for the account of the taker.

Either party is entitled to appeal the Federal regrade results to the Federal Board of Appeal. The party making the appeal shall pay the cost for appeal. Demurrage on the rail car(s) appealed that do meet the delivery specifications shall be for the account of the taker. Demurrage on the rail car(s) appealed that do not meet the delivery specifications shall be for the account of the elevator.

If the elevator does not prevail upon notice of Federal regrade results, the elevator shall reload until the first official/certified inspection grade meets the delivery specifications. Reload shall be completed within twenty-four (24) hours of such notice. If the elevator does not prevail upon notice of Federal Board appeal results, the elevator shall reload the same day that the railroad makes the rail cars available, until the first official/certified inspection grade meets the delivery specifications. Failure to timely reload shall be evidence of a default. Additionally, the elevator shall give priority to reload the failed car(s) over other cars constructively placed.

The elevator shall not be required to release any rail car(s) until all the cars to be shipped meet the delivery specifications upon completion of the grading and appeal process.

The Rules, Regulations and Interpretations of the Exchange do not prohibit the parties from mutually agreeing to monetary adjustments, or modification of the delivery process or terms upon failure by the elevator to meet the delivery specifications on Spring Wheat that is loaded-out.

Board action 9/20/01.

A Delegate shall deposit one thousand dollars ($1,000.00) with the Exchange. No interest will be paid on the deposit.

A Delegate shall pay a fee of two hundred dollars ($200.00) each month unless said Delegate trades a minimum of twenty five (25) MGEX futures and/or options contracts.
RESOLUTION 719.00.

The Minneapolis Grain Exchange Board of Directors has adopted a $0.70 fee to be paid to the Corporation by the buyer and the seller for each Minneapolis Grain Exchange contract involved in an exchange for risk or exchange for physical transaction.

Approved by the Board March 18, 2008, effective April 1, 2008.

RESOLUTION 803.00.

Effective with the May 2013 contract month, all warehouse receipts issued for delivery against Hard Red Spring Wheat (“HRSW”) futures contracts shall be marked with a deoxynivalenol (“vomitoxin”) limit expressed in tenths as either (i) 2.0 parts per million or (ii) 3.0 parts per million. Warehouse receipts marked as 2.0 parts per million or 3.0 parts per million shall represent a maximum vomitoxin level. Further, warehouse receipts marked as 2.0 parts per million shall be delivered at contract price, while receipts marked as 3.0 parts per million vomitoxin shall be delivered at a 20 cents per bushel discount.

The taker shall have the option, at taker’s expense, to request for a determination of the level of vomitoxin at the time load-out instructions are submitted to the warehouse. Sampling shall be conducted at the point of load-out by the Federal Grain Inspection Service, a federally designated inspection agency or by a third party inspection service which is mutually agreeable to the warehouse and taker of delivery. The determination of the level of vomitoxin shall be based on the average test results of the HRSW. Vomitoxin test results up to and including 2.0 parts per million shall meet warehouse receipts marked 2.0 parts per million. Vomitoxin test results up to and including 3.0 parts per million shall meet warehouse receipts marked 3.0 parts per million. Vomitoxin test results greater than 3.0 parts per million shall not be deliverable. There will be no rounding of test results to a whole number. Taker may agree to accept HRSW with vomitoxin test results greater than 2.0 up to 3.0 parts per million for warehouse receipts marked 2.0 parts per million at the stated discount or at a discount mutually agreed by both parties.

The following methods are to be used for determining the level of acceptable vomitoxin for deliveries against HRSW futures:

1. Barges shall be based upon a single barge composite sample.
2. Vessels shall be based upon the average of sublot composite samples.
3. Trains shall be based upon an average of 5 railcar composite samples. A single composite sample shall be used for load-outs less than 5 railcars.
4. Warehouse and taker may mutually agree to utilize other sample averages.

7301.00. SCOPE OF CHAPTER.

The unit of trading shall be the National Corn Index multiplied by five-thousand (5,000) bushels.

7304.00. MINIMUM PRICE FLUCTUATION.

7305.00. TRADING MONTHS AND HOURS.

The months available for trading in National Corn Index futures, the number of months available for trade at one time and the Hours of Trading shall be determined by the Board of Directors. See Regulations 2010.00. and 2011.00.

7306.00. DAILY PRICE LIMITS.

Daily price limits shall be set by the Board of Directors. See Regulation 2012.00.

