

MEMO

TO: MGEX Clearing Members

FROM: MGEX Clearing House

DATE: May 13th, 2019

SUBJECT: SLEDS Go Live Date

Effective, for Friday May 24th 2019, trading session, MGEX will be going live with new SLEDS functionality. The SLEDS functionality will be initiated either at the firm level with all eligible future spread trades being SLEDS priced or by individual account numbers prefixed with the special character '%'

SLEDS will only be initiated at the firm level if a Clearing Member has confirmed to the Exchange by Wednesday May 22nd that they would like all eligible future spread trades to be SLEDS priced. Otherwise, any clearing member can change their preference with one trading session's notice going forward.

As mentioned in the prior SLEDS memo (attached), the special character will be omitted/removed from all accounts regardless if the trade is SLEDS priced or not.

MGEX thanks you for your attention and cooperation in these matters. If you have any questions, please feel free to contact Robert Stenseth at 612-321-7114 or rstenseth@mgex.com.