7307.00. LAST TRADING DAY.

The last trading day shall be determined by the Board of Directors and shall be the trade day preceding cash settlement. See Regulation 2011.01.

7308.00. POSITION LIMITS.

A. Limits. Position limits shall be determined by the Board of Directors. The position limits shall not apply to positions which are bona fide hedging transactions or positions. See Regulation 2013.00.

B. Compliance. The Exchange may direct any Member or Market Participant owning, controlling or carrying a position for a person in excess of the limits set
forth in this Rule to liquidate or otherwise reduce the position to achieve conformity with this Rule. However, for any futures position that exceeds position limits for passive reasons such as a market move or exercise assignment, the person shall be allowed one (1) business day to liquidate the excess position without being considered in violation of the limits.

C. **Enforcement.** The carrying Member or Market Participant shall maintain books and records in the United States, available to the Exchange, upon request, which disclose the identity of and positions held by any person carried by such Member or Market Participant.

### 7309.00. EXEMPTION FROM POSITION LIMITS.

To be eligible for an exemption under this Rule, an applicant must submit a written request to the Department of Audits and Investigations. Such request shall include the following:

A. a description of the size and nature of the proposed transactions;

B. information which will demonstrate that the proposed transactions are *bona fide* hedging transactions;

C. a statement indicating whether the person on whose behalf the request is made (i) maintains positions in the futures contract for which the exemption is sought with any other account holder or owner, and/or (ii) has made a previous or contemporaneous request pursuant to the Rule through another applicant, and if so, the relationship of the information set forth in such requests;

An exemption will remain in full force and effect until (i) the applicant or person on whose behalf the request is made requests a withdrawal; or (ii) the Exchange revokes, modifies or places further limitations thereon.

Applicants must file separate written requests for exemptions from the notice period position limits and other position limits specified in this Chapter.

### 7310.00. AGGREGATION OF POSITIONS.

In determining whether any person has exceeded the position limits, all positions in accounts for which such person by power of attorney or otherwise directly or indirectly holds positions or controls trading shall be included with the positions held by such person. Such limits upon positions shall apply to positions held by two (2) or more persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by a single person.
7311.00. REPORTABLE POSITIONS.

A position of twenty-five (25) or more National Corn Index futures on this Exchange, long or short, in any one (1) month shall be the reportable position level. All such positions shall be reported in a manner and form as designated by the Commission or the Exchange. See Rule 1505.00.

7312.00. OFFSETS AND TRANSFER TRADES.

Except by same day trade activity, existing futures positions in a settlement month may not be offset during the period beginning two (2) business days prior to the settlement month and continuing through the end of the settlement month. Clearing Members will be responsible for compliance with the requirement by their omnibus accounts. This prohibition also applies to transfer trades where no change in ownership is involved when the date of execution or exercise of the position being transferred is not the same as the transfer date. Such positions are required to be offset by trading. If such positions are carried on the books of different Clearing Members, the receiving Clearing Member is responsible for compliance with this Rule.

7313.00. CONTRACT MODIFICATIONS.

Specifications shall be fixed as of the first day of trading of a contract. A change in any Federal Law, regulation, ruling, directive or order that conflicts with these Rules will become effective upon the affirmative vote of the Board of Directors.

The Board of Directors, to maintain the viability of the futures contract, is granted the authority to change such contract specifications as it deems appropriate and/or necessary for any unopened contract month.

7314.00. CASH SETTLEMENT.

National Corn Index futures positions open as of the close of business on the last trading day shall be cash settled. The cash settlement shall be based upon the simple average of the last three (3) published National Corn Index prices for days the contract is available for trade during the settlement month using standard rounding techniques and rounded to the nearest one-quarter cent ($0.0025).

7315.00. THE NATIONAL CORN INDEX: CALCULATION.

The National Corn Index is based upon a select sample of commercial bids placed for U.S. No. 2 yellow corn throughout the United States. The sample will be conducted and obtained by an independent third party. The third party must meet collection and time parameters established by the Exchange. Additionally, the sample shall be taken from as many sources and locations as practical. The National Corn Index shall then be the calculated average numerical value of the sample using standard rounding techniques. Upon certification by the third party, and confirmation, review or verification of the data by the Exchange, the National Corn Index will be disseminated prior to the start of trading the next business day.

The Exchange reserves the right to refuse to use the data or the National Corn Index based upon evidence of an error in the data gathering process, manipulation of the data, faulty computation, or other unusual, questionable or suspicious activity involving the National Corn Index calculation. In the event the Exchange rejects the data, the procedures of Rule 7316.00. shall govern.
7316.00. EMERGENCIES.

In the event of an emergency, as determined by the Exchange, the Board of Directors shall have the authority and power to follow the procedures described in Rule 210.02.

An emergency may include, but is not limited to, Force Majeure, interference, interruptions or breakage of communication, accident, or any event or occurrence that is causing or may cause disruption in the marketplace.

Additionally, in the event the MGEX is unable to timely receive sufficient data necessary to calculate, report or verify the National Corn Index or believes the data or the National Corn Index to be in error, the Board of Directors or Executive Committee shall have such authority and power to determine the National Corn Index. The Board of Directors or Executive Committee may utilize such sources, means or methods that it determines to be in the best interest of the Exchange and the market. The decision of the Board of Directors or Executive Committee shall be final and binding upon all parties. The Exchange shall not be liable to any party as a result of actions and decisions taken in good faith.

7403.00. NATIONAL CORN INDEX CALL OPTIONS.

The Buyer of one (1) National Corn Index call option may exercise such option at any time prior to expiration to assume a long position in one (1) National Corn Index futures contract of a specified contract month at a striking price set at the time the option was purchased. 7406.00. TRADING MONTHS AND HOURS.

Trading may be conducted in National Corn Index options in such contract months as may be determined by the Board of Directors. However, the Board of Directors may, at its discretion, restrict trading in any month should market conditions so warrant. There shall be no trading in

However, for any option position that exceeds position limits for passive reasons such as a market move or exercise assignment, the person shall be allowed one (1) business day to liquidate the excess position without being considered in violation of the limits. 7604.00. CONTRACT TRADING UNIT.

The unit of trading shall be a put or a call option exercisable for one (1) Minneapolis Grain Exchange National Soybean Index futures contract.

7605.00. MINIMUM PRICE FLUCTUATION.

The minimum price fluctuation shall be one-eighth cent ($0.00125) or six dollars twenty-five cents ($6.25) per contract. All prices shall be quoted in U.S. dollars. In the case of a cabinet trade, when both sides are closing transactions, the option premium may be one dollar ($1.00).

7606.00. TRADING MONTHS AND HOURS.

Trading may be conducted in National Soybean Index options in such contract months as may be determined by the Board of Directors. However, the Board of Directors may, at its discretion, restrict trading in any month should market conditions so warrant. There shall be no trading in
National Soybean Index options for months in which the underlying National Soybean Index futures months have not yet traded. The Hours of Trading for National Soybean Index options shall be determined by the Board of Directors. See Regulations 2010.00. and 2011.00.

7607.00. DAILY PRICE LIMITS.

Trading is prohibited during any day in National Soybean Index options at a premium of more than the trading limit for National Soybean Index futures contracts above and below the previous day’s settlement premium for that option. On the first (1st) day of trading, limits shall be set from the lowest premium of the opening range.

7608.00. LAST TRADING DAY.

The last trading day shall be the same day as the last day of trading for the underlying futures contract. See Regulation 2011.01.

7609.00. EXPIRATION OF OPTIONS.

7611.00. PAYMENT OF OPTION PREMIUM.

The option premium must be paid in full by each Clearing Member to the Exchange.

7612.00. POSITION LIMITS.

A. **Limits.** Position limits shall be determined by the Board of Directors. The position limits shall not apply to positions which are *bona fide* hedging transactions or positions within the meaning of Rule 1503.00., provided that the provisions of Rule 1504.00. have been satisfied. See Regulation 2013.01.

B. **Compliance.** The Exchange may direct any Member or Market Participant owning, controlling or carrying a position for a person in excess of the limits set forth in this Rule to liquidate or otherwise reduce the position to achieve conformity with this Rule. However, for any option position that exceeds position limits for passive reasons such as a market move or exercise assignment, the person shall be allowed one (1) business day to liquidate the excess position without being considered in violation of the limits. In addition, if at the close of trading, an option position exceeds position limits when evaluated using the previous day’s delta factors, but does not exceed the limits when evaluated using the delta factors for that day’s close of trading, then the position shall not constitute a position limit violation.
C. Enforcement. The carrying Member or Market Participant shall maintain books and records in the United States, available to the Exchange, upon request, which disclose the identity of and positions held by any person carried by such Member or Market Participant.

7613.00. EXEMPTIONS FROM POSITION LIMITS.

Such limits upon positions shall apply to positions held by two (2) or more persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by a single person.

7615.00. REPORTABLE POSITIONS.

A position of twenty-five (25) or more National Soybean Index put or call options on this Exchange, long or short, in any one (1) month shall be the reportable position level. All such positions shall be reported in a manner and form as designated by the Commission or the Exchange. See Rule 1505.00.

7616.00. OFFSETS AND TRANSFER TRADES.

Except by same day trade activity, existing options positions in a settlement month may not be offset during the period beginning two (2) business days prior to the settlement month and continuing through the end of the settlement month. Clearing Members will be responsible for compliance with the requirement by their omnibus accounts. This prohibition also applies to transfer trades where no change in ownership is involved when the date of execution or exercise of the position being transferred is not the same as the transfer date. Such positions are required to be offset by trading. If such positions are carried on the books of different Clearing Members, the receiving Clearing Member is responsible for compliance with this Rule.

7617.00. CONTRACT MODIFICATIONS.

Specifications shall be fixed as of the first day of trading of a contract. A change in any Federal Law, regulation, ruling, directive or order that conflicts with these Rules will become effective upon the affirmative vote of the Board of Directors.

7618.00. OPTION EXERCISES.

The Buyer of a National Soybean Index option may exercise the option on any business day prior to the expiration date by giving notice of exercise to the Clearing House at such time as determined by the Exchange (see Res. 2101.00.C.) on such day. 7619.00. AUTOMATIC EXERCISE.

Notwithstanding the provisions of Rule 7618.00., based upon the National Soybean Index cash settlement, the Exchange shall automatically exercise all in-the-money options unless notice to cancel automatic exercise is given to the Clearing House.

Notice to cancel automatic exercise shall be given to the Clearing House at such time as determined by the Exchange (see Res. 2101.00.C.) on the last day of trading except that such notice may be given to the Clearing House prior to ten o’clock (10:00) a.m. Central Time on the expiration date:

A. to correct errors or mistakes made in good faith;

B. to take appropriate action as the result of unreconciled MGEX option transactions;

7710.00. AGGREGATION OF POSITIONS.

In determining whether any person has exceeded the position limits, all positions in accounts for which such person by power of attorney or otherwise directly or indirectly holds positions or controls trading shall be included with the positions held by such person. Such limits upon positions shall apply to positions held by two (2) or more persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by a single person.

7711.00. REPORTABLE POSITIONS.

Hard Red Winter Wheat Index futures positions open as of the close of business on the last trading day shall be cash settled. The cash settlement shall be based upon the simple average of the last three (3) published Hard Red Winter Wheat Index prices for days the contract is available for trade during the settlement month using standard rounding techniques and rounded to the nearest one-quarter cent ($0.0025).
7715.00. THE HARD RED WINTER WHEAT INDEX: CALCULATION.

The Hard Red Winter Wheat Index is based upon a select sample of commercial bids placed for U.S. No. 1 Hard Red Winter Wheat throughout the United States. The sample will be conducted and obtained by an independent third party. The third party must meet collection and time parameters established by the Exchange. Additionally, the sample shall be taken from as many sources and locations as practical. The Hard Red Winter Wheat Index shall then be the calculated average numerical value of the sample using standard rounding techniques. Upon certification by the third party, and confirmation, review or verification of the data by the Exchange, the Hard Red Winter Wheat Index will be disseminated prior to the start of trading the next business day.

The Exchange reserves the right to refuse to use the data or the Hard Red Winter Wheat Index based upon evidence of an error in the data gathering process, manipulation of the data, faulty computation, or other unusual, questionable or suspicious activity involving the Hard Red Winter Wheat Index calculation. In the event the Exchange rejects the data, the procedures of Rule 7716.00. shall govern.

Additionally, in the event the MGEX is unable to timely receive sufficient data necessary to calculate, report or verify the Hard Wheat Index or believes the data or the Hard Wheat Index to be in error, the Board of Directors or Executive Committee shall have such authority and power to determine the Hard Wheat Index. The Board of Directors or Executive Committee may utilize such sources, means or methods that it determines to be in the best interest of the Exchange and the market. The decision of the Board of Directors or Executive Committee shall be final and binding upon all parties. The Exchange shall not be liable to any party as a result of actions and decisions taken in good faith.

B. **Compliance.** The Exchange may direct any Member or Market Participant owning, controlling or carrying a position for a person in excess of the limits set forth in this Rule to liquidate or otherwise reduce the position to achieve conformity with this Rule. However, for any option
position that exceeds position limits for passive reasons such as a market move or exercise assignment, the person shall be allowed one (1) business day to liquidate the excess position without being considered in violation of the limits. In addition, if at the close of trading, an option position exceeds position limits when evaluated using the previous day’s delta factors, but does not exceed the limits when evaluated using the delta factors for that day’s close of trading, then the position shall not constitute a position limit violation.

C. Enforcement. The carrying Member or Market Participant shall maintain books and records in the United States, available to the Exchange, upon request, which disclose the identity of and positions held by any person carried by such Member or Market Participant.

8213.00. EXEMPTIONS FROM POSITION LIMITS.

To be eligible for an exemption from the position limits, an applicant must submit a written request to the Department of Audits and Investigations. The request shall follow the requirements of Rule 8109.00.

8214.00. AGGREGATION OF POSITIONS.

In determining whether any person has exceeded the position limits, all positions in accounts for which such person by power of attorney or otherwise directly or indirectly holds positions or controls trading shall be included with the positions held by such person. Such limits upon positions shall apply to positions held by two (2) or more persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by a single person.

8215.00. REPORTABLE POSITIONS.

A position of twenty-five (25) or more Hard Red Spring Wheat Index put or call options on this Exchange, long or short, in any one (1) month shall be the reportable position level. All such positions shall be reported in a manner and form as designated by the Commission or the Exchange. See Rule 1505.00.

8216.00. OFFSETS AND TRANSFER TRADES.

Except by same day trade activity, existing options positions in a settlement month may not be offset during the period beginning two (2) business days prior to the settlement month and continuing through the end of the settlement month. Clearing Members will be responsible for compliance with the requirement by their omnibus accounts. This prohibition also applies to transfer trades where no change in ownership is involved when the date of execution or exercise of the position being transferred is not the same as the transfer date. Such positions are required to be offset by trading. If such positions are carried on the books of different Clearing Members, the receiving Clearing Member is responsible for compliance with this Rule.

8217.00. CONTRACT MODIFICATIONS.

Specifications shall be fixed as of the first day of trading of a contract. A change in any Federal Law, regulation, ruling, directive or order that conflicts with these Rules will become effective
upon the affirmative vote of the Board of Directors.

The Board of Directors, to maintain the viability of the options contract, is granted the authority to change such contract specifications as it deems appropriate and/or necessary for any unopened contract month.

8218.00. OPTION EXERCISES.

The Buyer of a Hard Red Spring Wheat Index option may exercise the option on any business day prior to the expiration date by giving notice of exercise to the Clearing House at such time as determined by the Exchange (see Res. 2101.00.C.) on such day. Notwithstanding the foregoing, the Buyer may exercise the option prior to ten o’clock (10:00) a.m. Central Time on expiration date:

A. to correct errors or mistakes made in good faith;

B. to take appropriate action as the result of unreconciled MGEX option transactions;

C. in exceptional cases involving a customer’s inability to communicate to the Clearing Member exercise instruction or the Clearing Member’s inability to receive such instructions prior to such time as determined by the Exchange (see Res. 2101.00.C.) on the last day of trading.

8219.00. AUTOMATIC EXERCISE.

Notwithstanding the provisions of Rule 8218.00., based upon the Hard Red Spring Wheat Index cash settlement, the Exchange shall automatically exercise all in-the-money options unless notice to cancel automatic exercise is given to the Clearing House.

Notice to cancel automatic exercise shall be given to the Clearing House at such time as determined by the Exchange (see Res. 2101.00.C.) on the last day of trading except that such notice may be given to the Clearing House prior to ten o’clock (10:00) a.m. Central Time on the expiration date:

A. to correct errors or mistakes made in good faith;

B. to take appropriate action as the result of unreconciled MGEX option transactions;

C. in exceptional cases involving a customer’s inability to communicate to the Clearing Member exercise instructions or the Clearing Member’s inability to receive such instructions prior to such time as determined by the Exchange (see Res. 2101.00.C.) on the last day of trading.
